Certain Coated Paper Suitable for High-Quality Print Graphics Using Sheet-Fed Presses From the People's Republic of China: Final Results of Expedited Sunset Review of the Countervailing Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) finds that revocation of the countervailing duty (CVD) order on certain coated paper suitable for high-quality print graphics using sheet-fed presses (Certain Coated Paper) from the People's Republic of China (PRC) would be likely to lead to continuation or recurrence of a countervailable subsidy at the levels indicated in the Final Results of Review section of this notice.

DATES: *Effective date:* February 10, 2016.

FOR FURTHER INFORMATION CONTACT: Mark Kennedy, Office I, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-7883.

SUPPLEMENTARY INFORMATION:

Background

On October 1, 2015, the Department initiated a sunset review of the *CVD Order*¹ on coated paper from the PRC pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).² On October 15, 2015, the Department received a notice of intent to participate in the review on behalf of Verso Corporation (Verso), S.D. Warren Company d/b/a Sappi North America (Sappi), Appleton Coated LLC (Appleton), and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, AFL-CIO, CLC (USW) (collectively, the petitioners) within the deadline specified in 19 CFR 351.218(d)(1). Verso, Sappi, and Appleton claimed interested party status under section 771(9)(C) of the Act, as domestic producers of the domestic like product. The USW claimed interested party status under section 771(9)(D) of the Act as a certified union or recognized union or group of workers which is representative of an industry engaged in the manufacture, production, or wholesale in the United States of a domestic like product.

The Department received adequate substantive responses collectively from the domestic industry within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). The Department did not receive a substantive response from the Government of the PRC or any respondent interested party to the proceeding. Because the Department received no response from the respondent interested parties, the Department conducted an expedited review of this *CVD Order*, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(B)(2) and (C)(2).

As explained in the memorandum from the Acting Assistant Secretary for Enforcement and Compliance, the Department has exercised its discretion to toll all administrative deadlines due to the recent closure of the Federal Government. All deadlines in this segment of the proceeding have been extended by four business days. The revised deadline for the final results of this expedited sunset review is now March 4, 2016.³
