

and the proposed office, and it must invite the public to submit written comments to the appropriate Reserve Bank.

Proposed revisions: The Board proposes to revise the FR K–2 form and instructions in order to: Improve the clarity of the requests; reflect the impact of new laws, regulations, capital requirements, and accounting rules; make minor changes for improved style, grammar and clarity; and harmonize the general information, certification, and confidentiality sections with other similar forms. The revisions are intended to make initial filings more reflective of the proposed transaction and thereby reduce the need for subsequent information requests, which delay the Federal Reserve's consideration of a filing and create additional burden for filers.

Legal authorization and confidentiality: This information collection is mandatory and collected pursuant to sections 7, 10, and 13 of the International Banking Act (12 U.S.C. 3105, 3107, and 3108). The information collected on the FR K–2 is normally subject to public disclosure under the Freedom of Information Act (FOIA). The applying or notifying organization may request that portions of the information contained in the FR K–2 be afforded confidential treatment. To do so, applicants must demonstrate how the information for which confidentiality is requested would fall within the scope of one or more of the exemptions contained in the FOIA. Any such request would be evaluated on a case-by-case basis.
