SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: HOPE VI Implementation and HOPE VI Main Street Programs.

OMB Approval Number: 2577-0208.

Type of Request: Reinstatement, with change, of a previously approved collection.

Form Numbers: HUD-52825-A, HUD-52861, and HUD-53001-A.

Description of the need for the information and proposed use: Section 24 of the U.S. Housing Act of 1937, as added by section 535 of the Quality Housing and Work Responsibility Act of 1998 (Pub. L. 105-276, 112 Stat. 2461, approved October 21, 1998) and revised by the HOPE VI Program Reauthorization and Small Community Main Street Rejuvenation and Housing Act of 2003 (Pub. L. 108-186, 117 Stat. 2685, approved December 16, 2003), established the HOPE VI program for the purpose of making assistance available on a competitive basis to public housing agencies (PHAs) in improving the living environment for public housing residents of severely distressed public housing projects through the demolition, rehabilitation, reconfiguration, or replacement of

severely distressed public housing projects (or portions thereof); and, beginning in Fiscal Year 2004, in rejuvenating the traditional or historic downtown areas of smaller units of local government. Funds were appropriated for competitive HOPE VI Implementation Notices of Funding Availability (NOFAs) through Fiscal Year 2011. Currently, there are approximately 55 HOPE VI Implementation grants that remain active and must be monitored by HUD. HUD publishes competitive bi-annual NOFAs for the HOPE VI Main Street program and monitors grants that have been awarded through those NOFAs.

These information collections are required in connection with the monitoring of the remaining active

HOPE VI Implementation grants and the bi-annual publication on <http://www.grants.gov> of HOPE VI Main Street NOFAs, contingent upon available funding and authorization, which announce the availability of funds provided in annual appropriations for Section 24 of the Housing Act of 1937, as amended.

Eligible units of local government interested in obtaining HOPE VI Main Street grants are required to submit applications to HUD, as explained in each NOFA. The information collection conducted in the applications enables HUD to conduct a comprehensive, merit-based selection process in order to identify and select the applications to receive funding. With the use of HUD-prescribed forms, the information

collection provides HUD with sufficient information to approve or disapprove applications.

Applicants that are awarded HOPE VI Implementation grants are required to report on a quarterly basis on the sources and uses of all amounts expended for Implementation grant revitalization activities. HOPE VI Implemented grantees use a fully-automated, internet-based process for the submission of quarterly reporting information. HUD reviews and evaluates the collected information and uses it as a primary tool with which to monitor the status of HOPE VI projects and the HOPE VI programs.

Respondents (i.e. affected public): Public Housing Agencies and units of local governments.
