

leaf mode while work crews are onsite, and to only provide a double leaf opening with a five hour advance notice. This deviation allows one half of the bridge to remain in the closed position while reducing the vertical clearance of the non-operating span by four feet to account for the installation of a moveable platform underneath the bridge.

DATES: This deviation is effective without actual notice from August 22, 2014 through 6 p.m. on January 21, 2015. For the purposes of enforcement, actual notice will be used from 7 a.m. on August 6, 2014, until August 22, 2014.

ADDRESSES: The docket for this deviation, [USCG–2014–0735] is available at <http://www.regulations.gov>. SUPPLEMENTARY INFORMATION: The Seattle Department of Transportation (SDOT) has requested a temporary deviation from the operating schedule for the Fremont Bridge, mile 2.6, crossing the Lake Washington Ship Canal at Seattle, WA. The deviation is necessary to accommodate SDOT workers for a bridge painting project. To facilitate this event, the full draw of the bridge need not open for vessel traffic

unless a five hour advance notice is provided to the bridge operator. Additionally, one half of the draw of the bridge will be maintained in the closed-to-navigation position, and the clearance reduced up to four feet. This deviation will begin at 7 a.m. on August 6, 2014 and continue until 6 p.m. on January 21, 2015.

The Fremont Bridge, mile 2.6, is a double leaf bascule bridge which provides a vertical clearance of 14 feet (31 feet of vertical clearance for the center 36 horizontal feet) in the closed position. The clearance is referenced to the mean water elevation of Lake Washington. The normal operating schedule for the Fremont Bridge is set out in 33 CFR 117.1051 and states that the bridge need not open from 7 a.m. to 9 a.m. and from 4 p.m. to 6 p.m. Monday through Friday for vessels less than 1000 tons. The normal operating schedule for this bridge also requires one hour advance notification for bridge openings between 11 p.m. and 7 a.m. daily. Waterway usage on the Lake Washington Ship Canal ranges from commercial tug and barge to small pleasure craft.

Vessels able to pass through the bridge in the closed positions may do so at any time. The bridge will be able to open one leaf, half of the draw span, for emergencies and there is no immediate alternate route for vessels to pass. The Coast Guard will also inform the users of the waterways through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessels can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the designated time period. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: August 6, 2014.

Bridge Administrator, Thirteenth Coast Guard District.

[Docket No. USCG–2012–1036]

Safety Zones; Recurring Marine Events in Captain of the Port Long Island Sound Zone

AGENCY: Coast Guard, DHS.

ACTION: Notice of enforcement of regulation.

SUMMARY: The Coast Guard will enforce a safety zone for a fireworks display in the Sector Long Island Sound area of responsibility on August 30–31, 2014. This action is necessary to provide for the safety of life on navigable waterways during the event. During the enforcement period, no person or vessel may enter the safety zone without permission of the Captain of the Port (COTP) Sector Long Island Sound or designated representative.

DATES: The regulations for the marine event listed in Table 1 to 33 CFR 165.151(9.3) will be enforced on August 30, 2014 and August 31, 2014 from 8:30 p.m. to 9:40 p.m.

FOR FURTHER INFORMATION CONTACT: If you have questions on this notice, call or email Petty Officer Ian Fallon, Waterways Management Division, U.S. Coast Guard Sector Long Island Sound; telephone 203–468–4565, email Ian.M.Fallon@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the safety zone listed in Table 1 to 33 CFR 165.151(9.3) on the specified dates and times as indicated below. The final rule establishing this safety zone was published in the **Federal Register** on May 24, 2013 (78 FR 31402).

Under the provisions of 33 CFR 165.151, the fireworks display listed

above is established as a safety zone. During the enforcement period, persons

and vessels are prohibited from entering into, transiting through, mooring, or

anchoring within the safety zone unless they receive permission from the COTP or designated representative. This notice is issued under authority of 33 CFR 165 and 5 U.S.C. 552(a). In addition to this notice in the **Federal Register**, the Coast Guard will provide the maritime community with advance notification of this enforcement period via the Local Notice to Mariners or marine information broadcasts. If the COTP determines that the safety zone need not be enforced for the full duration stated in this notice, a Broadcast Notice to Mariners may be used to grant general permission to enter the safety zone.

Dated: August 8, 2014.

[USCG-2014-0708]

RIN 1625-AA87

Security Zone: Martha's Vineyard, Massachusetts

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing two 1000-yard temporary security zones around the President of the United States (POTUS) and/or the first family in conjunction with their visit to Martha's Vineyard, Massachusetts. Vessels and people will be prohibited from entering these security zones during the effective period.

These security zones will be effective from 30 minutes prior to the arrival of the POTUS and/or the first family within 1000 yards of navigable waters of the U.S. in the the coastal areas of Chilmark and Edgartown Great Pond, Martha's Vineyard, Massachusetts, until departure of the POTUS and/or the first family from the area. These security zones are needed to safeguard the POTUS and the first family from potential threats or harm. Entry into these zones by any vessel or person is prohibited unless specifically authorized by the Captain of the Port (COTP) or the COTP's designated on-scene representative.

DATES: This rule is effective without actual notice from August 22, 2014 until

August 24, 2014 at 5:00 p.m. For the purposes of enforcement, actual notice will be used from the date the rule was signed, August 7, 2014, until August 22, 2014.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket USCG-2014-0708 and are available online by going to <http://www.regulations.gov>, inserting USCG-2014-0708 in the "Keyword" box, and then clicking "Search". A. Regulatory Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because of the sensitive security issues related to the POTUS and first family. Providing a public notice and comment period is contrary to national security concerns and the public interest.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Any delay encountered in this

temporary rule's effective date would be contrary to the public interest given the immediate need to ensure the safety and security of the POTUS and first family during their visit to Martha's Vineyard, Massachusetts, from August 08, 2014 through August 24, 2014.

B. Basis and Purpose

The legal basis for this rule is 33 U.S.C. 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Public Law 107-295, 116 Stat. 2064; and Department of Homeland Security Delegation No. 0170.1.

The POTUS and first family will visit Martha's Vineyard, Massachusetts, from August 08, 2014 through August 24, 2014. It is expected they will reside and/or participate in activities on property that borders navigable waters within the Captain of the Port, Southeastern New England zone. The U.S. Secret Service has requested that the Coast Guard provide 1000-yard waterside security zones around the POTUS and the first family. These security zones are intended to provide security for the POTUS and first family by preventing vessels and persons from approaching the location of the POTUS and first family without prior authorization from the U.S. Secret Service.

C. Discussion of Rule

This temporary rule establishes 1000-yard security zones in the navigable waters in the vicinity of the POTUS and first family during their visit to Martha's Vineyard, Massachusetts, from August 08-24, 2014. Vessels and persons will be prohibited from entering these security zones whenever they are enforced due to the presence of the POTUS and/or first family.

This rule is effective from 8:00 a.m. on Friday, August 08, 2014 through 5:00 p.m. on Sunday, August 24, 2014.

This action is intended to temporarily prohibit vessels or people from approaching within 1000 yards of the POTUS and/or first family while they are in or near the navigable waters of the U.S. during their visit to Martha's Vineyard, Massachusetts.

The Captain of the Port, Southeastern New England, anticipates negligible negative impact on vessel traffic from these temporary security zones, as they will be in effect for only sixteen days, and will only be enforced while the POTUS and/or first family are in the vicinity of the navigable waters of the U.S. at Martha's Vineyard, Massachusetts. It has been determined that the necessary security enhancements provided by this rule
