

commercial services necessary in wilderness. FEIS Alternative 4 was modified to reduce the service days available in the Pasayten Wilderness to 1,640, and in the Lake Chelan-Sawtooth to 737 based on the 2016 Needs Assessment. The SEIS will also supplement, clarify, and update other information in the FEIS.

The Responsible Official is Michael R. Williams, Forest Supervisor, Okanogan-Wenatchee National Forest, 215 Melody Lane, Wenatchee, WA 98801.

The Responsible Official will decide whether or not to issue term permits to the outfitters described in the proposed action presented in the FEIS and SEIS based on one or a combination of alternatives in the FEIS and/or SEIS. He will also decide what, if any, mitigation measures and monitoring are needed. The criteria that will be used to select among the alternatives are: (1) To what extent each alternative responds to applications for special use permits in a manner that provides stability to outfitter-guide businesses to allow financial commitments necessary to continue to provide public service; (2) the extent to which each alternative meets the minimum extent necessary for commercial services in Wilderness, to provide for wilderness appropriate activities, and protect wilderness character while providing pack and saddle stock outfitter-guide commercial services in the Pasayten and Lake Chelan-Sawtooth Wilderness areas; (3) the extent to which each alternative designates an amount of campsite barren core in wilderness used by the pack and saddle stock outfitter-guide that is compatible with party size, and (4) the effects of each alternative on the environment, particularly those aspects of the environment identified as Significant Issues.

In the final SEIS, the Forest Service is required to respond to comments and responses received during the comment period that pertain to the environmental consequences discussed in the draft SEIS and applicable laws, regulations, and policies considered in making a decision regarding the proposal. The Forest Supervisor for the Okanogan-Wenatchee National Forest will be the Federal responsible official for this SEIS. The new Record of Decision will be based on both the FEIS and SEIS, and the Forest Supervisor's decision will be subject to objection pursuant to 36 CFR 218.

Dated: August 19, 2016.

Michael R. Williams,

Forest Supervisor, Okanogan-Wenatchee National Forest.
