

made at the request of the individual to whom the record pertains.

POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM:

STORAGE:

Records in this system are stored electronically in secure facilities. Electronic files are stored in case files on secure servers. Electronic files are replicated at a disaster recovery offsite location in case of loss of computing capability or other emergency at the primary facility. ADAMS does not have paper records.

RETRIEVABILITY:

Records are retrieved using computer search by the FHA case number, property address (including other geographical characteristics such as contract area, property state/city/county/zip code, Homeownership Center), or contractor ID or name, or non-profit/government agency name.

SAFEGUARDS:

Records are maintained in a secured computer network. Access is limited to authorized personnel. ADAMS access requires two levels of logins to access the system. The first login uses HUD Siteminder system to verify that the user has active HUD authorization. The second login uses ADAMS internal security system to set permissions for data access and system functionality.

RETENTION AND DISPOSAL:

In accordance with General Records Schedule 1.1, Financial Management and Reporting Records, Items 010 and 011, the records are maintained for six years or when business use ceases. Paper records are not in use. Backup and Recovery digital media will be destroyed or otherwise rendered irrecoverable per NIST SP 800-88 "Guidelines for Media Sanitization" (September 2006).

SYSTEM OWNER AND ADDRESS:

Ivery Himes, Director, Office of Single Family Asset Management, Room 9178, 451 Seventh Street SW., Washington, DC 20410.

NOTIFICATION AND RECORD ACCESS PROCEDURES:

For information, assistance, or inquiry about the existence of records, contact Helen Goff Foster, Chief Privacy Officer/Senior Agency Official for Privacy, 451 Seventh Street SW., Room 10139, Washington, DC 20410, telephone number (202) 402-6838. When seeking records about yourself from this system of records or any other HUD system of records, your request must conform

with the Privacy Act regulations set forth in 24 CFR part 16. You must first verify your identity, meaning that you must provide your full name, current address, and date and place of birth. You must sign your request, and your signature must either be notarized or submitted under 28 U.S.C. 1746, a law that permits statements to be made under penalty of perjury as a substitute for notarization. In addition, your request should:

- a. Explain why you believe HUD would have information on you.
- b. Identify which Office of HUD you believe has the records about you.
- c. Specify when you believe the records would have been created.
- d. Provide any other information that will help the FOIA staff determine which HUD office may have responsive records.

If your request is seeking records pertaining to another living individual, you must include a statement from that individual certifying their agreement for you to access their records. Without the above information, the HUD FOIA Office may not be able to conduct an effective search, and your request may be denied due to lack of specificity or lack of compliance with applicable regulations.

CONTESTING RECORD PROCEDURES:

The Department's rules for contesting contents of records and appealing initial denials appear in 24 CFR part 16, Procedures for Inquiries. Additional assistance may be obtained by contacting Helen Goff Foster, Chief Privacy Officer/Senior Agency Official for Privacy, 451 Seventh Street SW., Room 10139, Washington, DC 20410, or the HUD Departmental Privacy Appeals Officers, Office of General Counsel, Department of Housing and Urban Development, 451 Seventh Street SW., Washington, DC 20410.

RECORD SOURCE CATEGORIES:

Purchasers, Non-profit and State, local Government entities, M&M contractors, and HUD employees, HUD Form 9548.

EXEMPTIONS FROM CERTAIN PROVISIONS OF THE ACT:

None.

Announcement of National Earthquake Prediction Evaluation Council

AGENCY: U.S. Geological Survey, Department of the Interior.

ACTION: Notice of meeting.

SUMMARY: Pursuant to Public Law 106-503, the National Earthquake Prediction Evaluation Council (NEPEC) will hold its next meeting by phone. The Committee is comprised of members from academia and the Federal government. The Committee provides advice and recommendations to the Director of the USGS on earthquake predictions and related scientific research.

In this brief meeting by phone, the Council will receive updates on the status of pertinent activities of the Earthquake Hazards Program, and will deliver its recommendations on the testing of earthquake prediction hypotheses.

DATES: The meeting will be held from 12 Noon to 2:00 p.m. EDT on September 1, 2016.

FOR FURTHER INFORMATION CONTACT: Dr. Michael Blanpied, U.S. Geological Survey, MS 905, 12201 Sunrise Valley Drive, Reston, Virginia 20192, (703) 648-6696, mblanpied@usgs.gov.

SUPPLEMENTARY INFORMATION: Meetings of the National Earthquake Prediction Evaluation Council are open to the public. Those wishing to attend may contact Dr. Blanpied for further information. Those wishing to provide a brief statement to the Council may do so with prior arrangement.

William Leith,

Senior Science Advisor for Earthquake and Geologic Hazards.
