The temporary closure area described herein encompasses approximately 54,200 acres in Elmore County, Idaho. The closures are intended to protect critical winter habitat for elk and mule deer as well as important year-long sage-grouse habitat. The motorized vehicle closure will help to slow the spread of noxious weeds; allow planted shrub, forb, and grass species to become established; and allow existing plants to recover. The all-entry closure will reduce human disturbance to wintering elk and mule deer. The closures will help ensure the long-term viability of habitat for wildlife populations in the area. The BLM will post closure signs at gates, main access points, key perimeter locations and main entry points to the closed areas. The closure notice will also be posted in the Boise District BLM office. Maps of the affected area and other documents associated with this closure are available at the Boise District BLM Office, 3948 Development Avenue, Boise, Idaho 83705 and on the BLM Idaho Web site <http://www.blm.gov/id/st/en/advisories-closures.html>. Under the authority of Section 303(a) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1733(a)), 43 CFR 8360.0–7, and 43 CFR 8364.1, the BLM will enforce the following rules within the closure:

Throughout the temporary closure period, motorized vehicles must not be used within the closed area.

Motorized vehicles are allowed within the closed area on Idaho State Highway 20, the Long Tom Reservoir Road, and roads maintained by the Mountain Home and Glenns Ferry Highway Districts.

Between January 1, 2014, and April 30, 2014, and January 1, 2015, and April 30, 2015, no unauthorized persons will be allowed in the closed area except on the aforementioned roads.

Exemptions: The following persons are exempt from this order: Federal, State, and local officers and employees in the performance of their official duties; members of organized rescue or fire-fighting forces in the performance of their official duties; and persons with written authorization from the BLM.

Penalties: Any person who violates the above rule may be tried before a United States Magistrate and fined, not to exceed \$1,000, imprisoned for no more than 12 months, or both. Violators may also be subject to the enhanced fines provided for in 18 U.S.C. 3571.

Authority: 43 CFR 8360.0–7; 43 CFR 8364.1

Call for Nominations, Western Oregon, Medford District Resource Advisory Committee

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The Secretary of the Interior is requesting four nominations for representatives to serve on the Medford District Resource Advisory Committee (RAC). The Committee will advise the Secretary, through the Bureau of Land Management (BLM), on the selection and prioritization of projects funded under Title II of the Secure Rural Schools and Community Self-Determination Act. The BLM will accept public nominations for 45 days after the publication of this notice.

DATES: Submit nomination packages to the address listed below, on or before March 27, 2014.

ADDRESSES: Advisory Committee nomination forms are available at the BLM Medford District Office and also on www.blm.gov/or/rac. Send completed nomination forms to Jim Whittington, BLM Medford District Office, 3040 Biddle Road, Medford, OR 97504, 541–618–2200.

FOR FURTHER INFORMATION CONTACT: Stephen Baker, BLM Oregon State Office, P.O. Box 2965, Portland, OR 97208, 503–808–6306; sabaker@blm.gov. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1–800–877–8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The Secure Rural Schools and Community Self-Determination Act was extended to provide stability for local counties by compensating them, in part, for the decrease in funds formerly derived from the harvest of timber on Federal lands. Pursuant to the Act, five Committees serve western Oregon BLM districts that contain Oregon and California grant lands and Coos Bay Wagon Road grant lands. Committees consist of 15 local citizens representing a wide array of interests.

The RACs provide a mechanism for local community collaboration with Federal land managers as they select projects to be conducted on Federal lands or that will benefit resources on Federal lands using funds under Title II of the Act.

Committee membership must be balanced in terms of the categories of interest represented. Prospective members are advised that membership on a RAC calls for a substantial commitment of time and energy.

Any individual or organization may nominate one or more persons to serve on the Committee. Individuals may also nominate themselves or others. Nominees must reside within one of the counties that are (in whole or in part) within the BLM District boundaries of the Committee on which membership is sought. Nominees will be evaluated based on their education, training, and experience relating to land use issues and knowledge of the geographical area of the Committee. Nominees must also demonstrate a commitment to collaborative resource decision-making. The Obama Administration prohibits individuals who are currently federally registered lobbyists from serving on all Federal Advisory Committee Act
