

represents that Members relying on Rule 11a2-2(T) for transactions effected through the BAM Auction must comply with this condition of the Rule and that the Exchange will enforce this requirement pursuant to its obligations under Section 6(b)(1) of the Act to enforce compliance with federal securities laws.⁴⁸

V. Accelerated Approval of Proposal, as Modified by Amendment No. 1

The Commission finds good cause, pursuant to Section 19(b)(2) of the Exchange Act, to approve the proposal, as modified by Amendment No. 1, prior to the 30th day after publication of Amendment No. 1 in the **Federal Register**. In Amendment No. 1, EDGX revised the original proposal to make the changes discussed in detail above. Notably, in Amendment No. 1, EDGX revises its proposal to restrict an Auction from commencing with a stop price equal to a same side resting order except in limited circumstances, as described above, and prohibit an Initiating Order from being a solicited order for the account of an Options Market Maker assigned in the affected series on the Exchange. EDGX also made changes to clarify and add detail to its proposal and the proposed rule text. The Commission believes that Amendment No. 1 does not raise any novel regulatory issues and instead better aligns EDGX's proposed Auction functionality with existing functionality on the Exchange and with that of similar auction mechanisms operated by other options exchanges, and provides additional clarity in the rule text, which is consistent with EDGX's original proposal and supports EDGX's analysis of how its proposal is consistent with the Act, thus facilitating the Commission's ability to make the findings set forth above to approve the proposal. Accordingly, the Commission finds that good cause exists to approve the proposal, as modified by Amendment No. 1, on an accelerated basis.

VI. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether Amendment No. 1 is

account during the period covered by the statement. See 17 CFR 240.11a2-2(T)(d). SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-79721; File No. SR-ISE-2016-32]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Rules To Extend a Pilot Program

January 3, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 23, 2016, the International Securities Exchange, LLC ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I and II, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its rules to extend a pilot program to quote and to trade certain options classes in penny increments.

The text of the proposed rule change is available on the Exchange's Web site at www.ise.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The

² 17 CFR 240.19b-4.

Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Under the Penny Pilot Program, the minimum price variation for all participating options classes, except for the Nasdaq-100 Index Tracking Stock ("QQQQ"), the SPDR S&P 500 Exchange Traded Fund ("SPY") and the iShares Russell 2000 Index Fund ("IWM"), is \$0.01 for all quotations in options series that are quoted at less than \$3 per contract and \$0.05 for all quotations in options series that are quoted at \$3 per contract or greater. QQQQ, SPY and IWM are quoted in \$0.01 increments for all options series. The Penny Pilot Program is currently scheduled to expire on December 31, 2016.³ The Exchange proposes to extend the Penny Pilot Program through June 30, 2017, and to provide a revised date for adding replacement issues to the Penny Pilot Program. The Exchange proposes that any Penny Pilot Program issues that have been delisted may be replaced on the second trading day following January 1, 2017. The replacement issues will be selected based on trading activity for the most recent six month period excluding the month immediately preceding the replacement (*i.e.*, beginning June 1, 2016, and ending November 30, 2016). This filing does not propose any substantive changes to the Penny Pilot Program: All classes currently participating will remain the same and all minimum increments will remain unchanged. The Exchange believes the benefits to public customers and other market participants who will be able to express their true prices to buy and sell options have been demonstrated to outweigh any increase in quote traffic.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b) of the Act.⁴ Specifically, the proposed rule change is consistent with Section 6(b)(5) of the

Act,⁵ because it is designed to promote just and equitable principles of trade, remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest. In particular, the proposed rule change, which extends the Penny Pilot Program for an additional six months, will enable public customers and other market participants to express their true prices to buy and sell options to the benefit of all market participants.

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,⁶ the Exchange does not believe that the proposed rule change will impose any burden on intermarket or intramarket competition that is not necessary or appropriate in furtherance of the purposes of the Act. Specifically, the Exchange believes that, by extending the expiration of the Penny Pilot Program, the proposed rule change will allow for further analysis of the Penny Pilot Program and a determination of how the Penny Pilot Program should be structured in the future. In doing so, the proposed rule change will also serve to promote regulatory clarity and consistency, thereby reducing burdens on the marketplace and facilitating investor protection.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A)

of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)⁹ normally does not become operative prior to 30 days after the date of the filing.¹⁰ However, pursuant to Rule 19b-4(f)(6)(iii),¹¹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because doing so will allow the Pilot Program to continue without interruption in a manner that is consistent with the Commission's prior approval of the extension and expansion of the Pilot Program and will allow the Exchange and the Commission additional time to analyze the impact of the Pilot Program. Accordingly, the Commission designates the proposed rule change as operative upon filing with the Commission.¹²

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹³ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

⁹ 17 CFR 240.19b-4(f)(6).

¹⁰ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change along with a brief description and the text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this pre-filing requirement.

¹¹ 17 CFR 240.19b-4(f)(6)(iii).

SOCIAL SECURITY ADMINISTRATION

[Docket No. SSA-2016-0063]

Rate for Assessment on Direct Payment of Fees to Representatives in 2017

AGENCY: Social Security Administration (SSA).

ACTION: Notice.

SUMMARY: We are announcing that the assessment percentage rate under sections 206(d) and 1631(d)(2)(C) of the Social Security Act (Act), 42 U.S.C. 406(d) and 1383(d)(2)(C), is 6.3 percent for 2017.

FOR FURTHER INFORMATION CONTACT:

Jeffrey C. Blair, Associate General Counsel for Program Law, Office of the General Counsel, Social Security Administration, 6401 Security Boulevard, Baltimore, MD 21235-6401. Phone: (410) 965-3157, email Jeff.Blair@ssa.gov.

SUPPLEMENTARY INFORMATION: A claimant may appoint a qualified individual as a representative to act on his or her behalf in matters before the Social Security Administration (SSA). If the claimant is entitled to past-due benefits and was represented either by an attorney or by a non-attorney representative who has met certain prerequisites, the Act provides that we may withhold up to 25 percent of the past-due benefits and use that money to pay the representative's approved fee directly to the representative.

When we pay the representative's fee directly to the representative, we must collect from that fee payment an assessment to recover the costs we incur in determining and paying representatives' fees. The Act provides that the assessment we collect will be the lesser of two amounts: A specified dollar limit; or the amount determined by multiplying the fee we are paying by the assessment percentage rate. (Sections 206(d), 206(e), and 1631(d)(2) of the Act, 42 U.S.C. 406(d), 406(e), and 1383(d)(2).)

The Act initially set the dollar limit at \$75 in 2004 and provides that the limit will be adjusted annually based on changes in the cost-of-living. (Sections 206(d)(2)(A) and 1631(d)(2)(C)(ii)(I) of the Act, 42 U.S.C. 406(d)(2)(A) and 1383(d)(2)(C)(ii)(I).) The maximum dollar limit for the assessment currently is \$91, as we announced in the **Federal Register** on October 27, 2016 (81 FR 74854).

The Act requires us each year to set the assessment percentage rate at the lesser of 6.3 percent or the percentage rate necessary to achieve full recovery of the costs we incur to determine and pay representatives' fees. (Sections 206(d)(2)(B)(ii) and 1631(d)(2)(C)(ii)(II) of the Act, 42 U.S.C. 406(d)(2)(B)(ii) and 1383(d)(2)(C)(ii)(II).)

Based on the best available data, we have determined that the current rate of 6.3 percent will continue for 2017. We

will continue to review our costs for these services on a yearly basis.

Michelle King,

Acting Deputy Commissioner for Budget, Finance, Quality, and Management.
