Certain Frozen Warmwater Shrimp From the People's Republic of China: Notice of Amended Final Determination of Sales at Less Than Fair Value Pursuant to Court Decision

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* May 24, 2011.

FOR FURTHER INFORMATION CONTACT:

Javier Barrientos, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* 202-482-2243.

Background

This matter arose from a challenge to the results in the Department of Commerce's ("Department") *Notice of Final Determination of Sales at Less Than Fair Value: Certain Frozen and Canned Warmwater Shrimp from the People's Republic of China*, 69 FR 70997 (December 8, 2004) ("*Final Determination*") and *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Certain Frozen Warmwater Shrimp From the People's Republic of China*, 70 FR 5149 (February 1, 2005) ("*Amended Final Determination*"). Following publication of the *Amended*

Final Determination, respondents¹ Allied Pacific and Yelin, filed a lawsuit with the Court of International Trade ("CIT" or the "Court") challenging the Department's *Final Determination and Amended Final Determination*. At issue in the litigation were the Department's surrogate values for two inputs: raw, head-on, shell-on shrimp and hours of labor used in the production of the subject merchandise.

After two court ordered remands, the Department issued its second final results of redetermination on May 21, 2009. See *Allied Pacific Food (Dalian) Co. Ltd. v. United States*, 716 F. Supp. 2d 1339 (Ct. Int'l Trade 2010). In its second remand redetermination, the Department calculated new surrogate values for shrimp using ranged data from the Indian shrimp producer Devi Seafoods, Ltd. ("Devi") and adopted a new surrogate labor rate. *Id.* at 1342. Using these revised values, the Department determined revised antidumping duty margins of 5.07% ad-valorem for Allied Pacific and 8.45% ad-valorem for Yelin. *Id.*

No party appealed the CIT's decision. As there is now a final and conclusive court decision in this case, we are amending our final determination.

Amended Final Determination

As the litigation in this case has concluded, the Department is amending the *Final Determination* to reflect the results of our remand determination. *The revised dumping margins for the amended final determination are as follows:*

Manufacturer/exporter	Margin
Allied Pacific	5.07%
Yelin	8.45%

The PRC-wide rate continues to be 112.81 percent as determined in the Department's *Amended Final Determination*.

Both Allied Pacific and Yelin have received new cash deposit rates in subsequent reviews, so the rates listed above will not be applied as cash deposit rates for either company. Additionally, both Allied Pacific and Yelin obtained preliminary injunctions enjoining liquidation of all entries of subject merchandise during subsequent administrative review periods. Now that the litigation to which these injunctions

¹ Allied Pacific Food (Dalian) Co., Ltd., Allied Pacific (H.K.) Co., Ltd., King Royal Investments, Ltd., Allied Pacific Aquatic Products (Zhanjiang) Co., Ltd., and Allied Pacific Aquatic Products (Zhongshan) Co., Ltd. (collectively "Allied Pacific") and Yelin Enterprise Co. Hong Kong ("Yelin") are Chinese producers of subject shrimp that were respondents in the antidumping duty investigation.

pertained has been completed, the Department intends to issue instructions to U.S. Customs and Border Protection ("CBP") fifteen days after publication of this notice notifying CBP of the lifting of these injunctions and instructing CBP to liquidate all appropriate entries, not otherwise enjoined, at the applicable rates for each review period.

This notice is published in accordance with sections 735(d), 777(i), and 516A(a)(B) of the Tariff Act of 1930, as amended.

Dated: May 17, 2011.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration.

Certain Frozen Warmwater Shrimp From the People's Republic of China: Extension of Final Results of the Fifth Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("Department") is extending the time limit for the final results of the fifth administrative review of certain frozen warmwater shrimp from the People's Republic of China ("PRC"). The review covers the period February 1, 2009, through January 31, 2010.

DATES: *Effective Date:* May 24, 2011.

FOR FURTHER INFORMATION CONTACT:

Kabir Archuletta, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* (202) 482-2593.

Background

On April 9, 2010, the Department published in the **Federal Register** a notice of initiation of the fifth administrative review of the antidumping duty order on certain frozen warmwater shrimp from the PRC. See *Notice of Initiation of Administrative Reviews and Requests for Revocation in Part of the Antidumping Duty Orders on Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam and the People's Republic of China*, 75 FR 18154 (April 9, 2010). On February 14, 2011,

the Department published the preliminary results of the review. *See Certain Frozen Warmwater Shrimp from the People's Republic of China: Preliminary Results and Preliminary Partial Rescission of the Fifth Antidumping Duty Administrative Review*, 76 FR 8338 (February 14, 2010).

Statutory Time Limits

In antidumping duty administrative reviews, section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to make a final determination in an administrative review of an antidumping duty order within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the 120 day period to 180 days after the preliminary results if it determines it is not practicable to complete the review within the foregoing time period.

Extension of Time Limit for Preliminary Results of Review

We determine that it is not practicable to complete the final results of the fifth administrative review of certain frozen warmwater shrimp from the PRC within the 120 day time limit because the Department requires additional time to analyze case and rebuttal briefs.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completion of the final results of this review, which is currently due on June 14, 2011, by 60 days to 180 days after the date on which the preliminary results were published. Therefore, the final results are now due no later than August 13, 2011.¹

We are issuing and publishing this notice in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: May 18, 2011.

Christian Marsh,

Deputy Assistant Secretary, for Antidumping and Countervailing Duty Operations.

Certain Steel Nails From the People's Republic of China: Final Results of Antidumping Duty Changed Circumstances Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* August 1, 2009.

SUMMARY: On April 21, 2011, the Department of Commerce ("Department") published a notice of initiation and the preliminary results of the changed circumstances review with intent to revoke, in part, the antidumping duty order¹ on certain steel nails from the People's Republic of China ("PRC") in the **Federal Register**.² The Department is now revoking the *Order*, in part, with regard to four specific types of steel nails.

FOR FURTHER INFORMATION CONTACT: Alexis Polovina, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-3927.

Background

On February 11, 2011, Mid Continent Nail Corporation ("Petitioner") submitted a request for a changed circumstances review to revoke, in part, *Order* with respect to four specific types of steel nails.

Between February 22, 2011, and March 24, 2011, the Department received comments on behalf of Itochu Building Products ("IBP"), National Nail Corp. ("National Nail"), and United Sources Inc. ("United Sources"), supporting Petitioner's request for partial revocation of the *Order*, requesting the Department select the date of the preliminary determination of the original investigation as the effective date of the revocation, and requesting that the Department conduct an expedited review. On March 4, 2011, Department officials spoke with counsel representing Petitioner to clarify an inconsistency regarding the effective date identified in Petitioner's request.³

² See *Certain Steel Nails from the People's Republic of China: Initiation and Preliminary Results of Antidumping Duty Changed Circumstances Review*, 76 FR 22369 (April 21, 2011) ("*Initiation and Preliminary Results*").

³ See Memorandum to the File, From Alexis Polovina, Case Analyst, Regarding Changed

On March 8, 2011, counsel representing IBP met with Department officials to discuss the effective date of the proposed revocation, in part.⁴

On April 21, 2011, the Department published a notice of *Initiation and Preliminary Results* of changed circumstances review with intent to revoke, in part, the *Order* with regard to four specific types of steel nails. We invited parties to submit comments for consideration in the Department's Final Results. None were received.

Scope of the Changed Circumstances Review

The merchandise covered by this changed circumstances review are four specific types of steel nails from the PRC that meet the following criteria:

(1) Non-collated (*i.e.*, hand-driven or bulk), two-piece steel nails having plastic or steel washers (caps) already assembled to the nail, having a bright or galvanized finish, a ring, fluted or spiral shank, an actual length of 0.500" to 8", inclusive; and an actual shank diameter of 0.1015" to 0.166", inclusive; and an actual washer or cap diameter of 0.900" to 1.10", inclusive.

(2) Non-collated (*i.e.*, hand-driven or bulk), steel nails having a bright or galvanized finish, a smooth, barbed or ringed shank, an actual length of 0.500" to 4", inclusive; an actual shank diameter of 0.1015" to 0.166", inclusive; and an actual head diameter of 0.3375" to 0.500", inclusive.

(3) Wire collated steel nails, in coils, having a galvanized finish, a smooth, barbed or ringed shank, an actual length of 0.500" to 1.75", inclusive; an actual shank diameter of 0.116" to 0.166", inclusive; and an actual head diameter of 0.3375" to 0.500", inclusive.

(4) Non-collated (*i.e.*, hand-driven or bulk), steel nails having a convex head (commonly known as an umbrella head), a smooth or spiral shank, a galvanized finish, an actual length of 1.75" to 3", inclusive; an actual shank diameter of 0.131" to 0.152", inclusive; and an actual head diameter of 0.450" to 0.813", inclusive.

In accordance with sections 751(b), 751(d), and 782(h) of the Tariff Act of 1930, as amended ("Act") and 19 CFR 351.216, the Department determines that there is a reasonable basis to believe that changed circumstances exist sufficient to warrant partial revocation of the *Order*. Therefore, the Department is revoking the *Order*, in part, with regard to the products described above. Effective August 1, 2009, the amended scope of the *Order* will read as follows:

Circumstances Review ("CCR") of Certain Steel Nails from the People's Republic of China ("PRC"): Phone Call with Petitioner, dated March 4, 2011.

⁴ See Memorandum to the File, Alex Villanueva, Program Manager, Office 9, Import Administration, From Timothy Lord, Analyst, Office 9, Import Administration, Regarding Certain Steel Nails from the People's Republic of China: Meeting with Outside Party, dated March 9, 2011.
