**DEPARTMENT OF THE INTERIOR**

**Bureau of Indian Affairs**

**Draft Environmental Impact Statement  
for the Big Sandy Rancheria Band of  
Western Mono Indians' Proposed  
Casino and Resort Project, Fresno  
County, CA**

**AGENCY:** Bureau of Indian Affairs, Interior.

**ACTION:** Notice of availability.

**SUMMARY:** This notice advises the public that the Bureau of Indian Affairs (BIA) as lead agency, with the Big Sandy Rancheria Band of Western Mono Indians (Tribe) as a cooperating agency, intends to file a Draft Environmental

Impact Statement (DEIS) with the U.S. Environmental Protection Agency (EPA) for the Tribe's proposed lease agreement with an individual Indian trust land allottee and subsequent construction of a casino/resort project to be located near Friant, Fresno County, California. This notice also advises the public that the DEIS is now available for public review and comment and announces the availability of copies of the document and the date, time and location of a public hearing to receive comments on the DEIS. Details of the proposed action, location, and areas of environmental concern addressed in the DEIS are provided below in the **SUPPLEMENTARY INFORMATION** section. This notice provides a 75-day public comment period and thereby grants a 30-day extension to the normal 45-day public comment period.

**DATES:** The DEIS will be available for public comment beginning January 14, 2011. Written comments on the DEIS must arrive by March 28, 2011. A public hearing will be held on Wednesday, February 2, 2011, starting at 6 p.m. to 9 p.m. or until the last public comment is received.

**ADDRESSES:** A public hearing will be held in the multi-purpose room of the Foothill Middle School, 29147 Auberry Road, Prather, California. You may mail or hand-carry written comments to Amy Dutschke, Regional Director, Pacific Region, Bureau of Indian Affairs, 2800 Cottage Way, Sacramento, California 95825. See the **SUPPLEMENTARY INFORMATION** section of this notice for locations where the DEIS is available for review and for directions on submitting comments.

**FOR FURTHER INFORMATION CONTACT:** John Rydzik (916) 978-6051.

**SUPPLEMENTARY INFORMATION:** The Big Sandy Rancheria is a federally recognized Indian tribe with a land base near Auberry, California. The Tribe has approximately 450 members and is governed by a Tribal Council consisting of five members, under a federally approved constitution. The Big Sandy Rancheria currently has a federally approved tribal-state gaming compact with the State of California.

The Tribe is proposing to construct a gaming and entertainment facility that will include a gaming floor, restaurant and lounge facilities, an entertainment hall, a hotel and conference center, a multi-level parking garage, a water and wastewater treatment plant, a water supply system including water storage tanks, and an access driveway. The proposed buildings, not including the parking garage, would total

approximately 532,000 square feet of floor space.

The proposed project will be located east of Friant in Fresno County, California, on undeveloped foothill property comprising approximately 48 acres of allotted Indian land currently held in trust by the United States for the beneficial interest of an individual member of the Tribe. The Tribe and the individual Indian allottee have executed and submitted for BIA approval a lease agreement granting use of the property to the Tribe for the development of a casino, resort hotel, and supporting facilities. The BIA's proposed Federal action is the approval of the lease agreement.

The BIA, serving as the lead agency for compliance with the National Environmental Policy Act (NEPA), published a Notice of Intent (NOI) to prepare the EIS for the proposed action in the **Federal Register** on October 3, 2008 (73 FR 57646). The National Indian Gaming Commission (NIGC) initiated the public scoping process, including a public scoping meeting on September 15, 2005, to determine the issues, concerns, and alternatives to be included in the EIS. From that scoping meeting, and from comments received following publication of the NOI, a range of project alternatives were developed and subsequently analyzed in the DEIS, including: (1) Proposed action—casino, resort hotel, multi-level parking structure, entertainment and convention facilities; (2) Reduced project with approximately 72 percent of the gaming capacity of the Proposed Action and similar reduction of the entertainment facility; (3) No hotel but otherwise the same as the Proposed Action; (4) Resort hotel with meeting facilities, a restaurant, a pool and spa and no gaming facilities; and (5) No action alternative. Environmental issues addressed in the DEIS include aesthetics and visual resources; agricultural resources; air quality; biological resources; cultural resources; geology, minerals, and paleontological resources; hazards and hazardous materials; hydrology, water quality, and water supply; land use and planning; noise; population and housing; public services; recreation; socioeconomic and environmental justice; traffic and transportation; utilities and service systems; cumulative effects; indirect effects; growth inducing effects; and mitigation measures.

**Directions for Submitting Comments:** Please include your name, return address, and the caption: "DEIS Comments, Big Sandy Rancheria Band of Western Mono Indians' Casino and

Resort Project," on the first page of your written comments.

**Locations where the DEIS is Available for Review:** The DEIS will be available for review at the following locations:

- Auberry Branch Library, 33049 Auberry Road, Auberry, California 93602.
- Clovis Regional Library, 1155 Fifth Street, Clovis, California 93612.
- Fresno County Public Library Government Publications, 2420 Mariposa Street, Fresno, California 93721-2204.

Information for the Auberry Branch Library can be obtained by calling (559) 855-8523. Hours of operation for the Clovis Regional library can be obtained by calling (559) 299-9531. For information on the Fresno County Public Library call (559) 488-3195. The DEIS is also available on the following Web site: <http://www.bigsandyrancheria.com/project/project.htm>.

To obtain a compact disk copy of the DEIS, please provide your name and address in writing or by voicemail to John Rydzik, Chief of the Division of Environmental, Cultural Resources Management and Safety, at the BIA address listed in the **ADDRESSES** section of this notice or at the telephone number provided in the **FOR FURTHER INFORMATION CONTACT** section of this notice. Note however, individual paper copies of the DEIS will be provided upon payment of applicable printing expenses by the requestor for the number of copies requested.

**Public Comment Availability:** Written comments, including names and addresses of respondents, will be available for public review at the BIA mailing address shown in the **ADDRESSES** section, during regular business hours, 8 a.m. to 4:30 p.m., Monday through Friday, except holidays. Before including your address, telephone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

**Authority:** This notice is published pursuant to Section 1503.1 of the Council of Environmental Quality Regulations (40 CFR, Part 1500 through 1508) and Section 46.305 of the Department of Interior Regulations (43 CFR Part 46), implementing the procedural requirements of the NEPA of 1969, as amended (42 U.S.C. 4371 *et seq.*), and is in the exercise of authority delegated to the

Assistant Secretary—Indian Affairs by 209 DM 8.

Dated: December 29, 2010.

#### Notice of Availability of the Final Supplemental Environmental Impact Statement for the Cortez Hills Expansion Project, Lander County, NV

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of availability.

**SUMMARY:** In compliance with the National Environmental Policy Act of 1969 (NEPA), as amended, and the Federal Land Policy and Management Act of 1976 (FLPMA), as amended, the Bureau of Land Management (BLM), Battle Mountain District, Mount Lewis Field Office, Battle Mountain, Nevada, has prepared a Final Supplemental Environmental Impact Statement (EIS) for the Cortez Hills Expansion Project in Lander County, Nevada.

**DATES:** The BLM will not issue a final decision on the proposal for a minimum of 30 days from the date that the Environmental Protection Agency publishes its notice of availability in the **Federal Register**.

**ADDRESSES:** Copies of the Cortez Hills Expansion Project Final Supplemental EIS are available for public inspection at the Battle Mountain District Office, 50 Bastian Road, Battle Mountain, Nevada, during regular business hours of 7:45 a.m. to 4:30 p.m., Monday through Friday, except holidays. Interested persons may also review the Final Supplemental EIS at the following Web site: [http://www.blm.gov/nv/st/en/fo/battle\\_mountain\\_field.html](http://www.blm.gov/nv/st/en/fo/battle_mountain_field.html).

**FOR FURTHER INFORMATION CONTACT:** Christopher Worthington, (775) 635-4000, or e-mail: [Christopher.Worthington@blm.gov](mailto:Christopher.Worthington@blm.gov).

**SUPPLEMENTARY INFORMATION:** The BLM signed a Record of Decision and Plan of Operations approval on November 12, 2008, for the Cortez Gold Mines (CGM) Cortez Hills Expansion Project, which is an expansion of existing open-pit gold mining and processing operations in northeastern Nevada. The project entails new surface disturbance of

approximately 6,633 acres, which includes 6,412 acres of public land administered by the BLM Battle Mountain District and 221 acres of private land owned by CGM. The Notice of Availability of the Final Cortez Hills Expansion Project EIS was published in the **Federal Register** on October 3, 2008.

On December 3, 2009, the U.S. Court of Appeals for the Ninth Circuit partially reversed the U.S. District Court of Nevada's denial of preliminary injunctive relief with respect to BLM's environmental analysis of air quality and water resource issues. The BLM subsequently elected to prepare a Supplemental EIS to refine the analysis of potential air quality effects and the dewatering mitigation effectiveness for the Cortez Hills Expansion Project.

A Notice of Intent to prepare a Supplemental EIS was published in the **Federal Register** on July 16, 2010. The Draft Supplemental EIS was released for public review on August 20, 2010, with a 45-day comment period. Following the release of the Draft Supplemental EIS, two public comment meetings were held, one in Crescent Valley and one in Battle Mountain in September 2010 to solicit additional comments on the document. Comments and resultant changes in the impact analyses are documented in the Final Supplemental EIS.

#### Notice of Realty Action; Modification of the Segregative Effect of Recreation and Public Purposes Act Classifications of Public Lands in Natrona County, WY

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of realty action.

**SUMMARY:** The Bureau of Land Management (BLM) is amending the segregative effect of two Recreation and Public Purposes (R&PP) Act classifications which are included in the Federal lands selected as part of the Muddy Mountain Land Exchange (exchange) in Natrona County, Wyoming. This action will modify the

segregation to open the lands only to effect this exchange.

#### **FOR FURTHER INFORMATION CONTACT:**

Patrick J. Moore, Assistant Field Manager, Minerals and Lands, Bureau of Land Management, Casper Field Office, 2987 Prospector Drive, Casper, Wyoming 82604-2968; (307) 261-7530; or e-mail [Patrick\\_Moore@blm.gov](mailto:Patrick_Moore@blm.gov).

**SUPPLEMENTARY INFORMATION:** The BLM is processing a proposed land exchange in Natrona County, Wyoming. The selected Federal lands include two R&PP leases to the Town of Midwest for a sewage lagoon site and a diving pond. Prior to issuance of the leases, the lands were classified for R&PP lease on November 3, 1978, and published in the **Federal Register** (62 FR 9446) which included segregation of the lands from the public land laws. In order for the R&PP leased land to be included in the exchange, the segregative effect of the classifications must be modified to allow for the exchange. Upon completion of the exchange, title to the lands encumbered by the R&PP leases will be transferred to the non-Federal party subject to the R&PP leases. Therefore, on January 14, 2011, the segregative effect of the classification for the Midwest sewage lagoon (WYW6327501) and the segregative effect of the classification for the Midwest diving pond (WYW13986001) is modified and the lands are opened only to transfer of title pursuant to the Muddy Mountain Land Exchange (WYW168824).

Except for the Muddy Mountain exchange, the lands will continue to be segregated from the operation of the public land laws.

**Authority:** 43 CFR 2741.5.
