**OFFICE OF PERSONNEL
MANAGEMENT**

**Privacy Act of 1974; Routine Use
Implementation; System of Records**

AGENCY: U.S. Office of Personnel
Management.

ACTION: Notice; Routine Use
Implementation and Response to
Comments.

SUMMARY: Pursuant to the provisions of
the Privacy Act of 1974, 5 U.S.C. 552a,
and Office of Management and Budget
(OMB), Circular No. A-130, notice is
given that the U.S. Office of Personnel
Management is implementing the
modification, proposed in 80 FR 42133,
to all of its systems of records, as
identified in the list below.

SUPPLEMENTARY INFORMATION: On July
16, 2015, OPM published a notice to
establish a new Privacy Act routine use
which is applicable to all OPM systems
of records. The new routine use allows
OPM to disclose information to
appropriate persons and entities for
response and remediation purposes in
the event of suspected or confirmed
compromise of information in any of its
systems. 80 FR 42133 (July 16, 2015).
The July 16th notice invited comments
on the new routine use until August 17,
2015. OPM received 5 comments during
this period. After reviewing and

considering the comments, OPM has
decided to implement the new routine
use without substantive alteration. A
description of the comments and OPM's
corresponding responses are included
below.

Two Federal agencies requested
administrative changes that were
unrelated to the form or substance of
this routine use. In response to one
agency comment, OPM re-listed all of
the OPM systems to which the new
routine use will apply, including OPM/
Central-19, which had been
inadvertently left out of the prior notice.
OPM determined that the other
suggested changes do not affect
implementation of the newly proposed
use because they pertain specifically to
other OPM systems of records.
Therefore, those suggestions will be
considered in future updates to notices
regarding those systems.

OPM also received comments from a
non-governmental organization
regarding the location of certain records
in other OPM systems and requesting
notice in the event that those systems
are compromised. OPM plans to
continue fulfilling its breach
notification responsibilities whenever
appropriate and will respond separately
to the organization with regard to its
other comments, which seek OPM's
response to a previous communication.

Finally, one individual and one
Federal employee union sought
information about security measures
that would be taken to convey
information shared outside of OPM
pursuant to the new routine use. As
with information shared outside the
agency pursuant any routine use
associated with its systems, OPM will
transmit such information in accordance

with applicable information security
laws, guidelines, and standards
including, but not limited to, the
Federal Information Security
Management Act (Pub. L. 107-296), and
associated OMB policies, standards and
guidance from the National Institute of
Standards and Technology.

The individual commenter and
employee union also questioned
whether the routine use is appropriately
tailored to address activities related to
the suspected or confirmed compromise
of information, OPM adopted the model
language developed by the Office of
Management and Budget (OMB
Memorandum 07-16, Safeguarding
Against and Responding to the Breach
of Personally Identifiable Information,
Attachment 2) and adopted by a number
of other Federal agencies. As drafted,
this routine use permits the agency to
protect sensitive information contained
in OPM's systems while also facilitating
mitigation and prevention activities in
the event of confirmed or suspected
compromise of information. Therefore,
OPM has adopted the new routine use,
first published on July 16, 2015, without
further change.

A description of the modification to
the agency's systems of records is
provided below. In accordance with 5
U.S.C. 552a(r), the agency has provided
a report to OMB and the Congress.
