SUPPLEMENTARY INFORMATION: The Department established the Office of Financial Stability (OFS) to manage the Troubled Asset Relief Program (TARP). TARP was established under the Emergency Economic Stabilization Act of 2008 (EESA) with the specific goal of stabilizing the United States financial system and preventing a systemic collapse. Treasury established a series of initiatives under the TARP that include the Making Home Affordable Program, Hardest Hit Fund, Capital Purchase Program, American International Group (AIG) Program, Consumer and Business Lending Initiative, Public-Private Investment Program, Capital Assistance Program, Asset Guarantee Program, Targeted Investment Program, and the Automotive Industry Financing Program. These programs aim to stabilize the financial system, restore the flow of credit to consumers and businesses, and mitigate the effects of the foreclosure crisis to keep millions of Americans in their homes. OFS is establishing the TARP Fraud Investigation Information System to assist the Department in carrying out its responsibilities under EESA. The TARP Fraud Investigation Information System maintains information relevant to background inquiries conducted on individuals that seek, receive or are entrusted with the TARP funds, and to complaints received and collected as part of investigations pertaining to alleged fraud, waste, and/or abuse committed against the TARP programs. Information in the system will assist investigators in determining whether to: (a) Refer matters to the Office of the Special Inspector General for the Troubled Asset Relief Program (SIGTARP) for further investigation and resolution; (b) refer matters to OFS Financial Agents and others for compliance review; or (c) close matters with no further action to be taken. The OFS Fraud Investigation Information System is important to the success of the OFS mission.

In a notice of proposed rulemaking, which is published separately in the **Federal Register**, the Office of Financial Stability is proposing to exempt records maintained in several systems from certain of the Privacy Act's requirements pursuant to 5 U.S.C. 552a(k)(2).

The report of a new system of records, as required by 5 U.S.C. 552a(r) of the

Privacy Act, has been provided to the Committee on Oversight and Government Reform of the House of Representatives, the Committee on Homeland Security and Governmental Affairs of the Senate, and the Office of Management and Budget.

The proposed new system of records, entitled "Treasury/DO .225—TARP Fraud Investigation Information System" is published in its entirety below.
