SUPPLEMENTARY INFORMATION:

Comments: As required by 5 CFR 1320.8(d), comments on the information collection activities as part of this study were solicited through publication of a 60-Day Notice in the **Federal Register** on January 8, 2013, at 78 FR 1266. We received two comments, to which we here respond.

The first comment came from the Bureau of Economic Analysis (BEA). They expressed general support for the survey and requested several additional data elements to be considered for future collection. NSF is in regular contact with BEA about their data needs and the feasibility of adding questions to the HERD or FFRDC Surveys to address these needs. As always, there is a need to balance the burden on the respondents with requesting new data
