

16 U.S.C 1801 *et seq.*) and its implementing regulations 50 CFR 600.920(a). The ACOE determined that the proposed action would adversely affect EFH for species managed under the Pacific Coast Salmon, Pacific Coast Groundfish, and Coastal Pelagics Fishery Management Plans. NMFS SWRO determined that the proposed action would adversely affect EFH for species managed under the Pacific Coast Salmon, Pacific Coast Groundfish, and Coastal Pelagics Fishery Management Plans. Habitat will be lost during removal of wooden pilings; however, NMFS expected recolonization of the new pilings within a year. NMFS believes the proposed action has been designed to minimize and reduce the magnitude of potential effects during implementation of the proposed action. Therefore, NMFS provides no additional conservation recommendations. In addition, NMFS expects EFH will improve in the vicinity of the pier due to the following:

(1) Removal and replacement of creosote-treated wooden piles with CISS concrete pilings;

(2) A stormwater collection and treatment system where all stormwater will be collected and routed by gravity feed to an upland treatment cell that will provide detention, settling, and active filtering prior to complete infiltration;

(3) Reduced artificial lighting effects; and

(4) The HSU marine lab water intake associated with the pier will be fitted with NMFS-approved screens, minimizing the risk of entrainment of small prey fish species.

Proposed Authorization

As a result of these preliminary determinations, NMFS proposes to issue an IHA to the Trinidad Rancheria for the harassment of small numbers (based on populations of the species and stock) of three species of marine mammals incidental to specified activities related to renovation of the Trinidad Pier, provided the previously mentioned mitigation, monitoring, and reporting requirements are incorporated.

Information Solicited

NMFS requests interested persons to submit comments and information concerning this proposed project and NMFS' preliminary determination of issuing an IHA (see **ADDRESSES**).

Concurrent with the publication of this notice in the **Federal Register**, NMFS is forwarding copies of this application to the Marine Mammal Commission and its Committee of Scientific Advisors.

Dated: May 11, 2011.

SUPPLEMENTARY INFORMATION: Under the PRA, Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor.

“Collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA, 44 U.S.C. 3506(c)(2)(A), requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. Gross Collection of Exchange-Set Margins for Omnibus Accounts, OMB Control Number 3038-0026—Extension

Commission Regulation 1.58 requires that FCMs margin omnibus accounts on a gross, rather than a net, basis. The regulation provides that the carrying FCM need not collect margin for positions traded by a person through an omnibus account in excess of the amount that would be required if the same person, instead of trading through an omnibus account, maintained its own account with the carrying FCM.

The Commission estimates the burden of this collection of information as follows:

- *Estimated number of respondents:* 125.
- *Reports annually by each respondent:* 4.
- *Total annual responses:* 500.
- *Estimated average number of hours per response:* .08.
- *Annual reporting burden:* 40.

There are no capital costs or operating and maintenance costs associated with this collection.

This estimate is based on the number of written records maintained in the last three years. Although the burden varies, such records may involve analytical work and analysis, as well as multiple levels of review.

Dated: May 12, 2011.

David A. Stawick,

Secretary of the Commission.

I. Authority and Background

In a separate document published elsewhere in today's **Federal Register**, the Commission is announcing adoption of new Regulation 4.12(c), which makes available to the CPOs of Commodity ETFs relief from certain disclosure, reporting and recordkeeping requirements, and new Regulation

4.13(a)(5), which makes available relief from the requirement to register as a CPO for certain independent directors and trustees of Commodity ETFs.¹ Relief under each of the new regulations must be claimed by the filing of specified notices and in the case of Regulation 4.13(a)(5), certain additional statements. These filings are similar to filings currently made with NFA by CPOs seeking to claim relief under other provisions of Regulation 4.13.²

Section 8a(10) of the Commodity Exchange Act³ (Act) provides that the Commission may authorize any person to perform any portion of the registration functions under the Act, notwithstanding any other provision of law, in accordance with rules adopted by such person and submitted to the Commission for approval or, if applicable, for review pursuant to Section 17(j) of the Act⁴ and subject to the provisions of the Act applicable to registrations granted by the Commission. Section 17(o)(1) of the Act⁵ provides that the Commission may require NFA to perform Commission registration functions in accordance with the Act and NFA rules. In this regard, the Commission notes that NFA has confirmed its willingness to perform certain functions that would otherwise be performed by the Commission.⁶

Upon consideration, the Commission has determined to authorize NFA, 90 days following publication of this Notice and Order in the **Federal Register**, to perform the following functions: (1) To process⁷ notices of claim under Regulation 4.12(c) for exemption from certain Part 4 requirements; (2) to process notices of exemption pursuant to Rule 4.13(a)(5) from registration as a CPO; and (3) to maintain and to serve as the official custodian of records for such notices of claim for exemption. As discussed below, these functions involve exemption from certain disclosure, reporting and recordkeeping

requirements for CPOs, and exemption from CPO registration for certain persons. This action is consistent with other action the Commission has taken with respect to delegating to NFA various responsibilities under Part 4 of the Commission's regulations.⁸

A. Exemption From Certain Part 4 Requirements for CPOs of Commodity ETFs

Regulation 4.12(c) makes available an exemption from certain disclosure, reporting and reporting requirements for registered CPOs of Commodity ETFs. To perfect the exemption, Regulation 4.12(d) requires eligible CPOs to file a notice of claim for exemption with NFA. By this Order, NFA is authorized to process claims for exemption filed by CPOs who meet the requirements set forth in Regulation 4.12(c).

B. Exemption From Registration as a CPO for Independent Directors or Trustees

Regulation 4.13(a)(5) makes available an exemption from CPO registration where a person is a director or trustee of a commodity pool solely to comply with the requirements under section 10A of the Securities Exchange Act of 1934, as amended, and any Securities and Exchange Commission rules and exchange listing requirements adopted pursuant thereto, that the pool have an audit committee comprised exclusively of independent directors or trustees. To perfect the exemption, Regulation 4.13(b) requires eligible persons to file a notice of exemption with NFA. By this Order, NFA is authorized to process claims for exemption filed by persons who meet the requirements set forth in Regulation 4.13(a)(5).

C. Recordkeeping Requirements

By prior orders, the Commission has authorized NFA to maintain various other Commission registration records and has certified NFA as the official custodian of such records for this agency.⁹ The Commission has now determined, in accordance with its authority under Section 8a(10) of the Act, to authorize NFA to maintain and to serve as the official custodian of records for the claims required for the exemptions provided by Regulations 4.12(c) and 4.13(a)(5).

In maintaining the Commission's records pursuant to this Order, NFA shall be subject to all other requirements

⁸ See, e.g., 62 FR 52088 (Oct. 6, 1997), whereby the Commission delegated to NFA the authority to process various filings made under Part 4.
