

Food Manufacturers or Distributors will be asked to respond a total of 960 times per year (240 Food Manufacturers or Distributors × 4 responses per year each = 960). FNS estimates Authorized Vendors will be asked to respond a total of 240 times per year (120 Authorized Vendors × 2 responses per year each = 240). All responses are voluntary.

Estimated Time per Response: 8.6 hours.

The estimated time per response varies by type of respondent. FNS expects all respondents will expend 12 hours per respondent per year to develop, maintain, and troubleshoot the electronic systems for use in transmitting information. The estimated

time required to develop, maintain, and troubleshoot electronic systems is amortized over the expected number of responses. FNS also expects all respondents will expend 2 seconds per response to transmit information to FNS electronically. Since the time required to actually transmit the information to FNS is considered negligible (total of 40 minutes per year for all respondents), it was omitted from the burden calculation. FNS expects that Food Manufacturers or Distributors will expend 6 hours per response to gather and format the requested information. Authorized Vendors are expected to expend 1 hour per response to gather

and format the requested information. The estimated time per response for Food Manufacturers or Distributors is expected to be 9 hours per response ((12 hours per year/4 responses per year) + 6 hours per response = 9 hours per response).

The estimated time per response for Authorized Vendors is expected to be 7 hours per response ((12 hours per year/2 responses per year) + 1 hour per response = 7 hours per response).

Estimated Total Annual Burden on all Respondents: 10,320 hours. The table below provides an estimated total annual burden for each type of respondent.

Respondent	Estimated number of respondents	Frequency of responses per respondent (annually)	Total annual responses	Estimated average number of hours per response	Estimated total hours
Food Manufacturers and Distributors (Voluntary)	240	4	960	9.0	8,640.0
Authorized Vendors (Voluntary)	120	2	240	7.0	1,680.0
Total Reporting Burden	360	3.33	1,200	8.6	10,320.0
