ADDRESSES: Three Rivers Convention Center, 7016 West Grandbridge Boulevard, Kennewick, Washington 99352.

Status: Open. The Board has determined that an open meeting furthers the public interest underlying both the Government in the Sunshine Act and the Board's enabling legislation. The proceeding is being noticed as both a meeting under the Government in the Sunshine Act and a hearing under the Board's enabling legislation. At the conclusion of Session II, the Board is expected to deliberate and then potentially vote on a staff proposal. Deliberations and voting will proceed in accordance with the Board's operating procedures concerning the conduct of meetings.

Matters To Be Considered: In the Session I hearing, the Board will receive testimony from senior officials from the Department of Energy (DOE) Headquarters, from the Manager for DOE's Office of River Protection (ORP), and from the Federal Project Director for the Waste Treatment and Immobilization Plant (WTP) regarding the current status of DOE efforts to

improve safety culture at WTP. The Board will consider several topics related to safety culture. DOE's Office of Independent Enterprise Assessment will be given the opportunity to discuss the concerns identified in the WTP independent safety culture assessments. DOE's Office of Environmental Management and ORP are expected to discuss actions to strengthen and sustain a healthy safety culture at WTP. Testimony will also address actions taken by DOE to assess the effectiveness of their improvements in safety culture and the tools being used to track future progress. After a brief recess, the Board will convene the Session II meeting. The Board will receive testimony from a senior Board technical staff employee concerning DOE's efforts to improve safety culture at WTP and a staff proposal for possible approaches to closing Recommendation 2011-1, Safety Culture at the Waste Treatment and Immobilization Plant. BILLING CODE 3670-01-P

DEPARTMENT OF EDUCATION

[Docket ID ED-2015-OESE-0047]

Final Waiver and Extension of the Project Period; Territories and Freely Associated States Education Grant Program

[Catalog of Federal Domestic Assistance (CFDA) Number: 84.256A.]

AGENCY: Office of Elementary and Secondary Education, Department of Education.

ACTION: Final waiver and extension of the project period.

SUMMARY: For the 36-month projects funded in fiscal year (FY) 2012 under the Territories and Freely Associated States Education Grant (T&FASEG) program, the Secretary waives the requirement that prohibits the extension of project periods involving the obligation of additional Federal funds. The Secretary also extends the project period of these grants for up to an additional 24 months. The waiver and extension enables the five current T&FASEG grantees to continue to receive Federal funding annually for project periods through FY 2016 and possibly through FY 2017. In addition, during this period, the Pacific Regional Educational Laboratory (Pacific REL) will continue to receive funds set aside for technical assistance under the T&FASEG program. Further, the waiver and extension mean that we will not announce a new competition or make new awards in FY 2015.

DATES: The waiver and extension of the project period are effective July 27, 2015.
