Approval and Promulgation of Air Quality Implementation Plans; Pennsylvania; 2011 Base Year Inventories for the 2008 8-Hour Ozone National Ambient Air Quality Standard for the Allentown-Bethlehem-Easton, Lancaster, Pittsburgh-Beaver Valley, and Reading Areas, and the Pennsylvania Portion of the Philadelphia-Wilmington-Atlantic City Area

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) proposes to approve the 2011 base year inventories for the 2008 8-hour ozone national ambient air quality standard (NAAQS) for the Allentown-Bethlehem-Easton, Lancaster, Pittsburgh-Beaver Valley, and Reading nonattainment areas, and the Pennsylvania portion of the Philadelphia-Wilmington-Atlantic City nonattainment area, submitted by the Commonwealth of Pennsylvania as a revision to the Pennsylvania State Implementation Plan (SIP). In the Rules and Regulations section of this issue of the **Federal Register**, EPA is approving Pennsylvania's SIP submittal as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse comments. The rationale for the approval is set forth in the direct final rule. More detailed descriptions of the state submittal and EPA's evaluation are included in Technical Support Documents (TSD) prepared in support of this rulemaking

action. Copies of the TSDs are available, upon request, from the EPA Regional Office listed in the **ADDRESSES** section of this document or are also available electronically within the Docket for this rulemaking action. If no adverse comments are received in response to this action, no further activity is contemplated. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period. Any parties interested in commenting on this action should do so at this time.

DATES: Comments must be received in writing by May 26, 2016.
