Abstract: The Application for Automatic Withdrawal of Payments serves as the means by which a Direct Loan borrower requests and authorizes

the automatic debiting of monthly student loan payments from the borrower's checking or savings account. The application collects the necessary bank account information that allows the U.S. Department to debit the borrower's loan payments. Borrowers who enroll in automatic payment withdrawal receive a repayment incentive in the form of a 0.25% reduction in the interest rate on their Direct Loans during periods when payments are made by this method. Borrowers who do not wish to enroll in automatic debiting of all monthly payments may provide bank account information that allows them to authorize electronic debiting of individual monthly loan payments.
