Notice of 2-year Extension of the Temporary Closure of the Ash Springs Recreation Site on Public Lands in Lincoln County, NV

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: This is to notify the public that a 2-year extension of the temporary

closure is in effect on public lands at the Ash Springs Recreation Site administered by the Bureau of Land Management (BLM) Ely District, Caliente Field Office as authorized under the provisions of the Federal Land Policy and Management Act of 1976 and pursuant to BLM regulations.

The Ash Springs Recreation Site located in Lincoln County, Nevada, has been closed for public safety purposes and resource protection for federally listed endangered species and BLM sensitive species.

DATES: This extension of the temporary closure is in effect on the date of publication of this notice in the **Federal Register** and expires on April 13, 2018.

FOR FURTHER INFORMATION CONTACT: Christopher Carlton, Caliente Field Manager, 775-726-8100, email ccarlton@blm.gov. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question for the above individuals. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The Ash Springs Recreation Site is located approximately 100 miles north of Las Vegas along U.S. Highway 93 in Pahranaagat Valley in Lincoln County. The recreation site is defined by an existing fence and the closed lands are limited to the fenced area. The affected public lands are described as follows:

Mount Diablo Meridian

T. 6 S., R. 61 E., sec. 6, Lot 8.

The lands described contain 1.18 acres, more or less, in Lincoln County.

An extension of the temporary closure of the Ash Springs Recreation Site is necessary. The BLM currently is in the process of developing a management plan and environmental assessment (EA). The plan will determine the type and level of recreational uses suitable for the site, while protecting habitat for the endangered White River springfish and for three BLM Nevada sensitive species: Pahranaagat naucorid bug, Grated tryonia, and Pahranaagat pebblesnail. The BLM will analyze any actions for repairing, rehabilitating, and/or reopening the site through the EA in compliance with the National Environmental Policy Act, incorporating public comments.

The BLM analyzed the original temporary closure through an EA #DOI-BLM-NV-L030-0013-0032-EA. The document analyzed the action of temporarily closing the public lands of

the Ash Spring Recreation Site to public uses. BLM issued a decision to temporarily close the site on January 29, 2014. The impacts associated with this extension of the original temporary closure are the same as the impacts disclosed in the EA identified above.

This extended temporary closure order is posted at the BLM Ely District Office, Ely, Nevada, and at the Caliente Field Office, Caliente, Nevada. This extended temporary closure applies to all members of the public except: (1) BLM personnel for administrative purposes; (2) Emergency and law enforcement personnel and vehicles while being used for emergency or administrative purposes; and (3) Any person authorized by the Ely District Manager or the Caliente Field Manager. If the BLM is unable to negate the risks to public safety and endangered species habitat, the BLM may consider other options for managing the site.

Enforcement: Any person who violates this closure may be tried before a United States Magistrate and fined in accordance with 18 U.S.C. 3571, imprisoned no more than 12 months under 43 U.S.C. 1733(a) and 43 CFR 8360.0-7, or both. In accordance with 43 CFR 8365.1-7, State or local officials may also impose penalties for violations of Nevada law.

Authority: 43 CFR 8364.1

Manager, Caliente Field Office.

Notice of Intent To Repatriate Cultural Items: History Colorado, Formerly Colorado Historical Society, Denver, CO

AGENCY: National Park Service, Interior.
ACTION: Notice.

SUMMARY: History Colorado, in consultation with the appropriate Indian tribes or Native Hawaiian organizations, has determined that the cultural items listed in this notice meet the definition of unassociated funerary objects. Lineal descendants or representatives of any Indian tribe or Native Hawaiian organization not identified in this notice that wish to claim these cultural items should submit a written request to History Colorado. If no additional claimants

come forward, transfer of control of the cultural items to the lineal descendants, Indian tribes, or Native Hawaiian organizations stated in this notice may proceed.

DATES: Lineal descendants or representatives of any Indian tribe or Native Hawaiian organization not identified in this notice that wish to claim these cultural items should submit a written request with information in support of the claim to History Colorado at the address in this notice by May 13, 2016.

ADDRESSES: Sheila Goff, 1200 Broadway, Denver, CO 80203, telephone (303) 866-4531, email sheila.goff@state.co.us.

SUPPLEMENTARY INFORMATION: Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3005, of the intent to repatriate cultural items under the control of History Colorado that meet the definition of unassociated funerary objects, under 25 U.S.C. 3001.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American cultural items. The National Park Service is not responsible for the determinations in this notice.

History and Description of the Cultural Items

In or about 1915, private citizens removed three cultural items from a Ute grave located near the former White River Indian Agency, CO. They were donated to the museum in 1927. The three unassociated funerary objects are one set of thin, undecorated copper bracelets, one leather belt decorated with copper studs, and one rifle fragment. The rifle is of the type used in the early 1870s. The human remains were never in the possession of History Colorado.

Geographical evidence, burial context, and museum records support affiliation with the Ute Indian Tribe of the Uintah & Ouray Reservation, Utah. The three northern Ute bands once living at the White River Indian Agency were removed from Colorado in 1880 and are now part of the Ute Indian Tribe of the Uintah & Ouray Reservation, Utah.

Determinations Made by History Colorado

Officials of the History Colorado have determined that:

- Pursuant to 25 U.S.C. 3001(3)(B), the three cultural items described above

are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony and are believed, by a preponderance of the evidence, to have been removed from a specific burial site of a Native American individual.

- Pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity that can be reasonably traced between the unassociated funerary objects and Ute Indian Tribe of the Uintah & Ouray Reservation, Utah.

Additional Requestors and Disposition

Lineal descendants or representatives of any Indian tribe or Native Hawaiian organization not identified in this notice that wish to claim these cultural items should submit a written request with information in support of the claim to Sheila Goff, 1200 Broadway, Denver, CO 80203, telephone (303) 866-4531, email sheila.goff@state.co.us, by May 13, 2016. After that date, if no additional claimants have come forward, transfer of control of the unassociated funerary objects to the Ute Indian Tribe of the Uintah & Ouray Reservation, Utah may proceed.

History Colorado is responsible for notifying the Southern Ute Indian Tribe of the Southern Ute Indian Reservation, Colorado; the Ute Indian Tribe of the Uintah & Ouray Reservation, Utah and the Ute Mountain Tribe of the Ute Mountain Reservation, Colorado, New Mexico and Utah that this notice has been published.
