BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-62400; File No. SR-BX-2010-042]

Self-Regulatory Organizations; NASDAQ OMX BX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend the BOX LLC Agreement

June 29, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 28, 2010, NASDAQ OMX BX, Inc. (the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Exchange filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act,³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the proposed Sixth Amended and Restated Operating Agreement (“BOX LLC Agreement”), of the Boston Options Exchange Group LLC (“BOX LLC”), in

connection with the restructuring of subsidiary holding companies by the Montreal Exchange Inc.,⁵ a company incorporated in Québec, Canada (“MX”), solely involving MX subsidiaries indirectly holding ownership interests in BOX LLC. The text of the proposed rule change is available from the principal office of the Exchange, at the Commission’s Public Reference Room and also on the Exchange’s Internet Web site at <http://nasdaqomxbx.cchwallstreet.com/NASDAQOMXBX/Filings/>.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On January 13, 2004, the Commission approved four Exchange proposals that together established, through an operating agreement among its owners, a Delaware limited liability company, BOX LLC, to operate BOX as an options trading facility of the Exchange.⁶

Prior to the Transfer (as defined below), MX held (i) 100% of the common stock of MX US 1, Inc., a Delaware corporation, (ii) 100% of the common shares of 3226506 Nova Scotia Company, a Nova Scotia unlimited liability company (“NSULC 1”) and (iii) 100% of the preferred shares and 99.9% of the common shares of 3226507 Nova Scotia Company, a Nova Scotia

unlimited liability company (“NSULC 2”). NSULC 1 held 0.1% of the common shares of NSULC 2. MX US 1, Inc. held 100% of the common stock of MX US 2, Inc., a Delaware corporation, and NSULC 2 owned 100% of the preferred stock of MX US 2, Inc. MX US 2, Inc. held a 53.83% ownership interest in BOX LLC.⁷

Upon effectiveness of this rule filing, MX is expected to effect a series of transactions resulting in a new ownership structure (the “Transfer”). Following the Transfer, the ownership structure by which MX will indirectly control MX US 2, Inc. will be as follows: MX will hold 100% of the common stock of MX US 1, Inc. MX US 1, Inc. will hold (i) 100% of the equity of MX US 1, LLC, a Delaware limited liability company, and (ii) 100% of the common stock of MX US 2, Inc. NSULC 1 will be dissolved and its assets will be distributed to MX US 1, LLC. MX US 1, LLC will hold 100% of the equity of MX US 2, LLC, a Delaware limited liability company (formerly NSULC 2). MX US 2, LLC will hold 100% of the preferred stock of MX US 2, Inc. MX US 2, Inc. will hold a 53.83% ownership interest in BOX LLC.

The Exchange is submitting the proposed rule change to the Commission to amend the BOX LLC Agreement pursuant to the proposed Instruments of Accession in connection with the Transfer. As a result of the Transfer, MX US 1, LLC and MX US 2, LLC will be indirect, wholly-owned subsidiaries of MX.

Pursuant to Section 8.4(g) of the BOX LLC Agreement, as previously approved by the Commission, BOX LLC is required to amend the BOX LLC Agreement to make a Controlling Person⁸ a party to the BOX LLC Agreement if such Controlling Person establishes a Controlling Interest⁹ in any BOX Member that, alone or together with any Affiliate of such BOX Member, holds a Percentage Interest in BOX

⁷ See Securities Exchange Act Release No. 58822 (Oct. 21, 2008), 73 FR 63742 (Oct. 27, 2008) (SR-BSE-2008-47) (approving BOX purchase and cancellation of units held by a BOX LLC member resulting in increased ownership interest of the other members of the BOX LLC Agreement).

⁸ A “Controlling Person” is defined as “a Person who, alone or together with any Affiliate of such Person, holds a controlling interest in a [BOX] Member.” See Section 8.4(g)(v)(B), BOX LLC Agreement.

⁹ A “Controlling Interest” is defined as “the direct or indirect ownership of 25% or more of the total voting power of all equity securities of a Member (other than voting rights solely with respect to matters affecting the rights, preferences, or privileges of a particular class of equity securities), by any Person, alone or together with any Affiliate of such Person.” See Section 8.4(g)(v)(A), BOX LLC Agreement.

³ 15 U.S.C. 78s(b)(3)(A).

⁴ 17 CFR 240.19b-4(f)(6).

⁵ The Montréal Exchange Inc. is also known in French as the Bourse de Montréal Inc.

⁶ See Securities Exchange Act Release No. 49066 (January 13, 2004), 69 FR 2773 (January 20, 2004) (establishing a fee schedule for the proposed BOX facility); Securities Exchange Act Release No. 49065 (January 13, 2004), 69 FR 2768 (January 20, 2004) (creating Boston Options Exchange Regulation LLC to which the Exchange would delegate its self-regulatory functions with respect to the BOX facility); Securities Exchange Act Release No. 49068 (January 13, 2004), 69 FR 2775 (January 20, 2004) (approving trading rules for the BOX facility); Securities Exchange Act Release No. 49067 (January 13, 2004), 69 FR 2761 (January 20, 2004) (approving certain regulatory provisions of the operating agreement of BOX LLC).

equal to or greater than 20%.¹⁰ Pursuant to the Transfer, MX US 1, LLC has acquired a Controlling Interest in MX US 2, LLC, which owns 100% of the preferred shares of MX US 2, Inc., which owns a 53.83% Controlling Interest in BOX LLC. MX US 1, LLC and MX US 2, LLC, as Controlling Persons, are required to be and will become parties to the BOX LLC Agreement pursuant to the proposed Instruments of Accession. As a result, MX US 1, LLC and MX US 2, LLC will agree to abide by all the provisions of the BOX LLC Agreement, including those provisions requiring submission to the jurisdiction of the Commission.¹¹

For the reasons stated above, the Exchange is submitting to the Commission the proposed Instruments of Accession to the BOX LLC Agreement as a rule change.

2. Basis

The Exchange believes that the proposal is consistent with the requirements of Section 6(b) of the Act,¹² in general, and furthers the objectives of Section 6(b)(1),¹³ in particular, in that it enables the Exchange to be so organized so as to have the capacity to be able to carry out the purposes of the Act and to comply, and to enforce compliance by its exchange members and persons associated with its exchange members, with the provisions of the Act, the rules and regulations thereunder, and the rules of the Exchange. The Exchange also believes that this filing furthers the objectives of Section 6(b)(5) of the Act¹⁴ in that it is designed to facilitate transactions in securities, to prevent fraudulent and manipulative acts and practices, to promote just and equitable

principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and in general, to protect investors and the public interest. The Exchange believes that the proposed rule change to amend the BOX LLC Agreement to make MX US 1, LLC and MX US 2, LLC parties to the BOX LLC Agreement, pursuant to the proposed Instruments of Accession, should provide the Commission with sufficient authority over changes in control of BOX LLC to enable the Commission to carry out its regulatory oversight responsibilities with respect to BX and the BOX facility.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) by its terms does not become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A)¹⁵ of the Act and Rule 19b-4(f)(6) thereunder.¹⁶

A proposed rule change filed under Rule 19b-4(f)(6)¹⁷ normally may not become operative prior to 30 days after

the date of filing. However, Rule 19b-4(f)(6)(iii)¹⁸ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requests that the Commission waive the 30-day operative delay, as specified in Rule 19b-4(f)(6)(iii),¹⁹ which would make the rule change effective and operative upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because the Exchange has represented that the Transfer is anticipated to be consummated on June 29, 2010.²⁰ In addition, the proposed rule change to amend the BOX LLC Agreement to make MX US 1, LLC and MX US 2, LLC parties to the BOX LLC Agreement, pursuant to the proposed Instruments of Accession, should provide the Commission with sufficient authority over changes in control of BOX LLC to enable the Commission to carry out its regulatory oversight responsibilities with respect to BX and the BOX facility. Accordingly, the Commission designates the proposed rule change operative upon filing with the Commission.

At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-BX-2010-042 on the subject line.

Paper Comments

- Send paper comments in triplicate to Elizabeth M. Murphy, Secretary,

¹⁸ 17 CFR 240.19b-4(f)(6)(iii).

¹⁹ *Id.*

²⁰ For purposes only of waiving the operative delay for this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

¹⁰ See Section 8.4(g), BOX LLC Agreement.

¹¹ The BOX LLC Agreement states, in part, that "the Members, officers, directors, agents, and employees of Members irrevocably submit to the exclusive jurisdiction of the U.S. Federal courts, U.S. Securities and Exchange Commission, and the Boston Stock Exchange, for the purposes of any suit, action or proceeding pursuant to U.S. Federal securities laws, the rules or regulations thereunder, arising out of, or relating to, BOX activities or Article 19.6(a), (except that such jurisdictions shall also include Delaware for any such matter relating to the organization or internal affairs of BOX, provided that such matter is not related to trading on, or the regulation, of the BOX Market), and hereby waive, and agree not to assert by way of motion, as a defense or otherwise in any such suit, action or proceeding, any claims that they are not personally subject to the jurisdiction of the U.S. Securities and Exchange Commission, that the suit, action or proceeding is an inconvenient forum or that the venue of the suit, action or proceeding is improper, or that the subject matter hereof may not be enforced in or by such courts or agency." See BOX LLC Agreement, Section 19.6.

¹² 15 U.S.C. 78f(b).

¹³ 15 U.S.C. 78f(b)(5)[sic].

¹⁴ 15 U.S.C. 78f(b)(5).

¹⁵ 15 U.S.C. 78s(b)(3)(A).

¹⁶ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to provide the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has met this requirement.

BILLING CODE 8010-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 62403; File No. SR-Phlx-2010-80]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by NASDAQ OMX PHLX, Inc. Relating to the Options Floor Broker Subsidy

June 30, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934

(“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 25, 2010 NASDAQ OMX PHLX, Inc. (“Phlx” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend: (i) The threshold volume requirements related to the Options Floor Broker Subsidy; and (ii) the Per Contract Average Daily Volume Subsidy Payment. The Exchange also proposes correcting a typographical error.

While changes to the Exchange's Fee Schedule pursuant to this proposal are effective upon filing, the Exchange has designated this proposal to be effective for trades settling on or after July 1, 2010.

The text of the proposed rule change is available on the Exchange's Web site at <http://nasdaqtrader.com/micro.aspx?id=PHLXfilings>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to decrease the threshold volume requirements related to the Options Floor Broker Subsidy and amend the per contract average daily volume subsidy payment fees. The Exchange believes that by eliminating

certain threshold requirements additional members may be attracted to the Options Floor Broker Subsidy. Also, the Exchange believes that the proposed rate changes could provide enhanced benefits to current and future member organizations who participate in the Options Floor Broker Subsidy because the Exchange is increasing the per contract rate on the Tier II and Tier III levels. The Exchange still continues to afford the members [sic] organizations who transact volume in Tier I a benefit as well.

Amending the Thresholds

The Exchange currently pays an Options Floor Broker Subsidy to member organizations with Exchange registered floor brokers for eligible contracts that are entered into the Exchange's Floor Broker Management System (“FBMS”).³ To qualify for the per contract subsidy, a member organization with Exchange registered floor brokers must have: (1) More than an average of 100,000 executed contracts per day in the applicable month; and (2) at least 40,000 executed contracts or more per day for at least eight trading days during that same month.⁴ Only the floor broker volume from orders entered into FBMS and subsequently executed on the Exchange are counted. The 100,000 contract and 40,000 contract thresholds, as described above, are calculated per member organization floor brokerage unit. In the event that two or more member organizations with Exchange registered floor brokers each entered one side of a transaction into FBMS, then the executed contracts is [sic] divided among each qualifying member organization that participates in that transaction.⁵

The Exchange proposes amending the threshold volume requirements related to the Option Floor Broker Subsidy so that in order to qualify for the per contract subsidy a member organization

³ FBMS is designed to enable floor brokers and/or their employees to enter, route, and report transactions stemming from options orders received on the Exchange. FBMS also is designed to establish an electronic audit trail for options orders represented and executed by floor brokers on the Exchange. See Exchange Rule 1080, commentary .06.

⁴ For purposes of calculating the 100,000 and 40,000 thresholds, customer-to-customer transactions, customer-to-non-customer transactions, and non-customer-to-non-customer transactions would be included.

⁵ When computing the threshold amounts, the Exchange would first count all customer-to-customer transactions and then all other customer-to-non-customer transactions. See also Securities Exchange Act Release No. 57253 (February 1, 2008), 73 FR 7352 (February 7, 2008) (SR-Phlx-2008-08) (adopting a tiered per contract floor broker options subsidy payable to member organization with Exchange registered floor brokers).
