II. Background Information and Regulatory History

On April 11, 2017, Gilligan's Pier of Newburg, MD, notified the Coast Guard that it will conduct a fireworks display starting at 9 p.m. on June 17, 2017. The fireworks display will be launched from a barge located on the Potomac River, in Charles County near Newburg, MD. In the event of inclement weather, the fireworks display will be rescheduled for June 24, 2017. On May 5, 2017 the Coast Guard published a notice of proposed rulemaking (NPRM) titled "Safety Zone; Potomac River, Newburg, MD" (82 FR 21153). There we stated why we issued the NPRM, and invited comments on our proposed regulatory action related to this fireworks display. During the comment period that ended June 5, 2017, we received no comments.

We are issuing this rule, and under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making it effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to public interest because immediate action is needed to respond to the potential safety hazards associated with a fireworks display from a barge on navigable waters.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1231. The COTP has determined that potential
