

FCC 11–50, the Commission adopted rules that relate to the implementation of section 224 of the Communications Act of 1934, as amended, regarding access to poles that are owned or controlled by utilities. Under the Commission's rules, utilities must provide cable television systems and telecommunications carriers (collectively, "attachers") with non-discriminatory access to attach facilities to poles, ducts, conduits, or rights-of-way owned or controlled by the utilities (collectively, "pole attachments"). However, utilities may deny in writing those pole attachment applications where there is insufficient capacity on a pole, or for reasons of safety, reliability, and generally applicable engineering purposes. Commission rules also create a series of deadlines or "timelines" by which attachers request and receive permission from utilities for pole attachments. The first stage of the timeline requires utilities to survey the requested poles where access is requested and to perform an engineering analysis. Utilities may notify attachers when they have completed their surveys of the affected poles. With regard to the second stage of the timeline, utilities must present to attachers an estimate of charges for preparing a pole for a new attachment ("make-ready" work). With regard to the make-ready stage of the timeline, utilities are required to send notices of impending make-ready work to entities with existing attachments on the pole. Such notification letters are sent when a make-ready schedule is established. If the make-ready period is interrupted, or if the pole owner asserts its right to a 15-day extension of time to perform make-ready work, then notification letters also are required from the utility to the new attachers.

Additionally, the Order adopted a rule requiring utilities to make available and keep up-to-date a reasonably sufficient list of approved contractors to perform surveys and make-ready work in the communications space of a utility pole. If an attacher uses a utility-approved contractor, then it must notify the utility and invite the utility to send a representative to oversee the work. Finally, the Order also broadened the existing enforcement process by permitting incumbent local exchange carriers (LECs) to file complaints alleging that the pole attachment rates, terms, or conditions demanded by utilities are unjust or unreasonable. If an incumbent LEC can demonstrate that it is similarly situated to an attacher that is a telecommunications carrier or a cable television system (through relevant evidence, including pole

attachment agreements), then it can gain comparable pole attachment rates, terms, and condition as the similarly-situated carrier. The paperwork burdens for this provision are contained in OMB Collection No. 3060–0392. The Order also encourages incumbent LECs that benefit from lower pole attachment costs to file data at the Commission that demonstrate that the benefits are being passed on to consumers.

#### SUPPLEMENTARY INFORMATION:

##### A. Need for and Use of the Information Collection

Section 7 of the Federal Home Loan Bank Act (Bank Act) vests the management of each Federal Home Loan Bank (Bank) in its board of directors.<sup>1</sup> As required by section 7, each Bank's board comprises two types of directors: (1) Member directors, who are drawn from the officers and directors of member institutions located in the Bank's district and who are elected to represent members in a particular state in that district; and (2) independent directors, who are unaffiliated with any of the Bank's member institutions, but who reside in the Bank's district and are elected on an at-large basis.<sup>2</sup> Both types of directors serve four-year terms, which are staggered so that approximately one-quarter of a Bank's total directorships are up for election every year.<sup>3</sup> Section 7 and FHFA's implementing regulation, codified at 12 CFR part 1261, establish the eligibility requirements for both types of Bank directors and the professional qualifications for independent directors, and set forth the procedures for their election.

Part 1261 of the regulations requires that each Bank administer its own annual director election process. As part of this process, a Bank must require each nominee for both types of directorship, including any incumbent that may be a candidate for re-election, to complete and return to the Bank a form that solicits information about the candidate's statutory eligibility to serve and, in the case of independent director candidates, about his or her professional qualifications for the directorship being sought.<sup>4</sup> Specifically, member director candidates are required to complete the *Federal Home Loan Bank Member Director Eligibility Certification Form (Member Director Eligibility Certification Form)*, while independent director candidates must complete the *Federal Home Loan Bank Independent Director Application Form (Independent Director Application Form)*.

Each Bank must also require all of its incumbent directors to certify annually that they continue to meet all eligibility requirements.<sup>5</sup> Member directors do this by completing the *Member Director Eligibility Certification Form* again every year, while independent directors complete the abbreviated *Federal Home Loan Bank Independent Director Annual Certification Form (Independent Director Annual Certification Form)* to certify their ongoing eligibility.

The Banks use the information collection contained in the *Independent Director Application Form* and part 1261 to determine whether individuals who wish to stand for election or re-election as independent directors satisfy the statutory eligibility requirements and possess the professional qualifications required under the statute and regulations. Only individuals meeting those eligibility requirements and qualifications may serve as an independent director.<sup>6</sup> On an annual basis, the Banks use the information collection contained in the *Independent Director Annual Certification Form* and part 1261 to determine whether their incumbent independent directors continue to meet the statutory eligibility requirements.

The Banks use the information collection contained in the *Member Director Eligibility Certification Form* and part 1261 to determine whether individuals who wish to stand for election or re-election as member directors satisfy the statutory eligibility requirements. Only individuals meeting these requirements may serve as a member director.<sup>7</sup> On an annual basis, the Banks also use the information collection contained in the *Member Director Eligibility Certification Form* and part 1261 to determine whether their incumbent member directors continue to meet the statutory eligibility requirements.

The OMB control number for this information collection is 2590-0006 and the current PRA clearance expires on December 31, 2017. The likely respondents are individuals who are prospective and incumbent Bank directors. The three Bank director forms that FHFA will be submitting to OMB for review, copies of which appear at the end of this notice, are substantively identical to those that are currently approved under the PRA. However, FHFA is considering major revisions to each of the forms and expects to publish another set of PRA notices regarding the revised forms and to submit the revised

forms to OMB for review and clearance under the PRA in the near future.

##### B. Burden Estimate

FHFA estimates the total annual hour burden imposed upon respondents by the three Bank director forms comprising this information collection to be 145 hours (37 hours + 75 hours + 33 hours = 145 hours, as detailed below).

The Agency estimates the total annual hour burden on all member director candidates and incumbent member directors associated with review and completion of the *Member Director Eligibility Certification Form* to be 37 hours. This includes a total annual average of 68 member director candidates, with 1 response per individual taking an average of 15 minutes (.25 hours) (68 respondents × .25 hours = 17 hours). It also includes a total annual average of 80 incumbent member directors, with 1 response per individual taking an average of 15 minutes (.25 hours) (80 individuals × .25 hours = 20 hours).

The Agency estimates the total annual hour burden on all independent director candidates associated with review and completion of the *Independent Director Application Form* to be 75 hours. This includes a total annual average of 25 independent director candidates, with 1 response per individual taking an average of 3 hours (25 individuals × 3 hours = 75 hours).

The Agency estimates the total annual hour burden on all incumbent independent directors associated with review and completion of the *Independent Director Annual Certification Form* to be 33 hours. This includes a total annual average of 66 incumbent independent directors, with 1 response per individual taking an average of 30 minutes (.5 hours) (66 individuals × .5 hours = 33 hours).

##### C. Comments Request

In accordance with the requirements of 5 CFR 1320.8(d), FHFA published a request for public comments regarding this information collection in the *Federal Register* on October 12, 2017.<sup>8</sup> The 60-day comment period closed on December 11, 2017. FHFA received two comments, neither of which addressed any aspect of this information collection or the PRA.

In accordance with the requirements of 5 CFR 1320.10(a), FHFA is publishing this second notice to request comments regarding the following: (1) Whether the collection of information is necessary for the proper performance of FHFA

<sup>1</sup> See 12 U.S.C. 1427(a)(1).

<sup>2</sup> See 12 U.S.C. 1427(b) and (d).

functions, including whether the information has practical utility; (2) the accuracy of FHFA's estimates of the burdens of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information collected;

and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

You can find these requirements in section 1427 of Title 12 of the United States Code (12 U.S.C. § 1427) and in part 1261 of Title 12 of the Code of Federal Regulations (12 C.F.R. part 1261). Only individuals who satisfy these requirements may run for a member directorship or serve as a member director.

The Bank will use the information to confirm your continued eligibility to serve as a member director. If you do not submit this form by the March 1<sup>st</sup> deadline, the Bank may declare that you are no longer eligible to serve as a member director, and may declare vacant the member directorship that you hold. If March 1<sup>st</sup> falls on a Saturday, Sunday, or federal holiday, you have until the next business day to submit the completed Form.

## FEDERAL HOME LOAN BANK MEMBER DIRECTOR ELIGIBILITY CERTIFICATION FORM: DIRECTIONS

**Line-by-Line Instructions**

**LINE 1.** Print or type your full name.

**LINE 2.** You must be a United States citizen in order to serve as a member director. Check the appropriate answer.

**LINE 3.** Provide the address of your principal residence.

**LINE 4.** You must be an officer or a director of an institution that is a member of the Bank in order to be a member director of that Bank. In addition, the member must be located in the state within the Bank district that is to be represented by the directorship you wish to hold. In most cases, a member will be deemed to be located where it maintains its home office or its principal place of business. Provide the requested information for the member you serve as an officer or director, as well as your title or position at that institution.

**LINE 5.** If you are an officer or director of any other institution that is a member of this or any other Bank, provide the name and location of the institution(s), as well as the position that you hold at the institution(s).

**LINE 6.** In order for you to be eligible to serve as a member director, every institution that you serve as an officer or director that is a member of the Bank in which you wish to hold a directorship must be in compliance with all of its applicable minimum capital requirements established by its appropriate federal or state regulator. The term "appropriate federal regulator" has the same meaning as the term "appropriate Federal banking agency" in section 3(q) of the Federal Deposit Insurance Act (12 U.S.C. § 1813(q)) and, for federally insured credit unions, means the National Credit Union Administration. The term "appropriate state regulator" means any state officer, agency, supervisor, or other entity that has regulatory authority over, or is empowered to institute enforcement action against, a member.

Check the appropriate answer as to whether each institution you listed in LINE 4 and LINE 5 is in compliance with all of the applicable minimum capital requirements established by its appropriate federal or state regulator. If the answer is **No**, you must list each non-compliant institution regardless of the Bank of which it is a member. However, your status as an officer or director of a non-compliant institution will render you ineligible to serve as a Bank director only if that institution is a member of the Bank in which you wish to hold a directorship.

**Privacy Act Statement:** In accordance with the Privacy Act (5 U.S.C. 552a), the following notice is provided. This information is solicited under authority of 12 U.S.C. 1427(a) and (b), and 12 CFR 1261.5, 1261.7, and 1261.10 to 1261.13. Furnishing the information on this form is voluntary, but failure to do so may result in you not meeting the statutory and regulatory eligibility requirements to serve as a member director. The purpose of this information is to facilitate the timely determination of your eligibility to serve as a member director. Information may be disclosed in accordance with the routine uses identified in FHFA-System of Records Notice FHFA-8 Federal Home Loan Bank Directors, which may be found at <https://www.fhfa.gov/SupervisionRegulation/Rules/Pages/Privacy-Act-of-1974-System-of-Records-Notice-of-the-Establishment-of-New-Systems-of-Records.aspx>.

**Paperwork Reduction Act Statement:** Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.

**STATUTORY ELIGIBILITY REQUIREMENTS**

An individual must satisfy certain statutory requirements in order to be eligible for election as an independent director of a Federal Home Loan Bank (Bank). The requirements relate to citizenship, residency, and, for prospective public interest directors, experience in that field. The statute also prohibits an independent director from serving as an officer, employee, or director of an institution that is a member of, or that receives advances from, the Bank on whose board the director serves. The questions below address these statutory requirements.

1. **Citizenship.** Are you a citizen of the United States? Yes  No

2. **Residency.** In order to be an independent director you must be a bona fide resident of a state that is in the geographic district of the Bank on whose board you wish to serve. You will satisfy this requirement if your principal residence is located in that geographic district (A), or if you own or lease a second residence in the district *and* are employed in the district (B). Please indicate the basis you are using to demonstrate bona fide residence.

A. Is your principal residence located in the Bank's geographic district? Yes  No

B. If you answered No, do you own or lease a second residence in the Bank's district *and* are you employed in the district? Yes  No

If so, provide the address of your second home, the name of, and identifying information on, your employer, and your title or position, if different from that on page 1 of this Form.

**3. Public Interest Directors.** If you are seeking election as a public interest director, you must be able to demonstrate that you have more than four years experience representing consumer or community interests on banking services, credit needs, housing, or consumer financial protections.

If you meet this requirement, provide information on how you have represented such consumer or community interests for more than four years.

**4. Conflicts of interest.** Independent directors and their spouses may not serve as an officer of any Bank or as an officer, employee, or director of any member of, or any recipient of advances from, the Bank on whose board the independent director serves. You and your spouse will have to give up any conflicting position before you can become a Bank director.

For purposes of this conflict of interest provision, the terms:

“Member” and “Recipient of advances” include the institution itself and any subsidiary of the institution. If the institution is owned by a holding company, the terms include the holding company if 35 percent or more of the holding company’s assets, on a consolidated basis, are attributable to institutions that are members of, or recipients of advances from, the Bank on whose board the independent director serves. Thus, you may not serve as a director, employee, or officer of a holding company if one or more members of, or one or more recipients of advances from, your Bank constitute 35 percent or more of the holding company’s assets.

A. Please specify each position you and your spouse have in any member of, or recipient of advances from, the Bank on whose board you would serve.

B. Do you agree to give up positions that are deemed to be conflicting interests before becoming an independent director of that Bank? Yes  No

**SUPPLEMENTARY INFORMATION:****Proposed Project***Medical Expenditure Panel Survey (MEPS) Household Component (HC)*

In accordance with the Paperwork Reduction Act, 44 U.S.C. 3501-3521, AHRQ invites the public to comment on this proposed information collection. For over thirty years, results from the MEPS and its predecessor surveys (the 1977 National Medical Care Expenditure Survey, the 1980 National Medical Care Utilization and Expenditure Survey and the 1987 National Medical Expenditure Survey) have been used by OMB, DHHS, Congress and a wide number of health services researchers to analyze health care use, expenses and health policy.

Major changes continue to take place in the health care delivery system. The MEPS is needed to provide information about the current state of the health care system as well as to track changes over time. The MEPS permits annual estimates of use of health care and

expenditures and sources of payment for that health care. It also permits tracking individual change in employment, income, health insurance and health status over two years. The use of the National Health Interview Survey (NHIS) as a sampling frame expands the MEPS analytic capacity by providing another data point for comparisons over time.

Households selected for participation in the MEPS-HC are interviewed five times in person. These rounds of interviewing are spaced about 5 months apart. The interview will take place with a family respondent who will report for him/herself and for other family members.

The only change to the MEPS-HC from the previous OMB clearance is an update to the existing Adult Self-Administered Questionnaire (SAQ).

The MEPS-HC has the following goal:

- To provide nationally representative estimates for the U.S. civilian noninstitutionalized population for:
  - Health care use, expenditures, sources of payment
  - health insurance coverage

*Medical Expenditure Panel Survey (MEPS) Medical Provider Component (MPC)*

The MEPS-MPC will contact medical providers (hospitals, physicians, home health agencies and institutions) identified by household respondents in the MEPS-HC as sources of medical care for the time period covered by the interview, and all pharmacies providing prescription drugs to household members during the covered time period. The MEPS-MPC is not designed to yield national estimates as a stand-alone survey. The sample is designed to target the types of individuals and providers for whom household reported expenditure data was expected to be insufficient. For example, Medicaid enrollees are targeted for inclusion in the MEPS-MPC because this group is expected to have limited information about payments for their medical care.

The MEPS-MPC collects event level data about medical care received by sampled persons during the relevant time period. The data collected from medical providers include:

- Dates on which medical encounters occurred during the reference period
- Data on the medical content of each encounter, including ICD-9 (or ICD-10) and CPT-4 codes
- Data on the charges associated with each encounter, such as the sources paying for the medical care-including the patient/family, public sources, and private insurance, and amounts paid by each source
