

not edit their comments to remove any identifying or contact information, and therefore, they should not include any information in their comments that they do not want publicly disclosed.

The NRC will consider such comments submitted and forward those comments, as well as the information submitted by TVA, to the United States Attorney General. Upon reviewing this information, the United States Attorney General will provide the NRC with an opinion on whether there have been significant changes related to antitrust matters in TVA's activities.

Upon completion of the staff's review of significant changes, and after considering any opinion from the United States Attorney General and comments submitted by the public, the Director of the Office of Nuclear Reactor Regulation (NRR), as authorized by the Commission, may issue an initial finding as to whether there have been "significant changes" under Section 105c(2) of the AEA. A copy of this finding will be published in the **Federal Register** and will be sent to the Washington, DC public document room and to those persons providing comments or information in response to this notice. The NRC will also make that initial finding available in ADAMS.

If the initial finding concludes that there have not been any significant changes, a request for reevaluation of the finding may be submitted within 30 days of the date of that **Federal Register** notice. The results of that reevaluation, if requested, will also be published in the **Federal Register**, and copies will be sent to the Washington, DC public document room. The reevaluation will also be available on the NRC's public website through ADAMS. If that determination also finds no significant changes, it will become the final NRC decision after 30 days unless the Commission exercises sua sponte review.

If the Director of NRR concludes that significant changes have occurred since the completion of the antitrust review that the NRC previously conducted, the NRC will begin the procedures necessary to conduct an in-depth antitrust review, as required by Section 105c of the AEA.

Information about the proposed action and the antitrust review process may be obtained from Mr. Aaron Szabo at 301-415-1985 or by e-mail to [Aaron.Szabo@nrc.gov](mailto:Aaron.Szabo@nrc.gov).

## SECURITIES AND EXCHANGE COMMISSION

### Submission for OMB Review; Comment Request

Upon Written Request, Copies Available  
From: Securities and Exchange  
Commission, Office of Investor  
Education and Advocacy,  
Washington, DC 20549-0213.

*Extension:*

Rule 607; SEC File No. 270-561; OMB  
Control No. 3235-0634.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Regulation E (17 CFR 230.601-230.610a) provides a conditional exemption from the registration provisions of the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) ("Securities Act") for securities of small business investment companies ("SBICs") and investment companies that elect to be treated as business development companies ("BDCs"). Regulation E was initially adopted in 1958 and made available to SBICs pursuant to Section 3(c) of the Securities Act. Section 3(c) of the Securities Act generally permits the Securities and Exchange Commission ("Commission") to add to the securities exempted from the Securities Act by Section 3 any class of securities issued by an SBIC. In 1984, pursuant to Section 3(b) of the Securities Act, Regulation E was amended to permit the availability of the exemption to BDCs. Section 3(b) of the Securities Act generally permits the Commission to add any class of securities to the securities exempted from the Securities Act by Section 3.

Regulation E allows the exemption of securities issued by an SBIC which is registered under the Investment Company Act of 1940 ("Investment Company Act") (15 U.S.C. 80a-1 *et seq.*)

or a closed-end investment company that has elected to be regulated as a BDC under the Investment Company Act from registration under the Securities Act, so long as the aggregate offering price of all securities of the issuer that may be sold within a 12-month period does not exceed \$5,000,000 and certain other conditions are met.

Rule 607 (17 CFR 230.607) entitled, "Sales material to be filed," requires that sales material used in connection with securities offerings under Regulation E to be filed with the Commission at least five days (excluding weekends and holidays) prior to its use. Respondents to this collection of information include SBICs and BDCs making an offering of securities under Regulation E. Each respondent's reporting burden under rule 607 relates to the burden associated with filing its sales material electronically. The burden of filing electronically, however, is negligible and there have been no filings made under this rule, so this collection of information does not impose any burden on the industry. However, we are requesting one annual response and an annual burden of one hour for administrative purposes. The estimate of average burden hours is made solely for purposes of the Paperwork Reduction Act and is not derived from a quantitative, comprehensive, or even representative survey or study of the burdens associated with Commission rules and forms.

The requirements of this collection of information are mandatory. Responses will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

Please direct general comments regarding the above information to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or send an e-mail to [Shagufta\\_Ahmed@omb.eop.gov](mailto:Shagufta_Ahmed@omb.eop.gov); and (ii) Charles Boucher, Director/CIO, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312; or send an e-mail to: [PRA\\_Mailbox@sec.gov](mailto:PRA_Mailbox@sec.gov). Comments must be submitted to OMB within 30 days of this notice.
