SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-79242; File No. SR-NYSEMKT-2016-97]

Self-Regulatory Organizations; NYSE MKT LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Adopting New Rules To Reflect the Implementation of Pillar, the Exchange's New Trading Technology

November 4, 2016.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that on October 25, 2016, NYSE MKT LLC (the "Exchange" or "NYSE MKT") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to adopt new rules to reflect the implementation of

Pillar, the Exchange's new trading technology. The proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

On January 29, 2015, the Exchange announced the implementation of Pillar, which is an integrated trading technology platform designed to use a single specification for connecting to the equities and options markets operated by the Exchange and its affiliates, NYSE Arca, Inc. ("NYSE Arca") and New York Stock Exchange LLC ("NYSE").⁴ NYSE Arca Equities, Inc. ("NYSE Arca Equities"), which operates the equities trading platform for NYSE Arca, was the first trading system to migrate to Pillar.⁵ In connection with the NYSE Arca implementation of Pillar, NYSE Arca filed four rule proposals relating to Pillar.⁶

⁵ NYSE Arca Equities is a wholly-owned corporation of NYSE Arca and operates as a facility of NYSE Arca.

To streamline and simplify trading across the Exchange, NYSE Arca, and NYSE, the Exchange proposes to adopt the rule numbering framework of the NYSE Arca Equities rules for Exchange trading on the Pillar trading platform. The Exchange believes that if it and its affiliates are operating on the same trading platform, using the same rule numbering scheme across all markets will make it easier for members, the public, and the Commission to navigate the rules of each market. The Exchange therefore proposes to adopt a framework of rule numbering that is based on the current NYSE Arca Equities rules. The Exchange proposes to place this framework of rules following current Rule 0—Equities. As proposed, this framework would use the current rule numbering scheme of NYSE Arca Equities, and would consist of proposed Rules 1E-13E. Accordingly, the Exchange proposes to add a new heading following Rule 0 that would provide "Pillar Platform Rules (Rules 1E-Rule 13E)."

To explain that the proposed rules would only be applicable to trading in a security once that security is trading on the Pillar platform, the Exchange proposes to state that Rules 1E-13E would be operative for securities that are trading on the Pillar equities trading platform. The Exchange would further provide that the Exchange would announce by Trader Update when securities are trading on the Pillar trading platform. Because there will be a period when specified securities that trade on the Exchange would continue to trade on the current trading platform, while other securities would be trading on the Pillar platform, the Exchange would not delete current Exchange rules when it adopts Pillar rules that cover the same topic as a current Exchange rule. Unless specified in this list of rules, current Exchange rules would continue to be applicable to trading in a security on the Pillar platform.

The Exchange proposes to denote the Pillar rules with the letter "E" to distinguish such rules from current Exchange rules with the same numbering. Except as described below, at this time, the Exchange would be adopting the framework for only these rule numbers and would designate the proposed rules as "Reserved." Through a series of subsequent rule filings, the Exchange will propose to populate the individual rules with the rule text to
