

What rules must I follow while fishing in the NAFO regulatory area?

U.S. applicant vessels must be in possession of, or obtain, a valid HSFCA permit, which is available from the NMFS Greater Atlantic Regional Fisheries Office. All permitted vessels must comply with all applicable provisions of the Convention on Future Multilateral Cooperation in the Northwest Atlantic Fisheries and the CEM. We reserve the right to impose additional permit conditions that ensure compliance with the NAFO Convention and the CEM, the Magnuson-Stevens Fishery Conservation and Management Act and any other applicable law.

The CEM provisions include, but are not limited to:

- Maintaining a fishing logbook with NAFO-designated entries (Annex II.A and Article 28);
- Adhere to NAFO hail system requirements (Annexes II.D and II.F; Article 28; Article 30 part B)
- Carry an approved on-board observer consistent with requirements of Article 30 part A;
- Maintain and use a functioning, autonomous vessel monitoring system authorized by issuance of the HSFCA permit as required by Articles 29 and 30;

• All relevant NAFO CEM requirements including minimum fish sizes, gear, bycatch retention and per-tow move on provisions for exceeding bycatch limits in any one haul/set.

Further details regarding U.S. and NAFO requirements are available from the NMFS Greater Atlantic Regional Fisheries Office, and can also be found in the 2016 NAFO CEM on the Internet (<http://www.nafo.int/fisheries/frames/cem.html>).

Note that vessels issued valid HSFCA permits under 50 CFR part 300 are exempt from certain domestic fisheries regulations governing fisheries in the Northeast United States found in 50 CFR part 648: Northeast multispecies and monkfish permit, mesh size, effort-control, and possession limit restrictions (§§ 648.4, 648.80, 648.82, 648.86, 648.87, 648.91, 648.92, and 648.94) while transiting the U.S. exclusive economic zone (EEZ) with multispecies and/or monkfish on board the vessel, or landing multispecies and/or monkfish in U.S. ports that were caught while fishing in the NAFO Regulatory Area, provided:

1. The vessel operator has a letter of authorization issued by the Regional Administrator on board the vessel;
2. For the duration of the trip, the vessel fishes, except for transiting purposes, exclusively in the NAFO

Regulatory Area and does not harvest fish in, or possess fish harvested in, or from, the U.S. EEZ;

3. When transiting the U.S. EEZ, all gear is properly stowed and not available for immediate use as defined under § 648.2; and

4. The vessel operator complies with the provisions, conditions, and restrictions specified on the HSFCA permit and all NAFO CEM while fishing in the NAFO Regulatory Area.

Dated: February 24, 2016.

John H. Henderschedt,

Director, NOAA Fisheries Office of International, Affairs and Seafood Inspection.

BILLING CODE 3510-22-P

DEPARTMENT OF DEFENSE

Department of the Air Force

U.S. Air Force Scientific Advisory Board Notice of Meeting

AGENCY: Department of the Air Force, Air Force Scientific Advisory Board.

ACTION: Meeting notice.

SUMMARY: Under the provisions of the Federal Advisory Committee Act of 1972 (5 U.S.C., Appendix, as amended), the Government in the Sunshine Act of 1976 (5 U.S.C. 552b, as amended), and 41 CFR 102-3.150, the Department of Defense announces that the United States Air Force (USAF) Scientific Advisory Board (SAB) Spring Board meeting will take place on 19 April 2016 at the 612th Air Operations Center, located at 2915 S Twelfth AF Drive, Davis-Monthan AFB, AZ, 85707-4100. The meeting will occur from 7:30 a.m.–12:00 p.m. on Tuesday, 19 April 2016. The session open to the *general public* will be held from 7:30 a.m. to 8:00 a.m. on 19 April 2016. The purpose of this Air Force Scientific Advisory Board quarterly meeting is to conduct a midterm review of FY16 SAB studies, which consist of: (1) Directed Energy Maturity for Airborne Self-Defense Applications, (2) Data Analytics to Support Operational Decision Making, (3) Responding to Uncertain or Adaptive Threats in Electronic Warfare, and (4) Airspace Surveillance to Support A2/AD Operations. In accordance with 5 U.S.C. 552b, as amended, and 41 CFR 102-3.155, a number of sessions of the USAF SAB Spring Board meeting will be closed to the public because they will discuss classified information and matters covered by Section 552b of Title 5, United States Code, subsection (c), subparagraph (1).

Any member of the public that wishes to attend this meeting or provide input to the USAF SAB must contact the USAF SAB meeting organizer at the phone number or email address listed below at least ten working days prior to the meeting date. Please ensure that you submit your written statement in accordance with 41 CFR 102-3.140(c) and section 10(a)(3) of the Federal Advisory Committee Act. Statements being submitted in response to the agenda mentioned in this notice must be received by the USAF SAB meeting organizer at the address listed below at least five calendar days prior to the meeting commencement date. The USAF SAB meeting organizer will review all timely submissions and respond to them prior to the start of the meeting identified in this notice. Written statements received after this date may not be considered by the USAF SAB until the next scheduled meeting.

FOR FURTHER INFORMATION CONTACT: The USAF SAB meeting organizer, Major Mike Rigoni at, michael.j.rigoni.mil@mail.mil or 240-612-5504, United States Air Force Scientific Advisory Board, 1500 West Perimeter Road, Ste. #3300, Joint Base Andrews, MD 20762.

Henry Williams,

Civ, DAF, Acting Air Force Federal Register Liaison Officer.

BILLING CODE 5001-10-P

DEPARTMENT OF DEFENSE

Office of the Secretary

[Docket ID: DoD-2015-HA-0132]

Submission for OMB Review; Comment Request

ACTION: Notice.

SUMMARY: The Department of Defense has submitted to OMB for clearance, the following proposal for collection of information under the provisions of the Paperwork Reduction Act.

DATES: Consideration will be given to all comments received by March 30, 2016.

FOR FURTHER INFORMATION CONTACT: Fred Licari, 571-372-0493.

SUPPLEMENTARY INFORMATION:

Title, Associated Form and OMB Number: DD Form 2876, TRICARE Prime Enrollment, Disenrollment, and Primary Care Manager (PCM) Change Form, OMB Control Number 0720-0008.

Type of Request: Revision.

Number of Respondents: 148,033.

Responses per Respondent: 1.

Annual Responses: 148,033.

Average Burden per Response: 15 minutes.

Annual Burden Hours: 37,008.

Needs and Uses: The information collection requirement is necessary to obtain the TRICARE beneficiary's personal information needed to: (1) Complete his/her enrollment into TRICARE Prime health plan, (2) change the beneficiary's enrollment (new Primary Care Manager, enrolled region, add/drop a dependent, etc.), or (3) disenroll the beneficiary. All TRICARE beneficiaries have the option of enrolling, changing their enrollment or disenrolling using the DD Form 2876, the Beneficiary Web Enrollment (BWE) portal, or by calling their regional Managed Care Support Contractor (MCSC). Although the telephonic enrollment/change is the preferred method by the large majority of beneficiaries, many beneficiaries prefer using the form to document their enrollment date and preferences.

Affected Public: Individuals and households.

Frequency: On occasion.

Respondent's Obligation: Required to Obtain or Retain Benefits.

OMB Desk Officer: Ms. Stephanie Tatham.

Comments and recommendations on the proposed information collection should be emailed to Ms. Stephanie Tatham, DoD Desk Officer, at Oira_submission@omb.eop.gov. Please identify the proposed information collection by DoD Desk Officer and the Docket ID number and title of the information collection.

You may also submit comments and recommendations, identified by Docket ID number and title, by the following method:

- Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions for submitting comments.

Instructions: All submissions received must include the agency name, Docket ID number and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the Internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

DOD Clearance Officer: Mr. Frederick Licari.

Written requests for copies of the information collection proposal should be sent to Mr. Licari at WHS/ESD Directives Division, 4800 Mark Center Drive, East Tower, Suite 02G09, Alexandria, VA 22350-3100.

Dated: February 24, 2016.

Aaron Siegel,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

BILLING CODE 5001-06-P

DEPARTMENT OF EDUCATION

Applications for New Awards; Educational Technology, Media, and Materials for Individuals with Disabilities—Stepping-up Technology Implementation

AGENCY: Office of Special Education and Rehabilitative Services, Department of Education.

ACTION: Notice.

Overview Information:

Educational Technology, Media, and Materials for Individuals with Disabilities—Stepping-up Technology Implementation

Notice inviting applications for new awards for fiscal year (FY) 2016.

Catalog of Federal Domestic Assistance (CFDA) Number: 84.327S.

DATES: Applications Available: February 29, 2016.

Deadline for Transmittal of Applications: April 14, 2016.

Deadline for Intergovernmental Review: June 13, 2016.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purposes of the Educational Technology, Media, and Materials for Individuals with Disabilities Program are to: (1) improve results for students with disabilities by promoting the development, demonstration, and use of technology; (2) support educational activities designed to be of educational value in the classroom for students with disabilities; (3) provide support for captioning and video description that is appropriate for use in the classroom; and (4) provide accessible educational materials to students with disabilities in a timely manner.

Priorities: This competition has one absolute priority and one competitive preference priority. In accordance with 34 CFR 75.105(b)(2)(v), the absolute priority is from allowable activities specified in the statute (see sections 674 and 681(d) of the Individuals with Disabilities Education Act (IDEA) (20 U.S.C. 1400 *et seq.*)). In accordance with 34 CFR 75.105(b)(2)(ii), the competitive preference priority is from 34 CFR 75.226.

Absolute Priority: For FY 2016 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet this priority.

This priority is:

Educational Technology, Media, and Materials for Individuals with Disabilities—Stepping-up Technology Implementation.

Background:

The purpose of this priority is to fund cooperative agreements to: (a) Identify strategies needed to effectively implement evidence-based technology tools¹ that benefit students with disabilities; and (b) develop and disseminate products² that will help a broad range of schools and early intervention programs to effectively implement these technology tools. As Congress recognized in IDEA, “almost 30 years of research and experience has demonstrated that the education of children with disabilities can be made more effective by . . . supporting the development and use of technology, including assistive technology devices and assistive technology services, to maximize accessibility for children with disabilities” (section 601(c)(5)(H) of IDEA).

The use of technology, including assistive technology devices and assistive technology services, enhances instruction and access to the general education curriculum. Technology can be the great equalizer in a classroom for students with disabilities. Educators often face major obstacles when it comes to engaging and motivating students who struggle with the general education curriculum. Innovative technology tools, programs, and software can be used to promote engagement and enhance the learning experience (Brunvand & Byrd, 2011). Additionally, the development of newer technologies for, and their presence in, early childhood education settings is rapidly increasing. When media-rich content is integrated into the curriculum and supported with adult guidance,

¹ For the purposes of this priority, “technology tools” may include, but are not limited to, digital math text readers for students with visual impairment, reading software to improve literacy and communication development, text-to-speech software to improve reading performance, infant stimulation tools, and other technology tools. These tools must assist or otherwise benefit students with disabilities.

² For the purposes of this priority, “products” may include, but are not limited to, instruction manuals, lesson plans, demonstration videos, ancillary instructional materials, and professional development modules such as collaborative groups, coaching, mentoring, or online supports.
