Co. of Rodrigo Rodrigues, Macao.

The complainant, proposed respondents, other interested parties, and members of the public are invited to file comments, not to exceed five pages in length, on any public interest issues raised by the complaint. Comments should address whether issuance of an exclusion order and/or a cease and desist order in this investigation would negatively affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

- (i) Explain how the articles potentially subject to the orders are used in the United States;
- (ii) Identify any public health, safety, or welfare concerns in the United States relating to the potential orders;
- (iii) Indicate the extent to which like or directly competitive articles are produced in the United States or are otherwise available in the United States, with respect to the articles potentially subject to the orders; and
- (iv) Indicate whether Complainant, Complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to an exclusion order and a cease and desist order within a commercially reasonable time.

Written submissions must be filed no later than by close of business, five business days after the date of publication of this notice in the **Federal Register**. There will be further opportunities for comment on the public interest after the issuance of any final initial determination in this investigation.

Persons filing written submissions must file the original document and 12 true copies thereof on or before the deadlines stated above with the Office of the Secretary. Submissions should refer to the docket number ("Docket No. 2750") in a prominent place on the cover page and/or the first page. The Commission's rules authorize filing

submissions with the Secretary by facsimile or electronic means only to the extent permitted by section 201.8 of the rules (see Handbook for Electronic Filing Procedures, http://www.usitc.gov/secretary/fed_reg_notices/rules/documents/handbook_on_electronic_filing.pdf). Persons with questions regarding electronic filing should contact the Secretary (202-205-2000).

Any person desiring to submit a document to the Commission in confidence must request confidential treatment. All such requests should be directed to the Secretary to the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR 201.6. Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. All nonconfidential written submissions will be available for public inspection at the Office of the Secretary.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and of sections 201.10 and 210.50(a)(4) of the Commission's Rules of Practice and Procedure (19 CFR 201.10, 210.50(a)(4)).

Issued: August 23, 2010.

By order of the Commission.

Marilyn R. Abbott,

Secretary to the Commission.

BILLING CODE 7020-02-P

DEPARTMENT OF JUSTICE

National Institute of Corrections

Solicitation for a Cooperative Agreement—Curriculum Development: Implementing and Sustaining an Evidence-Based Risk Reduction Approach for First- and Mid-Level Supervisors in Corrections Settings

AGENCY: National Institute of Corrections, U.S. Department of Justice.

ACTION: Solicitation for a Cooperative Agreement.

SUMMARY: The National Institute of Corrections (NIC) is seeking applications for the development of a competency-based, blended modality training curriculum that will provide corrections supervisors and managers with the knowledge, skills, and abilities needed to model, coach, implement, and oversee an evidence-based risk reduction approach in correctional settings.

DATES: Applications must be received by 12 noon EDT on Friday, September 3, 2010.

ADDRESSES: Mailed applications must be sent to: Director, National Institute of Corrections, 320 First Street, NW., Room 5002, Washington, DC 20534. Applicants are encouraged to use Federal Express, UPS, or similar service to ensure delivery by the due date.

Hand-delivered applications should be brought to 500 First Street, NW., Washington, DC 20534. At the front desk, dial 7-3106, extension 0 for pickup.

Faxed applications will not be accepted. Electronic applications can only be submitted via <http://www.grants.gov>.

FOR FURTHER INFORMATION CONTACT: All technical or programmatic questions concerning this announcement should be directed to Michael Guevara, Correctional Program Specialist, National Institute of Corrections. He can be reached by calling 303-365-4415, or by e-mail at mguevara@bop.gov.

SUPPLEMENTARY INFORMATION:

Overview: NIC is seeking assistance to develop a blended learning curriculum for implementing and sustaining an evidence-based risk reduction approach for first- and mid-level supervisors in any and all correctional settings. The curriculum must adhere to NIC's Instructional Theory into Practice (ITIP) model, which applicants can find on NIC's Web site via the following link: <http://www.nic.gov/pubs/1992/010714.pdf>. The curriculum must be based on applicable literature and products published by NIC over the last several years, as well as current research and practice in the field of corrections, adult learning, and instructional strategies. The curriculum will use a blended learning format and include a distance learning component. It may make use solely of a distance learning approach. The curriculum will be piloted and implemented in a future funding cycle.

Background: For years, NIC has been committed to promoting risk reduction through the use of evidence-based policies and practices. Most of the work NIC has completed in this area has taken the form of technical assistance, direct work with agencies, and the publication of papers and manuals on related topics. To date, much of the focus of NIC's work in evidence-based practices has been in the area of community corrections. NIC would like to expand on this work by making it applicable and accessible to all corrections disciplines by developing a curriculum for first- and mid-level

managers, regardless of the corrections setting in which they work.

Purpose: To create a blended learning curriculum for implementing and sustaining an evidence-based risk reduction approach for first- and mid-level supervisors in corrections settings.

Scope of Work: At the end of this cooperative agreement, a curriculum should be developed using NIC's Instructional Theory into Practice (ITIP) model. The curriculum should include a facilitator's manual, participant's manual, action learning plan, and all relevant supplemental material (such as PowerPoint slides, visual &/or audio aids, handouts, exercises, etc.). The use of blended learning tools such as a live web-based training environment (e.g., WebEx), DVDs, satellite/Internet broadcasts, e-learning, or supplemental online training courses is mandatory. During the implementation phase, NIC may participate directly in the production of some or all of these products. Clear learning objectives should be contained in each lesson, and delivery modality should be based on how to most efficiently and effectively achieve these objectives. A pre- and post-test, as well as quizzes and action learning plans shall be developed as necessary. Consideration should be given to preparing participants through advance work, such as reading assignments or taking an online course through NIC's Learning Center. An evaluation, to be distributed at the conclusion of the training, will be developed. This evaluation must examine the content, processes, and delivery of the program; the evaluation should be designed to help revise and improve the training and curriculum.

Specific Requirements: The curriculum is intended to be part of a comprehensive strategy for implementing evidence-based risk reduction approaches in any corrections agency. First- and mid-level managers must model, coach, implement, and oversee these approaches and require specific knowledge, skills, and attitudes to do so. As an integral part of their jobs, and as part of a solid evidence-based model, supervisors must possess effective communication skills and the ability to enhance internal motivation. They must also be able to coach their staff in those same skills. Therefore, interpersonal communication skills and a technology such as motivational interviewing should be included in the curriculum, within the context of an overall approach to becoming an evidence-based organization. The curriculum will be based on products and documents developed by the National Institute of Corrections over

the past several years, as well as other work from the private or public sector that can inform the development of an effective learning experience for students. Since this curriculum is about evidence-based approaches, both the content and learning design of the curriculum itself should have firm foundations in research. Please reference specific sources that will be used in the development of the curriculum. This blended learning curriculum will be in whole or in part a distance learning curriculum. Although there is no guarantee that the awardee/writer of this curriculum will participate in the implementation phase, ideas for how to maximize NIC resources during pilot and implementation should be included as part of the curriculum's instructional strategies. An example of a blended learning approach designed by the person or agency submitting the application should be included.

Document Requirements: Publications produced under this award must follow the "Guidelines for Preparing and Submitting Manuscripts for Publication" as found in the General Guidelines for Cooperative Agreements which will be included in the award package. All final publications submitted for posting on the NIC Web site must meet the federal government's requirement for accessibility (508 PDF or HTML file). All documents developed under this cooperative agreement must be submitted in draft form to NIC for review before the final products are delivered.

Application Requirements: Applications should be concisely written, typed double-spaced and reference the project by the "NIC Opportunity Number" and Title in this announcement. The package must include: A cover letter that identifies the audit agency responsible for the applicant's financial accounts as well as the audit period or fiscal year that the applicant operates under (e.g., July 1 through June 30); a program narrative in response to the statement of work (ten pages maximum for the program narrative), and a budget narrative explaining projected costs. The following forms must also be included: OMB Standard Form 424, Application for Federal Assistance; OMB Standard Form 424A, Budget information—Non-Construction Programs; OMB Standard Form 424B, Assurances—Non-Construction Programs (these forms are available at <http://www.grants.gov>) and DOJ/NIC Certification Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and the Drug-Free Workplace Requirements

(available at <http://www.nicic.gov/Downloads/PDF/certif-fm.pdf>.)

Applications may be submitted in hard copy, or electronically via <http://www.grants.gov>. If submitted in hard copy, there needs to be an original and three copies of the full proposal (program and budget narratives, application forms and assurances). The original should have the applicant's signature in blue ink.

Authority: Public Law 93-415.

Funds Available: NIC is seeking the applicant's best ideas regarding accomplishment of the scope of work and the related costs for achieving the goals of this solicitation. Up to \$88,000.00 may be available for the development of this curriculum. The final budget and award amount will be negotiated between NIC and the successful applicant. Funds may be used only for the activities linked to the desired outcome of the project.

Eligibility of Applicants: An eligible applicant is any public or private agency, educational institution, organization, individual, or team with expertise in the described areas.

Review Considerations: Applications received under this announcement will be subjected to a 3- to 5-person NIC Peer Review Process. The criteria for the evaluation of each application will be as follows:

Programmatic (45%): Is there demonstrated knowledge of curriculum development? Is a specific model of curriculum development (e.g., ITIP) proposed? Is there demonstrated knowledge of training for first- and mid-level supervisor positions? Is there demonstrated knowledge of evidence-based practices? Is there demonstrated knowledge of how training in evidence-based practices fits into an overall strategy of organizational development? Is there demonstrated knowledge of the role of first- and mid-level supervisors in the process of organizational change? Is there demonstrated knowledge of techniques and/or interventions that successfully address acquisition and retention of new knowledge, skills and abilities? Does the proposal include blended and distance learning approaches? Are project goals/tasks adequately discussed? Are there any innovative approaches, techniques, or design aspects proposed that will enhance the project?

Organizational (30%): Do the skills, knowledge, and expertise of the organization and the proposed project staff demonstrate a high level of competency to carry out the tasks? Does the applicant/organization have the necessary experience and organizational

capacity to carry out all goals of the project? If consultants and/or partnerships are proposed, is there a reasonable justification for their inclusion in the project and a clear structure to ensure effective coordination? Is the proposed budget realistic, does it provide sufficient cost detail/narrative, and does it represent good value relative to the anticipated results?

Project Management/Administration (25%): Does the applicant identify reasonable objectives, milestones, and measures to track progress? Is there a clear statement of how project goals will be accomplished, to include: Major tasks that will lead to achieving the goals, the strategies to be employed, required staffing and other required resources? Are the proposed project management and staffing plans clear, realistic, and sufficient to complete the project?

Note: NIC will NOT award a cooperative agreement to an applicant who does not have a Dun and Bradstreet Database Universal Number (DUNS) and is not registered in the Central Contractor Registry (CCR).

A DUNS number can be received at no cost by calling the dedicated toll-free DUNS number request line at 1-800-333-0505 (if you are a sole proprietor, you would dial 1-866-705-5711 and select option 1).

Registration in the CRR can be done online at the CCR Web site: <http://www.ccr.gov>. A CCR Handbook and worksheet can also be reviewed at the Web site.

Number of Awards: One.

NIC Opportunity Number: 10A64.

This number should appear as a reference line in the cover letter, in box 4a of Standard Form 424, and outside of the envelope in which the application is sent.

Catalog of Federal Domestic Assistance
Number: 16.601

Executive Order 12372: This project is not subject to the provisions of Executive Order 12372.

DEPARTMENT OF LABOR

Office of the Secretary

ACTION: Final notice of submission for OMB review; Comment request.

SUMMARY: The Department of Labor (DOL) hereby announces the submission

of the following public information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. chapter 35). A copy of this ICR, with applicable supporting documentation, including, among other things, a description of the likely respondents, proposed frequency of response, and estimated total burden may be obtained from the RegInfo.gov Web site at <http://www.reginfo.gov/public/do/PRAMain> or by contacting Linda Watts Thomas on 202-693-4223 (this is not a toll-free number) and e-mail to: DOL_PRA_PUBLIC@dol.gov.

Interested parties are encouraged to send written comments to the Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for the Department of Labor—Wage and Hour Division, Office of Management and Budget, Room 10235, Washington, DC 20503, Telephone: 202-395-7316/Fax 202-395-5806 (these are not toll-free numbers), E-mail:

OIRA_submission@omb.eop.gov within 30 days from the date of this publication in the **Federal Register**. In order to ensure the appropriate consideration, comments should reference the OMB Control Number (*see below*).

The OMB is particularly interested in comments which:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Agency: Wage and Hour Division.

Type of Review: Extension without change of a previously approved collection.

Title of Collection: Motor Vehicle Safety for Transportation of Migrant and Seasonal Agricultural Workers.

OMB Control Number: 1235-0017.

Agency Form Numbers: WH-514, WH-514A and WH-515.

Affected Public: Businesses or other for-profits, Farms.

Total Estimated Number of Responses: 3,900.

Total Estimated Annual Burden Hours: 885.

Total Estimated Annual Costs Burden: \$215,100.

Description: Migrant and Seasonal Agricultural Worker Protection Act (MSPA) section 401 (29 U.S.C. 1841) requires, subject to certain exceptions, all Farm Labor Contractors (FLCs), Agricultural Employers (AGERS), and Agricultural Associations (AGASs) to ensure that any vehicle they use or cause to be used to transport or drive any migrant or seasonal agricultural worker conforms to safety and health standards prescribed by the Secretary of Labor under the MSPA and with other applicable Federal and State safety standards. These MSPA safety standards address the vehicle, driver, and insurance. The Wage and Hour Division (WHD) has created Forms WH-514, WH-514a, and WH-515, which allow FLC applicants to verify to the WHD that the vehicles used to transport migrant/seasonal agricultural workers meet the MSPA vehicle safety standards and that anyone who drives such workers meets the Act's minimum physical requirements. The WHD uses the information in deciding whether to authorize the FLC/FLC Employee applicant to transport/drive any migrant/seasonal agricultural worker(s) or to cause such transportation. Form WH-514 is used to verify that any vehicle used or caused to be used to transport any migrant/seasonal agricultural worker(s) meets the Department of transportation (DOT) safety standards. When the adopted DOT rules do not apply, FLC applicants seeking authorization to transport any migrant/seasonal agricultural workers use Form WH-514a to verify that the vehicles meet the DOL safety standards and, upon the vehicle meeting the required safety standards, the form is completed. Form WH-515 is a doctor's certificate used to document that a motor vehicle driver or operator meets the minimum DOT physical requirements that the DOL has adopted. For additional information, see related notice published in the **Federal Register** on January 22, 2010, (75 FR 3759).

Dated: August 20, 2010.

Linda Watts Thomas,

Acting Departmental Clearance Officer.
