

the Exchange pursuant to Section 31 of the Exchange Act. The Exchange believes it is reasonable to recover the actual costs associated with the payment of Section 31 fees.

Finally, the Exchange believes it is reasonable, equitable and not unfairly discriminatory for the FINRA fees to be included on the Fee Schedule because these fees are not being assessed or set by MIAX, but by FINRA, and will be assessed to broker-dealers that register associated persons through FINRA's WebCRD system.

Finally, the Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing venues. In such an environment, the Exchange must establish fees that are competitive with other exchanges. For the reasons described above, the Exchange believes that the proposed MIAX Options Fee Schedule for select transaction and regulatory fees appropriately reflects this competitive environment.

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.
