Subject	FAR case	Analyst
Reporting Executive Compensation and First-Tier Subcontract Awards .....	2008-039	Woodson

**SUPPLEMENTARY INFORMATION:** A summary for the FAR rule follows. For the actual revisions and/or amendments to this FAR case, refer to FAR case 2008-039.

FAC 2005-44 amends the FAR as specified below:

**Reporting Executive Compensation and First-Tier Subcontract Awards (FAR Case 2008-039)**

This interim rule amends the Federal Acquisition Regulation to implement section 2 of Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109-282), as amended by section 6202 of the Government Funding Transparency Act of 2008 (Pub. L. 110-252), which requires the Office of Management and Budget (OMB) to establish a free, public, Web site containing full disclosure of all Federal contract award information. This rule

will require contractors to report executive compensation and first-tier subcontract awards on contracts and orders expected to be \$25,000 or more (including all options), except classified contracts and contracts with individuals. This information will be available to the public. To minimize the burden implementing the Transparency Act will impose on both Federal agencies and contractors, the Councils intend to implement the reporting requirements in a phased approach:

1. Until September 30, 2010, any newly awarded subcontract must be reported if the prime contract award amount was \$20,000,000 or more.
2. From October 1, 2010, until February 28, 2011, any newly awarded subcontract must be reported if the prime contract award amount was \$550,000 or more.

3. Starting March 1, 2011, any newly awarded subcontract must be reported if the prime contract award amount was \$25,000 or more.

The rule is applicable to all solicitations and contracts with a value of \$25,000 or more. The clause is required in commercial item contracts, including commercially available off-the-shelf (COTS) item contracts, as well as actions under the simplified acquisition threshold, meeting the \$25,000 threshold. The clause is not required in classified solicitations and contracts, and contracts with individuals.

Dated: July 2, 2010.
