OMB Sequestration Update Report to the President and Congress for Fiscal Year 2014

AGENCY: Executive Office of the President, Office of Management and Budget.

ACTION: Notice of availability of the OMB Sequestration Update Report to the President and Congress for FY 2014.

SUMMARY: OMB is issuing the Sequestration Update Report to the President and Congress for FY 2014 to report on the status of pending discretionary appropriations legislation and compliance with the discretionary caps. The report finds that unless the discretionary limits are restored to the levels agreed to in the American Taxpayer Relief Act of 2012, OMB's estimates of House action for the 12 annual appropriations bills show that a sequestration of approximately \$47.9 billion in discretionary programs in the defense (or revised security) category would be required. Similarly, OMB's estimates of appropriations action by the Senate indicate that a sequestration of approximately \$54.1 billion in discretionary programs in the defense category and \$34.3 billion in discretionary programs in the non-defense (or revised nonsecurity) category would be required. The report also contains OMB's Preview Estimate of the Disaster Relief Funding Adjustment for FY 2014.

DATES: *Effective Date:* August 20, 2013. Section 254 of the Balanced Budget and Emergency Deficit Control Act of 1985, as amended, requires the Office of Management and Budget (OMB) to issue a Sequestration Update Report on August 20th of each year. With regard to this update report and to each of the three required sequestration reports, section 254(b) specifically states the following:

NATIONAL CREDIT UNION ADMINISTRATION

Agency Information Collection Activities: Submission to OMB for Reinstatement, With Change, of a Previously Approved Collection

AGENCY: National Credit Union Administration (NCUA).

ACTION: Notice and request for comments.

SUMMARY: The NCUA, as part of their continuing effort to reduce paperwork and respondent burden, invite the general public and other Federal agencies to take this opportunity to comment on information collections, as required by the Paperwork Reduction Act of 1995. NCUA is soliciting comments concerning the Suspicious Activity Report (SAR). As Bank Secrecy Act (BSA) administrator, the Financial Crimes Enforcement Network (FinCEN) transitioned from a system originally designed for collecting industry specific paper forms to a modernized information technology environment centered on electronic reporting. Based on financial institution type, depository institutions, broker-dealers in securities, futures commission merchants and introducing brokers in commodities, insurance companies, mutual funds, money services businesses, and casinos

currently filed reports on four separate forms. FinCEN's objective is to have one electronically-filed dynamic and interactive BSA-SAR that will be used by all filing institutions to report suspicious activity as of April 1, 2013.

There are no proposed changes to the regulatory reporting criteria for information collection. Federally insured credit unions will continue to follow the regulation, interagency guidance, and filing instructions to determine when a report should be filed and what information should be included on the report.

DATES: Written comments should be received on or before September 30, 2013.

ADDRESSES: Interested parties are invited to submit written comments to the NCUA Contact and the OMB Reviewer listed below:

NCUA Contact: Tracy Crews, National Credit Union Administration, 1775 Duke Street, Alexandria, Virginia 22314-3428, Fax No. 703-837-2861, Email: OCIO/PRA@ncua.gov.

OMB Contact: Office of Management and Budget, ATTN: Desk Officer for the National Credit Union Administration, Office of Information and Regulatory Affairs, Washington, DC 20503.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information, a copy of the collection, or a copy of submitted comments should be directed to Tracy Crews at the National Credit Union Administration, 1775 Duke Street, Alexandria, VA 22314-3428, or at (703) 518-6444.

SUPPLEMENTARY INFORMATION: The interactive BSA-SAR includes several new data fields and introduces data fields from the SARs of other industries. On March 29, 2012, FinCEN released guidance¹ titled, "Filing FinCEN's new Currency Transaction Report and Suspicious Activity Report". This guidance clarified expectations and notes that FinCEN is making available additional and more specific data elements (i.e., characterizations of suspicious activity and types of financial services) as a more efficient way to bring information about suspicious activity to the attention of FinCEN and law enforcement. The guidance clarified the addition of new and expanded data elements; however, the guidance does not create an expectation that financial institutions will revise internal programs, or develop new programs, to capture
