new Federal Flood Risk Management
Standard. These draft revised
Guidelines were developed by the
Mitigation Framework Leadership
Group in consultation with the Federal
Interagency Floodplain Management
Task Force. On February 5, 2015, FEMA
published the proposed “Revised
Guidelines for Implementing Executive
Order 11988, Floodplain Management”
on behalf of the Mitigation Framework
Leadership Group to solicit and
consider public input.

The Mitigation Framework
Leadership Group has received several
comments regarding the 60-day time
period to submit comments. The
commenters stated that they needed
additional time to review and
adequately respond to the proposed
revised guidelines because of the
complex nature of the topic. Because of
the scope of the proposed revised
guidelines, and because the Mitigation
Framework Leadership Group has
specifically requested the public’s
comments on the proposed revised
guidelines in an attempt to benefit from
the experience of all interested parties,
the comment period will be extended
for an additional 30 days. This notice
announces the extension of the public
comment period to May 6, 2015.
