DEPARTMENT OF TRANSPORTATION

Office of the Secretary of Transportation

[Docket No. DOT-OST-2013-XXXX]

Notice of Funding Availability for the Department of Transportation's National Infrastructure Investments Under the Consolidated and Further Continuing Appropriations Act, 2013

AGENCY: Office of the Secretary of Transportation, DOT.

ACTION: Notice of Funding Availability.

SUMMARY: This notice announces the availability of funding and requests proposals for the Department of Transportation's National Infrastructure Investments. This notice is addressed to organizations that are interested in applying and provides guidance on selection criteria and application requirements for the National Infrastructure Investments.

Title VIII of The Further Continuing Appropriations Act, 2013 (Division F of the Consolidated and Further Continuing Appropriations Act, 2013, Public Law 113-6, March 26, 2013) ("FY 2013 Appropriations Act") appropriated \$473.847 million to be awarded by the Department of Transportation ("DOT") for National Infrastructure Investments. DOT will continue to refer to the program as "TIGER Discretionary Grants," as this is the title with which most stakeholders are familiar. As with previous rounds of TIGER, funds for the FY 2013 TIGER program are to be awarded on a competitive basis for projects that will have a significant impact on the Nation, a metropolitan area or a region.

Through this notice, DOT is soliciting applications for TIGER Discretionary Grants. In the event that this solicitation does not result in the award and

obligation of all available funds, DOT may decide to publish an additional solicitation(s) or provide additional funds to selected projects.

DATES: You must submit final applications through Grants.gov by June 3, 2013, at 5:00 p.m. EDT (the "Application Deadline"). The Grants.gov "Apply" function will open on April 29, 2013, allowing applicants to submit final applications. You are strongly encouraged to submit applications in advance of the deadline.

ADDRESSES: You must submit applications electronically through Grants.gov. Only applications received electronically through Grants.gov will be deemed properly filed. Instructions for submitting applications through Grants.gov can be found on the TIGER Web site (www.dot.gov/TIGER).

FOR FURTHER INFORMATION CONTACT: For further information concerning this notice please contact the TIGER Discretionary Grant program staff via email at TIGERGrants@dot.gov, or call Howard Hill at 202-366-0301. A TDD is available for individuals who are deaf or hard of hearing at 202-366-3993. In addition, DOT will regularly post answers to questions and requests for clarifications on DOT's Web site at www.dot.gov/TIGER. Applicants are encouraged to contact DOT directly rather than rely on third parties to prepare application materials or otherwise receive information about TIGER Discretionary Grants.

SUPPLEMENTARY INFORMATION: This notice is substantially similar to the final notice published for the FY 2012 TIGER Discretionary Grant program in the **Federal Register** on January 31, 2012. However, there are a few significant differences:

1. Given the date of enactment of the final year-long FY 2013 Appropriations Act, the statutory timeframe for DOT to obligate funds under this round of TIGER Discretionary Grants is the shortest of all of the rounds to date. In order to meet this deadline, your application must demonstrate that that the project can meet all local, State, and federal requirements by June 30, 2014, in order for DOT to obligate funding in advance of September 30, 2014. Each application must include a detailed statement of work, detailed project schedule, and detailed project budget. Due to the short timeframe for obligation, project readiness and the risk of delays will be treated as primary selection criteria in DOT's evaluation process. You must identify risks and mitigation strategies in your project narratives. If your application is submitted without a sufficiently
