Surface Transportation Board

[Docket No. AB 933 (Sub-No. 1X)]

Dakota, Missouri Valley and Western Railroad, Inc.—Discontinuance of Service Exemption—in Burke County, ND

On August 29, 2014, Dakota, Missouri Valley and Western Railroad, Inc. (DMVW) filed with the Surface Transportation Board (Board) a petition under 49 U.S.C. 10502 for exemption from the provisions of 49 U.S.C. 10903 to discontinue rail service over two connecting lines in Burke County, N.D. The first line, known as the Flaxton-Stampede Line, is approximately 17 miles long and consists of segments between: (1) Milepost 541.0 at Flaxton and milepost 549.64 at Rival; (2) milepost 549.64 and milepost 550.8 at Lignite Junction; and (3) milepost 550.8 and milepost 558.0 near Stampede.¹ The

¹ DMVW has been operating over the Flaxton-Stampede Line since 1990 pursuant to leases and trackage rights from Canadian Pacific Railway

second line, known as the Lignite Line, is approximately 9.96 miles long and extends from milepost 550.8 (previously Burlington Northern Santa Fe (BNSF) milepost 56.96) at Lignite Junction to the end of Soo Line Railroad Company d/b/a Canadian Pacific Railway Company's ownership (previously BNSF milepost 47).² The Flaxton-Stampede Line and Lignite Line (collectively, Lines) traverse U.S. Postal Service Zip Codes 58737, 58722, 58752, 58727, and 58721.³

DMVW states that the Lines do not contain any federally granted rights-of-way. Any documentation in petitioner's possession will be made available promptly to those requesting it.

The interest of railroad employees will be protected by the conditions set forth in *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979).

By issuance of this notice, the Board is instituting an exemption proceeding pursuant to 49 U.S.C. 10502(b). A final decision will be issued by December 17, 2014.

Because this is a discontinuance proceeding and not an abandonment proceeding, trail use/rail banking and public use conditions are not appropriate. Similarly, no environmental or historic documentation is required under 49 CFR 1105.6(c)(2) and 1105.8.

Any offer of financial assistance (OFA) under 49 CFR 1152.27(b)(2) to subsidize continued rail service will be due no later than December 26, 2014, or 10 days after service of a decision granting the petition for exemption, whichever occurs sooner. Each offer must be accompanied by a \$1,600 filing fee. See 49 CFR 1002.2(f)(25).

All filings in response to this notice must refer to Docket No. AB 933 (Sub-No. 1X) and must be sent to: (1) Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001; and (2) Edward J. Fishman, K&L Gates LLP, 1601 K St. NW., Washington, DC 20006-1600. Replies to the petition are due on or before October 8, 2014.

Company (CP). See *Dakota, Missouri Valley and W. R.R.—Lease and Oper. Exemption—Soo Line R.R.*, FD 31720 (ICC served Sept. 19, 1990).

³ In June 2014, CP notified DMVW that it was removing the Lines from the parties' lease agreement so that CP could take over common carriage operations on the Lines. DMVW will retain the right to operate over the Lines for the sole purpose of exchanging railcars with CP at Flaxton.

Persons seeking further information concerning discontinuance procedures may contact the Board's Office of Public Assistance, Governmental Affairs, and Compliance at (202) 245-0238 or refer to the full abandonment and discontinuance regulations at 49 CFR part 1152. SUPPLEMENTARY INFORMATION:

I. Background

The Fiscal Service is responsible for providing reimbursable support services to federal agencies and for promoting the financial integrity and operational efficiency of the federal government through shared services. The Fiscal Service proposes to implement a Customer Relationship Management (CRM) tool to allow the bureau to manage its interactions with its external "business" customers and vendors. This tool will be configured for the enterprise using a "business to business" communication model. The CRM tool will benefit the Fiscal Service in these missions by: Centralizing customer contact data and related information, thereby providing a framework for implementing bureau-wide processes to enhance the "OneVoice" model (i.e., centralized reference point, collaborative processes, etc.); and establishing more efficient and streamlined processes with respect to customer outreach and other communication interactions.

The records covered by the proposed system of records may include personally identifiable information for work related contacts in government or state agencies, vendor organizations and other customer organizations working in conjunction with the Treasury to achieve its mission and objectives. Information that will be maintained will include: Full names, titles, physical work address, phone/fax numbers, and email address. Without such

information it would not be possible to communicate effectively with current and prospective vendors and clients. The records may be received directly by the Fiscal Service, its fiscal or financial agents, and/or contractors.

Fiscal Service recognizes the sensitive nature of the confidential information it obtains when collecting individuals' names and addresses, and has many safeguards in place to protect the information from theft or inadvertent disclosure. When appropriate, the Fiscal Service's arrangements with its fiscal and financial agents and contractors include requirements that preclude them from retaining, disclosing, and using the information for any purpose other than contacting clients and vendors for business purposes. In addition to various procedural and physical safeguards, access to computerized records is limited through the use of access codes, encryption techniques and other internal mechanisms. Fiscal Service managers only grant access to the system of records to those whose official duties require access to the information.

Information stored in the OneVoice CRM tool may be shared with other Treasury components, as well as appropriate federal, state, local, tribal, territorial, foreign, or international government agencies. This sharing will only take place after Treasury determines that the receiving Treasury component or agency has a need to know the information to carry out national security, law enforcement, immigration, intelligence, or other functions consistent with the routine uses set forth in this system of records notice. This newly established system will be included in Treasury's inventory of record systems.

As required by 5 U.S.C. 552a(r) of the Privacy Act, the report of a new system of records has been provided to the House of Representatives Committee on Oversight and Government Reform, the Senate Committee on Homeland Security and Governmental Affairs, and OMB.

The proposed new system of records, entitled "Treasury/Bureau of the Fiscal Service—.024 OneVoice Customer Relationship Management" is published in its entirety below.

II. Public Disclosure.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment including your personal identifying information may be made publicly available at any time. While you can ask us in your comment

to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
