Administration for Children and Families

Submission for OMB Review; Comment Request

Title: Statewide Automated Child Welfare Information System (SACWIS) Assessment Review Guide (SARG).

OMB No.: 0970–0159.

Description: For HHS to fulfill its obligation to effectively serve the nation’s Adoption and Foster Care populations, and to report meaningful and reliable information to Congress about the extent of problems facing these children and the effectiveness of assistance provided to this population, the agency must have access to timely and accurate information about child welfare service populations and child welfare services. Section 476(b) of the Social Security Act requires that States submit statistical reports for child welfare populations, and Section 479 of the Act details State responsibilities to report specific information related to child abuse and neglect. CFR 1355.52 provides funding authority for statewide automated child welfare information systems (SACWIS) that meet Federal requirements for child welfare data collection. If a State chooses to implement a SACWIS, that system serves as the primary data source for Federal reporting.

Currently, States use their SACWIS to support their efforts to meet the following Federal reporting requirements related to child welfare: The Adoption and Foster Care Analysis and Reporting System (AFCARS) required by section 479(b)(2) of the Social Security Act; the National Child Abuse and Neglect Data System (NCANDS); Child Abuse Prevention and Treatment Act (CAPTA); and the Chafee Independent Living Program’s National Youth in Transition Database (NYTD). These systems also support State efforts to provide the information to conduct the Child and Family Service Reviews. Currently, forty-two States and the
