

Organization/Lloyd's Registry (IMO/LR) number.

The primary reason for the revision of this information collection is to reflect that HMS International Trade Permits have been removed from this collection as they were discontinued in 2016, and replaced with the International Fishing Trade Permit (IFTP). The IFTP is covered under OMB Control No. 0648–0732. Thus, the burden and costs associated with renewal and issuance of an initial HMS ITP are no longer applicable to this collection of information.
