

AD order on wooden bedroom furniture from the PRC.¹⁹

Section 782(h)(2) of the Act and 19 CFR 351.222(g)(1)(i) provide that the Department may revoke an order (in whole or in part) if it determines that producers accounting for substantially all of the production of the domestic like product have expressed a lack of interest in the order, in whole or in part. In addition, in the event the Department determines that expedited action is warranted, 19 CFR 351.221(c)(3)(ii) permits the Department to combine the notices of initiation and preliminary results. In its administrative practice, the Department has interpreted “substantially all” to mean producers accounting for at least 85 percent of the total U.S. production of the domestic like product covered by the order.²⁰ Petitioners state that they agree with the exclusion request, however, because Petitioners did not indicate whether they account for substantially all of the domestic production of wooden bedroom furniture, we are providing interested parties with the opportunity to address the issue of domestic industry support with respect to this proposed partial revocation of the order, and we are not combining this notice of initiation with a preliminary determination pursuant to 19 CFR 351.221(c)(3)(ii). As explained below, this notice of initiation will afford all interested parties an opportunity to address the proposed partial revocation.

Public Comment

Interested parties are invited to provide comments and/or factual information regarding this changed circumstances review, including comments concerning industry support. Comments and factual information may be submitted to the Department no later than 14 days after the date of publication of this notice. Rebuttal comments and rebuttal factual information may be filed with the Department no later than 10 days after the comments and/or factual information are filed.²¹ All submissions must be filed electronically using Enforcement and Compliance’s AD and CVD Centralized Electronic Service

System (ACCESS).²² An electronically filed document must be received successfully in its entirety by ACCESS, by 5 p.m. Eastern Time on the due dates set forth in this notice.

The Department will issue the preliminary results of this changed circumstances review, in accordance with 19 CFR 351.221(c)(3), which will set forth the factual and legal conclusions upon which the preliminary results are based, and a description of any action proposed because of those results. Pursuant to 19 CFR 351.221(b)(4)(ii), interested parties will have an opportunity to comment on the preliminary results of the review. In accordance with 19 CFR 351.216(e), the Department will issue the final results of its AD changed circumstance review within 270 days after the date on which the review is initiated.

This initiation is published in accordance with section 751(b)(1) of the Act and 19 CFR 351.221(b)(1).

Dated: March 26, 2015.

sampling, implantable and suction-cup tagging, photo-identification, behavioral observation, passive acoustic recording, post-tag monitoring, and/or import, receive or export parts. The permit expires December 31, 2018. Dr. Mate is requesting the permit be amended to increase the number of humpback whales (*Megaptera novaeangliae*) that may be taken by Level B harassment during surveys from 1,000 to 2,000 animals annually to account for all approaches within 100 yards. No other changes to the permit or manner of research would occur.

A draft supplemental environmental assessment (SEA) has been prepared in compliance with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*), to examine whether significant environmental impacts could result from issuance of the proposed scientific research permit. The draft SEA is available for review and comment simultaneous with the scientific research permit application.

Concurrent with the publication of this notice in the **Federal Register**, NMFS is forwarding copies of this application to the Marine Mammal Commission and its Committee of Scientific Advisors.

Seamless Refined Copper Pipe and Tube From Mexico: Rescission, in Part, of Antidumping Duty Administrative Review; 2013-2014

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* April 2, 2015.

FOR FURTHER INFORMATION CONTACT: Elizabeth Eastwood or Dennis McClure, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-3874 or (202) 482-5973, respectively.

Background

On November 3, 2014, the Department of Commerce (Department) published a

notice of opportunity to request an administrative review of the antidumping duty order on seamless refined copper pipe and tube from Mexico covering the period November 1, 2013, through October 31, 2014.¹ The Department received a timely request for an antidumping duty administrative review from the petitioners (*i.e.*, Cerro Flow Products, LLC; Wieland Copper Products, LLC; Mueller Copper Tube Products, Inc.; and Mueller Copper Tube Company, Inc.) for the following companies: (1) GD Affiliates S. de R.L. de C.V. (Golden Dragon); (2) IUSA, S.A. de C.V. (IUSA); and (3) Nacional de Cobre, S.A. de C.V. (Nacobre). The Department also received timely requests for an antidumping duty administrative review from Golden Dragon, IUSA, and Nacobre. On December 23, 2013, the Department published a notice of initiation of administrative review with respect to these companies.²

On January 27, 2015, March 17, 2015, and March 19, 2015, IUSA, Golden Dragon, and Nacobre, respectively, withdrew their requests for an administrative review. On March 23, 2015, the petitioners withdrew their request for an administrative review for IUSA and Nacobre. All of these submissions were timely, pursuant to 19 CFR 351.213(d)(1).

Rescission, in Part

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. In this case, all requests were submitted within the 90-day period and, thus, are timely. Because these withdrawals of requests for an antidumping duty administrative review are timely, in accordance with 19 CFR 351.213(d)(1), we are rescinding this administrative review with respect to IUSA and Nacobre. However, we are continuing the administrative review with respect to Golden Dragon because the petitioners have requested a review of this company, and we did not receive a timely withdrawal of review request from the petitioners with respect to it.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to

¹ See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 79 FR 65176 (November 3, 2014).

² See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 79 FR 76956 (December 23, 2014).

assess antidumping duties on all appropriate entries. For the companies for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: March 27, 2015.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
