The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork

Reduction Act of 1995, effective October 1, 1995. This notice includes revisions of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency’s burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

(OMB), Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, Email address: *OIRA_Submission@omb.eop.gov*. I. The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. 1. *Supplemental Security Income (SSI)—Quality Review Case Analysis—0960-0133*. To assess the SSI program and ensure the accuracy of its payments, SSA conducts legally mandated periodic SSI case analysis quality reviews. SSA uses Form SSA-8508 to conduct these reviews, collecting information on operating efficiency; the quality of underlying policies; and the effect of incorrect payments. SSA also uses the data to determine SSI program payment accuracy rate, which is a performance measure for the agency’s service delivery goals. Respondents are recipients of SSI payments selected for quality reviews.

Type of Request: Revision of an OMB approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minute)	Estimated annual burden (hours)
SSA-8508-BK (paper interview)	225	1	60	225
SSA-8508-BK (electronic)	4,275	1	60	4,275

Title II of the Social Security Act provides retirement, survivors, and disability benefits to members of the public who meet the required eligibility criteria and file the appropriate application. This collection comprises the various application methods for each type of benefits. SSA uses the information we gather through the multiple information collection tools in this information collection request to determine applicants’

eligibility for specific Social Security benefits, as well as the amount of the benefits. Individuals filing for disability benefits can, and in some instances SSA may require them to, file applications under both Title II, Social Security disability benefits, and Title XVI, SSI payments. We refer to disability applications filed under both titles as “concurrent applications.” This collection comprises the various application methods for each type of benefits. These methods include the following modalities: Paper forms (Forms SSA-1, SSA-2, and SSA-16); Modernized Claims System (MCS)

screens for in-person interview applications; and Internet-based iClaim and iAppointment applications. SSA uses the information we collect through these modalities to determine: (1) The applicants’ eligibility for the above-mentioned Social Security benefits and (2) the amount of the benefits. The respondents are applicants for retirement, survivors, and disability benefits under title II of the Social Security Act.

Request to Withdraw a Hearing Request; Request to Withdraw an Appeals Council Request for Review; and Administrative Review Process for Adjudicating Initial Disability Claims—20 CFR parts 404, 405, and 416—0960–0710. Claimants have a statutory right under the Act and current regulations to apply for Social Security Disability
