

April 28, 2010, Meghmani Pigments submitted a letter withdrawing its request of the review within the 90-day deadline. No other party requested a review of the order. Therefore, the Department is rescinding this administrative review of the countervailing duty order on CVP-23 from India for the period January 1, 2008 through December 31, 2008. The Department intends to issue appropriate assessment instructions to U.S. Customs and Border Protection 15 days after the date of publication of this notice.

Notification Regarding Administrative Protective Order

This notice serves as a final reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3) of the Department's regulations, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: June 11, 2010.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

BILLING CODE 3510-DS-S

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

RIN 0648-XW69

Taking and Importing Marine Mammals; Taking Marine Mammals Incidental to Coastal Commercial Fireworks Displays at Monterey Bay National Marine Sanctuary, CA

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of issuance of a letter of authorization.

SUMMARY: In accordance with the Marine Mammal Protection Act (MMPA) and implementing regulations,

notification is hereby given that a one-year Letter of Authorization (LOA) has been issued to the Monterey Bay National Marine Sanctuary (MBNMS) to incidentally take, by Level B harassment only, California sea lions (*Zalophus californianus*) and Pacific harbor seals (*Phoca vitulina*) incidental to professional fireworks displays within the MBNMS.

DATES: This authorization is effective from July 4, 2010, through July 3, 2011.

ADDRESSES: The LOA and supporting documentation are available for review in the Permits, Conservation, and Education Division, Office of Protected Resources, NMFS, 1315 East-West Highway, Silver Spring, MD 20910, by contacting one of the individuals listed below (**FOR FURTHER INFORMATION CONTACT**), or online at: <http://www.nmfs.noaa.gov/pr/permits/incidental.htm#applications>. Documents cited in this notice may be viewed, by appointment, during regular business hours, at the aforementioned address and at the Southwest Region, NMFS, 501 West Ocean Boulevard, Suite 4200, Long Beach, CA 90802.

FOR FURTHER INFORMATION CONTACT: Ben Laws, Office of Protected Resources, NMFS, (301) 713-2289, or Monica DeAngelis, Southwest Regional Office, NMFS, (562) 980-4023.

SUPPLEMENTARY INFORMATION:

Background

Section 101(a)(5)(A) of the MMPA (16 U.S.C. 1361 *et seq.*) directs the Secretary of Commerce (Secretary) upon request, to allow, during periods of not more than five consecutive years each, the incidental, but not intentional, taking of marine mammals by United States citizens who engage in a specified activity (other than commercial fishing) within a specified geographical region, if certain findings are made and regulations are issued.

The Secretary shall grant the authorization for incidental taking if NMFS finds, after notice and opportunity for public comment, that the total of such taking during each five-year (or less) period concerned, will have a negligible impact on the species or stock(s), will not have an unmitigable adverse impact on the availability of the species or stock(s) for subsistence uses, and if the permissible methods of taking and requirements pertaining to the mitigation, monitoring and reporting of such takings are set forth.

NMFS has defined "negligible impact" in 50 CFR 216.103 as "...an impact resulting from the specified activity that cannot be reasonably expected to, and is not reasonably likely to, adversely affect

the species or stock through effects on annual rates of recruitment or survival."

In addition, NMFS must prescribe regulations that include permissible methods of taking and other means of effecting the least practicable adverse impact on the species and its habitat, paying particular attention to rookeries, mating grounds, and areas of similar significance, and on the availability of the species for subsistence uses. The regulations must include requirements for monitoring and reporting of such taking.

Regulations governing the taking of California sea lions and Pacific harbor seals, by Level B harassment, incidental to commercial fireworks displays within the Monterey Bay National Marine Sanctuary (MBNMS) became effective on July 4, 2006, and remain in effect until July 3, 2011. For detailed information on this action, please refer to the original **Federal Register** notice (71 FR 40928, July 19, 2006). These regulations include mitigation, monitoring, and reporting requirements for the incidental taking of marine mammals during the fireworks displays within the Sanctuary boundaries. This will be the fifth LOA issued pursuant to these regulations.

Summary of Request

On February 26, 2010, NMFS received a request for a LOA pursuant to the aforementioned regulations that would authorize, for a period not to exceed 1 year, take of marine mammals incidental to fireworks displays at the MBNMS. Justification for conducting fireworks displays within the MBNMS can be found in the proposed rule (71 FR 25544, May 1, 2006) and the final rule (71 FR 40928, July 19, 2006).

Summary of Activity and Monitoring Under the Current LOA

In compliance with the 2009 LOA, the MBNMS submitted an annual report on the fireworks displays at MBNMS. A summary of that report follows.

For each display, observers conducted pre-event surveys to document abundance and distribution of local marine mammal populations within the fireworks areas. Following the fireworks display, observers conducted post-event monitoring to record the presence of injured or dead marine mammals, and other wildlife.

Pre-event monitoring of the Cambria Independence Day Fireworks on July 3 found no marine mammals present at the site and a post-event census on July 5 found no injured or dead marine mammals.

On July 3, observers conducted pre-event monitoring in the Pillar Point

Harbor area for the Half Moon Bay Independence Day Firework and recorded five harbor seals and 45 California sea lions. One California sea lion that appeared ill was reported to the Marine Mammal Stranding Center. Observers recall that the post-event monitoring on July 5 revealed that no marine mammals were injured or killed; however, the records of post-event monitoring were lost.

Pre-event monitoring for the Pacific Grove Feast of Lanterns Fireworks display consisted of enumerating all marine mammals within 400 meters of the fireworks launch site (survey area). On July 24, observers reported the presence of seven harbor seals and four California sea lions within the survey area. A post-event monitoring survey found that no marine mammals had been injured or killed.

Finally, pre-event monitoring of the Monte Foundation Fireworks Display on October 2 found approximately 34 California sea lions, approximately 10 harbor seals, and two bottlenose dolphins within the survey area. On October 4, the observers reported that there were no injured or dead marine mammals.

In summary, MBNMS conducted activities as described in the regulations, implemented the required mitigation measures, and conducted the required monitoring. The total number of potentially harassed California sea lions (83) and harbor seals (22) for all fireworks displays was well below the authorized limits as stated in the final rule (71 FR 40928, July 19, 2006).

No injuries or fatalities to marine mammals were reported as resulting from any of the events. Hence, these monitoring results support NMFS' initial findings that fireworks display will result in no more than Level B behavioral harassment of small numbers of California sea lions and harbor seals and that the effects will be limited to short term behavioral changes, including temporary abandonment of haul-out areas to avoid the sights and sounds of commercial fireworks.

Authorization

NMFS has issued an LOA to MBNMS authorizing the Level B harassment of marine mammals incidental to the coastal commercial fireworks display within the Sanctuary. Issuance of this LOA is based on the results of the MBNMS 2009 monitoring report which verify that the total number of potentially harassed sea lions and harbor seals was well below the authorized limits as stated in the final rule (71 FR 40928, July 19, 2006). Based on these findings and the information

discussed in the preamble to the final rule, the activities described under this LOA will have a negligible impact on marine mammal stocks and will not have an unmitigable adverse impact on the availability of the affected marine mammal stock for subsistence uses. No mortality or injury of affected species is anticipated.

Dated: June 14, 2010.

Helen M. Golde,

Deputy Director, Office of Protected Resources, National Marine Fisheries Service.

BILLING CODE 3510-22-S

COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Procurement List; Proposed Additions

AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled.

ACTION: Proposed Additions to the Procurement List.

SUMMARY: The Committee is proposing to add products and services to the Procurement List that will be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities.

Comments Must Be Received on or Before: 7/19/2010.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely Disabled, Jefferson Plaza 2, Suite 10800, 1421 Jefferson Davis Highway, Arlington, Virginia 22202-3259.

FOR FURTHER INFORMATION OR TO SUBMIT

COMMENTS CONTACT: Barry S. Lineback, Telephone: (703) 603-7740, Fax: (703) 603-0655, or e-mail

CMTEFedReg@AbilityOne.gov.

SUPPLEMENTARY INFORMATION: This notice is published pursuant to 41 U.S.C. 47(a)(2) and 41 CFR 51-2.3. Its purpose is to provide interested persons an opportunity to submit comments on the proposed actions.

Additions

If the Committee approves the proposed additions, the entities of the Federal Government identified in this notice will be required to procure the products and services listed below from nonprofit agencies employing persons who are blind or have other severe disabilities.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities.

The major factors considered for this certification were:

1. If approved, the action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the products and services to the Government.

2. If approved, the action will result in authorizing small entities to furnish the products and services to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the products and services proposed for addition to the Procurement List.

Comments on this certification are invited. Commenters should identify the statement(s) underlying the certification on which they are providing additional information.

End of Certification

The following products and services are proposed for addition to Procurement List for production by the nonprofit agencies listed:
