[LLCO922000-L13100000-FI0000;
COC66025]

Notice of Proposed Reinstatement of Terminated Oil and Gas Lease COC66025

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: Under the provisions of the Mineral Leasing Act of 1920, as amended, the Bureau of Land Management (BLM) received a petition for reinstatement of oil and gas lease COC66025 from Robert P. Kirgan, for lands in Rio Blanco, Colorado. The petition was filed on time and was accompanied by all the rentals due since the date the lease terminated under the law.

FOR FURTHER INFORMATION CONTACT: Milada Krasilinec, BLM Land Law Examiner, Fluid Minerals Adjudication, at 303-239-3767.

Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The lessee has agreed to the amended lease terms for rentals and royalties at rates of \$10 per acre, or fraction thereof, per year and 16⅔ percent, respectively. The lessee has paid the required \$500 administrative fee and \$159 to reimburse the Department for the cost of this **Federal Register** notice. The lessee has met all the requirements for reinstatement of the lease as set out in Section 31(d) and (e) of the Mineral Lands Leasing Act of 1920 (30 U.S.C. 188), and the BLM is proposing to reinstate lease COC66025 effective June 1, 2011, under the original terms and conditions of the lease and the

increased rental and royalty rates cited above.

Helen M. Hankins,

BLM Colorado State Director.

Notice of Realty Action for Lease and Conveyance of Public Land in Volusia County, Florida

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The Bureau of Land Management (BLM) has examined and found suitable for lease and conveyance to the County of Volusia, Coastal Division, under the provisions of the Recreation and Public Purposes (R&PP) Act and the Taylor Grazing Act, approximately 75 acres of public land on Ponce de Leon Inlet, New Smyrna Beach, Volusia County, Florida.

DATES: Interested parties may submit written comments regarding this proposed classification for lease/conveyance of public land until September 6, 2012.

ADDRESSES: Please submit your written comments to the Field Manager, Bureau of Land Management—Eastern States (BLM-ES), Southeastern States Field Office, 411 Briarwood Drive, Suite 404, Jackson, Mississippi 39206. Comments received in electronic form such as email or facsimile will not be considered.

FOR FURTHER INFORMATION CONTACT: Vicky Craft, BLM-ES Southeastern States Field Office, at 601-977-5435, or at the address above. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to contact the above individual. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question for the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The Secretary of the Interior is authorized to lease or convey certain public lands to State and local governmental agencies and to nonprofit corporations and associations for recreation and public purposes under the R&PP Act of June 14, 1926 (43 U.S.C. 869). Applicable

authorities include: Policies pertaining to the BLM's implementation of the R&PP Act (43 CFR 2740.0-6); lands subject to disposition (43 CFR 2741.1); and the guidelines for lease and conveyance (43 CFR 2741.5) under the Act. Additionally, the Taylor Grazing Act of 1934 (43 U.S.C 315f), as amended is the authority for classification of lands. Executive Order No. 6964 withdrew public lands in 12 states, including Florida. In accordance with the above-cited authorities, the following described public land in Volusia County, Florida, has been examined and found suitable for classification for lease and/or conveyance:

Tallahassee Meridian

T. 16 S., R. 34 E.,
Sec. 32, lot 1;
Sec. 33, lot 1.

Except that portion used for the United States Coast Guard (USCG) Station Ponce de Leon Inlet, and that portion used by National Aeronautics and Space Administration (NASA) pursuant to USCG license. More particularly described as: All that land in Sections 32 and 33, T. 16 S., R. 34 E. bounded on the South by township line 16 South, on the east, north and west by the mean high water lines of the Atlantic Ocean, the Inlet, and the Hillsboro River Respectively. Beginning at a point where the township line between Section 32, Township 16 South, Range 34 East, and Section 5, Township 17 South, Range 34 East, intersects the East shoreline of Hillsboro River or Indian River North; thence due East on said township line 700 ft. to a stake; thence South 45 degrees East 625 feet to a stake; thence due West parallel with said township line 700 ft. to the shoreline of said Hillsboro River or Indian River North; thence Northwesterly along shoreline of Hillsborough River or Indian River North to Point of Beginning. The area described contains approximately 75 acres in Volusia County.

The land is located on the north end of New Smyrna Beach and south of the inlet along the Atlantic Ocean shoreline. The land is currently withdrawn on behalf of the USCG for Coast Guard purposes by Executive Order No. 4084, dated October 10, 1924, and previously reserved for lighthouse purposes by Executive Order dated July 25, 1842. Written consent obtained from the USCG Commander allows these lands to be available for lease and/or conveyance under the R&PP Act. The proposed site for lease and/or conveyance would provide the necessary land to maintain

and expand operation of the Smyrna Dunes Park. The park is currently used by Volusia and surrounding county residents for recreation compatible with the preservation of its resources. Such recreational use includes nature study, bird watching, hiking and fishing. On-site facilities include parking, restrooms, boardwalks, picnic pavilion, and an office.

Lease of the land to the County is consistent with the BLM Florida Resource Management Plan, dated June 21, 1995, and would be in the public interest. Additional detailed information pertaining to this application, including a plan of development, a map depicting the public land, and the management plan are available for review at the BLM-ES Southeastern States Field Office at the address above.

The County has not applied for more than the 6,400-acre limit for recreation uses in one year, and has submitted a statement describing the proposed use of the land in compliance with 43 CFR 2741.4, which stipulates lease application procedures.

If issued to the County, the lease or patent would be subject to the following terms, conditions and reservations to the United States:

1. Provisions of the R&PP Act of 1926, as amended, and all applicable regulations of the Secretary of the Interior, including, but not limited to, those patent provisions as noted in 43 CFR 2741.9;

2. Valid existing rights;

3. A reservation of all minerals by the United States, together with the right to prospect, mine and remove the minerals;

4. Terms and conditions identified through the site-specific environmental analysis;

5. Any other rights or reservations that the authorized officer deems appropriate to ensure public access and proper management of Federal land and interest therein; and

6. An appropriate indemnification clause protecting the United States from claims arising out of the lessee/patentee's use, occupancy, or operations on the leased/patented lands.

The land described above remains segregated from all other forms of disposal or appropriation under the public land laws, including the United States mining laws, except for leasing under the mineral leasing laws and conveyance under the R&PP Act.

Classification Comments: Interested persons may submit comments involving the suitability of the land for a public park. Comments on the classification are restricted to whether

(1) The land is physically suited for the proposal; (2) The use will maximize the future use or uses of the land; (3) The use is consistent with local planning and zoning; or (4) The use is consistent with State and Federal programs.

Application Comments: Interested persons may submit comments regarding the specific use proposed in the application and plan of development and the management plan, whether the BLM followed proper administrative procedures in reaching the decision to lease and later convey under the R&PP Act, or any other factor not directly related to the suitability of the land for R&PP use.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Any adverse comments will be reviewed by the BLM-ES State Director. In the absence of any adverse comments, the classification of the land described in the notice will not become effective until September 21, 2012. The land will not be leased or conveyed until after the classification becomes effective.

Authority: 43 CFR subpart 2741, 43 U.S.C. 869 *et seq.*

Bruce E. Dawson,

Southeastern States Field Office Manager.

Notice of Temporary Closure of Betty's Kitchen Wildlife and Interpretive Area, Yuma County, AZ

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: Pursuant to the Federal Land Policy and Management Act and Bureau of Land Management (BLM) regulations, notice is hereby given that the Betty's Kitchen Wildlife and Interpretive Area (Betty's Kitchen) located on Federal lands administered by the Yuma Field Office, BLM, is temporarily closed to motorized vehicle and public use.

DATES: The closure will be enforced immediately and will remain in effect for 2 years following the date this notice is published in the **Federal Register** or until rescinded or modified by the authorized officer or designated Federal officer.

FOR FURTHER INFORMATION, CONTACT: John MacDonald, Yuma Field Manager, at 2555 East Gila Ridge Road, Yuma, Arizona 85365, via email at jmacdona@blm.gov, or telephone 928-317-3200. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: This Temporary Closure affects Federal lands at Betty's Kitchen in Yuma County, Arizona. The legal description of the affected Federal lands is:

Arizona

Gila and Salt River Meridian

Township 7 South, Range 22 West,
Section 14, SE $\frac{1}{4}$ SW $\frac{1}{4}$ (within),
SW $\frac{1}{4}$ SE $\frac{1}{4}$ (within).

The area described contains approximately 15 acres.

Closure of Betty's Kitchen is necessary to allow for the restoration of the area and avoid exposing the public to safety hazards caused by the Laguna Fire.

The BLM Laguna Emergency Stabilization and Rehabilitation Environmental Assessment (EA) (DOI-BLM-AZ-C020-2011-0018-EA) signed on September 28, 2011, states, "Human health and safety would be greatly affected from the remaining hazardous trees throughout the project area. Unless hazardous trees are removed, the recreation area would need to remain closed to the public." In order to implement the EA's proposed remediation actions, unscheduled heavy equipment may be operating in the area to remove the hazards over the next 2 years as funding and scheduling opportunities allow. A temporary closure is needed to reduce or eliminate the likelihood of accidents to visitors while fishing, picnicking, camping, or pursuing other activities in the vicinity of the existing and static hazards before or while work is occurring. In addition, improvements to recreational facilities and the addition of new bridges will enhance visitor enjoyment and safety when completed. Immediately after the
