

BLM Las Vegas Field Office, except during Federal holidays.

In order to determine the FMV through appraisal, certain extraordinary assumptions and hypothetical conditions may have been made concerning the attributes and limitations of the lands and potential effects of local regulations and policies on potential future land uses. Through publication of this Notice, the BLM advises that these assumptions may not be endorsed or approved by units of local government.

It is the buyer's responsibility to be aware of all applicable Federal, State, and local government laws, regulations and policies that may affect the subject lands, including any required dedication of lands for public uses. It is also the buyer's responsibility to be aware of existing or prospective uses of nearby properties. When conveyed out of Federal ownership, the lands would be subject to any applicable laws, regulations, and policies of the applicable local government for proposed future uses. It is the responsibility of the purchaser to be aware through due diligence of those laws, regulations, and policies, and to seek any required local approvals for future uses. Buyers should also make themselves aware of any Federal or State law or regulation that may impact the future use of the property. Any land lacking access from a public road or highway would be conveyed as such, and future access acquisition would be the responsibility of the buyer.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including any personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Any adverse comments regarding the proposed sale will be reviewed by the BLM Nevada State Director or other authorized official of the Department of the Interior, who may sustain, vacate, or modify this realty action. In the absence of any adverse comments, this realty action will become the final determination of the Department of the Interior.
