

IV. Conclusion

This Order gives effect to the Plan filed with the Commission in File No. 4-663. The Parties shall notify all members affected by the Plan of their rights and obligations under the Plan.

It is therefore ordered, pursuant to Section 17(d) of the Act, that the Plan in File No. 4-663, between FINRA and Topaz, filed pursuant to Rule 17d-2 under the Act, is approved and declared effective.

It is further ordered that Topaz is relieved of those responsibilities allocated to FINRA under the Plan in File No. 4-663.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.²²

Kevin M. O'Neill,
Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-70230; File No. SR-EDGX-2013-32]

Self-Regulatory Organizations; EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Eliminate EDGX Rule 13.4

August 19, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 7, 2013, EDGX Exchange, Inc. ("Exchange" or "EDGX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which items have been prepared by the self-regulatory organization. EDGX filed the proposal pursuant to Section 19(b)(3)(A)³ of the Act and Rule 19b-4(f)(6)⁴ thereunder so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to eliminate Rule 13.4, "Assigning of Registered Securities in the Name of a Member or

Member Organization," which permits the Exchange to establish a signature guarantee program. All of the changes described herein are applicable to Members.⁵ The text of the proposed rule change is available on the Exchange's Internet Web site at www.directedge.com, at the Exchange's principal office, and at the Public Reference Room of the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to eliminate Rule 13.4, "Assigning of Registered Securities in the Name of a Member or Member Organization," which permits the Exchange to establish a signature guarantee program. In sum, a signature guarantee program allows an investor who seeks to transfer or sell securities held in physical certificate form to have their signature on the certificate "guaranteed." Rule 13.4 permits Members to guarantee their signatures by authorizing one or more of their employees to assign registered securities in the Member's name and to guarantee assignments of registered securities on behalf of the Member where the security had been signed by one of the partners of the Member or by one of the authorized officers of the Member by executing and filing with the Exchange a separate Power of Attorney, also known as a traditional signature card program. Transfer agents often insist that a signature be guaranteed before they accept the transaction because it limits their liability and losses if a signature turns out to be forged.

Rule 17Ad-15 under the Act permits transfer agents to reject signature guarantees from eligible guarantor

institutions that are not part of a signature guarantee program.⁶ The rule encouraged a movement away from the traditional signature card programs administered by the exchanges towards signature guarantee programs that use a medallion imprint or stamp which evidences their participation in the program and is an acceptable signature guarantee ("Medallion Signature Guarantee Program").⁷ The Commission has also noted that:

[a]n investor can obtain a signature guarantee from a financial institution—such as a commercial bank, savings bank, credit union, or broker dealer—that participates in one of the Medallion signature guarantee programs. * * * If a financial institution is not a member of a recognized Medallion Signature Guarantee Program, it would not be able to provide signature guarantees. Also, if [an investor is] not a customer of a participating financial institution, it is likely the financial institution will not guarantee [the investor's] signature. Therefore, the best source of a Medallion Guarantee would be a bank, savings and loan association, brokerage firm, or credit union with which [the investor does] business.⁸

In response to Rule 17Ad-15, certain exchanges have decommissioned or amended their rules to no longer provide for traditional signature card program.⁹ While the Exchange adopted

Therefore, to avoid costs that produce no benefits, MSTC eliminated its Signature Distribution and Signature Guarantee Programs and deleted MSTC Rule 5, Sections 1 and 2 which govern these programs").

In place of the cumbersome signature card system, PHLX will require participation in a Rule 17Ad-15 Signature Guarantee Program"). In 2006, the Philadelphia Stock Exchange, Inc. (currently Nasdaq OMX PHLX LLC) ("PHLX") eliminated Rules 327-340 regarding signature guarantees in their entirety from its rulebook, noting that they are "being deleted as obsolete because they refer to the delivery and settlement of securities, which is not done by the Exchange, but by registered clearing agencies." ⁵ A Member is any registered broker or dealer, or any person associated with a registered broker or dealer that has been admitted to membership in the Exchange.

Rule 13.4 as part of its Form 1 exchange application,¹⁰ it has never offered, and does not now intend to offer, a signature guarantee service. The move towards Medallion Signature Guarantee Programs has also rendered traditional card programs as provided for under Exchange Rule 13.4 obsolete. Therefore, the Exchange proposes to eliminate Rule 13.4.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act¹¹ and furthers the objectives of Section 6(b)(5) of the Act,¹² in that it is designed promote just and equitable principles of trade, remove impediments to, and perfect the mechanism of, a free and open market and a national market system, and, in general, protect investors and the public interest by eliminating unnecessary confusion with respect to the Exchange's rules. Rule 17Ad-15 encouraged a movement away from the traditional signature card programs administered by the exchanges towards certain Medallion Signature Guarantee Programs. In response, certain exchanges have decommissioned or amended their rules to no longer provide for a traditional signature card program.¹³ The Exchange has never offered, and does not now intend to offer, a signature guarantee service. Also, the move towards Medallion Signature Guarantee Programs has rendered traditional card programs as provided for under Exchange Rule 13.4 obsolete. Therefore, the Exchange believes eliminating Rule 13.4 would clarify the Exchange's rules by eliminating rules that account for services the Exchange does not provide. The Exchange also believes the elimination of unnecessary and obsolete

rules removes impediments to the perfection of the mechanisms for a free and open market system consistent with the requirements of Section 6(b)(5) of the Act.¹⁴

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition. Rule 17Ad-15 encouraged a movement away from the traditional signature card programs administered by the exchanges towards certain Medallion Signature Guarantee Programs. In response, certain exchanges have decommissioned or amended their rules to no longer provide for a traditional signature card program.¹⁵ An investor may still obtain a signature guarantee from a financial institution that participates in one of the Medallion Signature Guarantee Programs. The Exchange has never offered, and does not intend to offer, a signature guarantee service. Also, the move towards Medallion Signature Guarantee Programs has rendered traditional card programs as provided for under Exchange Rule 13.4 obsolete. Therefore, the Exchange believes eliminating Rule 13.4 would not impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become effective pursuant to Section 19(b)(3)(A)¹⁶ of the Act and Rule 19b-4(f)(6)¹⁷ thereunder. The proposed rule change effects a change that (A) Does not significantly affect the protection of investors or the public interest; (B) does not impose any significant burden on competition; and (C) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate

if consistent with the protection of investors and the public interest; provided that the self-regulatory organization has given the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

The Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five (5) business days prior to the date of filing.¹⁸

The Exchange believes that the proposed rule change meets the criteria of subparagraph (f)(6) of Rule 19b-4¹⁹ because it would clarify the Exchange's rules by eliminating rules that account for services the Exchange does not provide. The Exchange has never offered, and does not intend to offer, a signature guarantee service. Rule 17Ad-15 encouraged a movement away from the traditional signature card programs administered by the exchanges towards certain Medallion Signature Guarantee Programs. This move towards Medallion Signature Guarantee Programs has rendered traditional card programs as provided for under Exchange Rule 13.4 obsolete. Today, an investor can obtain a signature guarantee from a financial institution that participates in one of the Medallion Signature Guarantee Programs. Therefore, the Exchange believes eliminating Rule 13.4 is non-controversial because it would clarify the Exchange's rules by eliminating rules that account for services the Exchange does not provide.

Accordingly, the Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A) of the Act²⁰ and paragraph (f)(6) of Rule 19b-4 thereunder.²¹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-70229; File No. SR-C2-2013-031]

Self-Regulatory Organizations; C2 Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Change the Expiration Date for Most Options Contracts to the Third Friday of the Expiration Month Instead of the Saturday Following the Third Friday

August 19, 2013.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 13, 2013, C2 Options Exchange, Incorporated ("Exchange" or "C2") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Exchange rules to change the expiration date for most option contracts to the third Friday of the expiration month instead of the Saturday following the third Friday. The text of the proposed rule change is available on the Exchange's Web site (<http://www.c2exchange.com/Legal/>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Commission recently approved The Options Clearing Corporation ("OCC") proposal to change the expiration date for most standard options contracts from Saturday to Friday.³ Subsequently, the Chicago Board Options Exchange, Incorporated ("CBOE") filed an immediately effective rule change to conform its rules to the recently approved OCC rule.⁴ With this filing, C2 is proposing to adopt the same changes as the CBOE filing that are not inherently adopted in C2 Rules as more fully explained below.⁵

More specifically, C2 Chapter 24 (Index Options) was recently amended to change the expiration date for most option contracts to the third Friday of the expiration month instead of the Saturday following the third Friday. The purpose of this proposed rule change is to amend C2 Rule 1.1 (Definitions) by adding a definition for "Expiration Date" and replace any reference in the purpose section of any past Exchange rule filings or previously released circulars to any expiration date other than Friday for a standard options contract with the new Friday standard.

CBOE Rules Incorporated by Reference into C2's Rules

The majority of C2's rules are the same as CBOE rules and were adopted as part of the Securities and Exchange Commission's ("SEC or Commission") order approving C2's application for registration as a national securities exchange.⁶ CBOE Rule 24.9 was recently

⁴ See Securities Exchange Act Release No. 70091 (August 1, 2013), 78 FR 48212 (August 8, 2013) (Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Change the Expiration Date For Most Option Contracts to the Third Friday of the Expiration Month Instead of the Saturday Following the Third Friday) (SR-CBOE-2013-073) ("CBOE Friday expirations filing").

⁵ SR-CBOE-2013-073 amended the rule text of CBOE Rules 1.1(mmm), 23.5, and 24.9. As described in more detail below, CBOE Rule 24.9 is incorporated in its entirety into C2 Rules. CBOE Rule 1.1 is not incorporated into C2 Rules, and as such, as described below in greater detail, C2 is proposing to amend C2 Rule 1.1. Finally, CBOE Rule 23 is not incorporated into C2 Rules, but because Interest Rate Option Contracts do not currently trade on C2, C2 is not proposing to make any conforming changes.
