SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this action apply to me?

This action applies to the public in general. As such, the Agency has not attempted to describe all the specific entities that may be affected by this action. If you have any questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

B. How can I get copies of this document and other related information?

EPA has established a docket for this action under docket identification (ID) number EPA-HQ-OPP-2011-0038. Publicly available docket materials are available either in the electronic docket at <http://www.regulations.gov>, or, if only available in hard copy, at the Office of Pesticide Programs (OPP) Regulatory Public Docket in Rm. S-4400, One Potomac Yard (South Bldg.), 2777 S. Crystal Dr., Arlington, VA. The hours of operation of this Docket Facility are from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The Docket Facility telephone number is (703) 305-5805.

II. Contractor Requirements

Under these contract numbers, the contractor will perform the following: Support OPP and Agency position documents, review the scientific technical assessments of potential hazards, exposures, and risks of pesticides and their components to human health and the environment. In addition, the contractor shall create Data Evaluation Records including converting information such as the materials and methods of a study into a format specified by the Program Office including secondary and *Quality Assurance (QA)* contractor reviews, as

specified. The contractor may be tasked to draft risk assessments, final rules for tolerances or tolerance exemptions, and regulatory documents such as Biopesticide Regulatory Action Documents. This contract involves no subcontractors.

OPP has determined that the contracts described in this document involve work that is being conducted in connection with FIFRA. Pesticide chemicals will be the subject of certain evaluations to be made under this contract. These evaluations may be used in subsequent regulatory decisions under FIFRA. Some of this information may be entitled to confidential treatment. The information has been submitted to EPA under sections 3, 4, 6, and 7 of FIFRA and under sections 408 and 409 of FFDCA.

In accordance with the requirements of 40 CFR 2.307(h)(3), the contracts with Summitec Corporation prohibits use of the information for any purpose not specified in these contracts; prohibits disclosure of the information to a third party without prior written approval from the Agency; and requires that each official and employee of the contractor sign an agreement to protect the information from unauthorized release and to handle it in accordance with the *FIFRA Information Security Manual*. In addition, Summitec Corporation is required to submit for EPA approval a security plan under which any CBI will be secured and protected against unauthorized release or compromise. No information will be provided to Summitec Corporation until the requirements in this document have been fully satisfied. Records of information provided to Summitec Corporation will be maintained by EPA Project Officers for these contracts. All information supplied to Summitec Corporation by EPA for use in connection with these contracts will be returned to EPA when Summitec Corporation has completed its work.
