Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Advance Notification of Sunset Reviews

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

Background

Every five years, pursuant to the Tariff Act of 1930, as amended (the Act), the Department of Commerce (the Department) and the International Trade Commission automatically initiate and conduct a review to determine whether revocation of a countervailing or antidumping duty order or termination of an investigation suspended under section 704 or 734 of the Act would be likely to lead to continuation or recurrence of dumping or a countervailable subsidy (as the case may be) and of material injury.

Upcoming Sunset Reviews for November 2017

Pursuant to section 751(c) of the Act, the following Sunset Reviews are scheduled for initiation in October 2017 and will appear in that month's *Notice of Initiation of Five-Year Sunset Reviews* (Sunset Reviews).

With respect to the orders on Steel Wire Garment Hangers from Vietnam, we have advanced the initiation date of these Sunset Reviews upon determining that initiation of the Sunset Reviews for all of the Steel Garment Hangers orders on the same date would promote administrative efficiency.
