SUPPLEMENTARY INFORMATION:

Title: Suspensions Pending Appeal and Bonding—30 CFR part 1243

OMB Control Number: 1012-0006.

Bureau Form Numbers: ONRR-4435, ONRR-4436, and ONRR-4437.

Abstract: The Secretary of the United States Department of the Interior is responsible for overseeing mineral resource development on Federal and Indian lands and the Outer Continental Shelf (OCS). Under various laws, the Secretary's responsibilities are to manage mineral resources production from Federal and Indian lands and the OCS, collect the royalties and other mineral revenues due, and distribute the funds collected under these laws. The Secretary also has a trust responsibility to manage Indian lands and seek advice and input from Indian beneficiaries. ONRR performs the minerals revenue

management functions for the Secretary and assists the Secretary in carrying out the Department's trust responsibility for Indian lands. We have posted these laws pertaining to mineral leases on Federal and Indian lands and the OCS at http://onrr.gov/Laws_R_D/PubLaws/default.htm.

If ONRR determines that a lessee has not properly reported or paid Royalties and other mineral revenues, we may issue an order to pay additional royalties, a Notice of Noncompliance, or a Civil Penalty Notice requiring correct reporting or payment. Lessees then have a right to appeal ONRR determinations.

Regulations at 30 CFR part 1243 govern the submission of appropriate surety instruments to suspend compliance with orders or decisions and to stay the accrual of civil penalties (if the Office of Hearings and Appeals grants a lessee's petition to stay accrual of civil penalties), pending administrative appeal for Federal and Indian leases. For Federal oil and gas leases, under 30 U.S.C. 1724(l) and its implementing regulations in 30 CFR part 1243, appellants who are requesting a suspension without providing a surety must submit information to demonstrate financial solvency. This ICR covers the burden hours associated with submitting financial statements or surety instruments required to stay an ONRR order, decision, or accrual of civil penalties.

Stay of Payment Pending Appeal

Title 30 CFR 1243.1 states that lessees or recipients of ONRR orders may suspend compliance with an order if they appeal under 30 CFR part 1290. Pending appeal, ONRR may suspend the payment requirement if the appellant submits a formal agreement of payment in case of default such as a bond or other surety; for Federal oil and gas leases, the appellant may demonstrate financial solvency. If the Office of Hearings and Appeals grants a lessee's, or other recipient of a Notice of Noncompliance or Civil Penalty Notice, request to stay the accrual of civil penalties under 30 CFR 1241.55(b)(2) and 1241.63(b)(2), the lessee or other recipient must post a bond or other surety, or for Federal oil and gas leases, demonstrate financial solvency.

ONRR accepts the following surety types: Form ONRR-4435, Administrative Appeal Bond; Form ONRR-4436, Letter of Credit; Form ONRR-4437, Assignment of Certificate of Deposit; Self-bonding; and U.S. Treasury Securities.

When an appellant selects and puts one of the surety types in place, the appellant must maintain the surety until
