The Port of Milwaukee, grantee of FTZ 41, submitted a notification of proposed production activity on behalf of CNH America, LLC (CNH), operator of Subzone 41I, at its facilities in Racine, Wisconsin. The notification conforming to the requirements of the regulations of the Foreign Trade-Zones Board (the Board) (15 CFR 400.22) was received on January 18, 2013.

The CNH facilities are located within Subzone 41I. The facilities are used for the production of tractors and tractor/combine components. Customs duties also could possibly be deferred or reduced on foreign status production equipment.

The components and materials sourced from abroad include: Rubber hoses, copper alloy adapters, aluminum plates, feed filters, GPS kits including electrical connections, and LED's (duty rates range from free to 4%).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is March 13, 2013.
