AGENCY: Federal Student Aid, Department of Education.

ACTION: Notice of a New System of Records and Rescinding of a System of Records.

SUMMARY: In accordance with the Privacy Act of 1974, as amended (Privacy Act), the Department of Education (Department) publishes this new notice of a system of records entitled “Postsecondary Education Participants System (PEPS)” (18-11-09) and a rescinded system of records entitled “Integrated Partner Management (IPM) system” (18-11-21). The Department is rescinding the IPM system because the Department did not implement it and will continue using the PEPS system of records.

DATES: Submit your comments on the proposed new PEPS system of records notice and rescinded IPM system of records notice on or before October 11, 2018.

The re-issuance of the PEPS and the rescission of the IPM systems of records notices will become applicable upon publication in the **Federal Register** on September 11, 2018, unless changes are made to the systems of records notices as a result of public comment. The routine uses listed under “ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND PURPOSES OF SUCH USES” for the new system of records will become applicable on October 11, 2018, unless the new system of records notice needs to be revised as a result of public comment. The Department will publish any changes to the systems of records notices or routine uses that result from public comment.

ADDRESSES: Submit your comments through the Federal eRulemaking Portal or via postal mail, commercial delivery, or hand delivery. We will not accept comments submitted by fax or by email or those submitted after the comment period. To ensure that we do not receive duplicate copies, please submit your comments only once. SUPPLEMENTARY INFORMATION: The PEPS enables the Department of Education effectively to administer the approval, periodic review, and oversight of postsecondary educational institutions that participate in the student aid programs under title IV of the Higher Education Act of 1965, as amended (HEA). A postsecondary educational institution must be accredited by an accrediting agency recognized by the Department for that purpose, and the institution must also be authorized by the State in which it is located to be

eligible for programs under title IV of the HEA. An eligible postsecondary institution must be approved by the Department for participation in programs under title IV of the HEA.

Postsecondary educational institutions submit an application through the internet for participation in programs authorized under title IV of the HEA. PEPS is the back-end repository where the data provided by those institutions resides and can be accessed by Department staff to confirm compliance with title IV of the HEA. Any authorized user can perform an ad hoc data extract from PEPS, and the PEPS staff provides tailored extracts to users on request. A limited number of scheduled extracts and uploads are run on a routine basis. These are fixed files, and no changes are made on either side without written approval/notice on both sides.

The PEPS system of records notice was last published in full in the **Federal Register** on June 4, 1999 (64 FR 30106, 30171-30173), and amended on December 27, 1999 (64 FR 72384, 72405). This system of records notice was rescinded on August 8, 2017 (82 FR 37089), with plans for the PEPS functions and records to be integrated into a new system of records entitled “Integrated Partner Management (IPM) system.” The Department subsequently determined not to bring the IPM system of records into service, and, as a result, PEPS was kept in service. The new PEPS system of records notice is being republished in full in accordance with the Privacy Act with modifications being made to system of records notices from the last publications in 1999. The IPM system of records notice is being rescinded.

The Department is modifying the section of the PEPS notice entitled “SECURITY CLASSIFICATION” to add that the system is unclassified and the section of the PEPS notice entitled “SYSTEM LOCATION” to reflect the current addresses where the system is located. The Department is modifying the section entitled “SYSTEM MANAGER(S)” to reflect the current location of the Office of Student Financial Assistance Programs in Federal Student Aid.

The Department is modifying the section of the notice entitled “RECORD SOURCE CATEGORIES” to include that the system may obtain records from other persons or entities from which data is obtained under the section entitled “ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND PURPOSES OF SUCH USES.”

The Department is modifying routine use (3) entitled “Litigation and Alternative Dispute Resolution (ADR) Disclosure” to indicate that the Department may make disclosures under this routine use when the Department requests representation from the Department of Justice for an employee of the Department who is being sued in his or her individual capacity as well as to change “an individual” to “a person” who has been designated by the Department or otherwise empowered to resolve or mediate disputes in order to avoid confusion because the word “individual” is a defined term under the Privacy Act.

The Department is also modifying routine uses (5) entitled “Employee Grievance, Complaint, or Conduct Disclosure” and (6) “Labor Organization Disclosure” to clarify and promote the standardization of the language used in this routine use with that used in the Department’s other systems of records notices. The Department is also modifying routine use (7) entitled “Freedom of Information Act (FOIA) or Privacy Act Advice Disclosure” to permit the Department to obtain counsel necessary to ensure that individual privacy rights are protected under the Privacy Act.

The Department is also modifying routine use (9) entitled “Contract Disclosure” and routine use (10) entitled “Research Disclosure” to remove language that respectively referenced safeguard requirements under subsection (m) of the Privacy Act and Privacy Act safeguards. The Department is revising the language in these routine uses to clarify that contractors and researchers to whom disclosures are made under these routine uses will be required to agree to safeguards to protect the security and confidentiality of the records in the system. The Department is also revising routine use (9) to clarify that these safeguards will be entered into “as part of such a contract,” rather than “before entering into such a contract.”

The Department is further modifying routine use (12) “Disclosure to the Office of Management and Budget or the Congressional Budget Office (CBO) for Credit Reform Act (CRA) Support” to add that the Department may disclose records to the CBO as necessary to fulfill CRA requirements and to clarify that any disclosure must be in accordance with 2 U.S.C. 661b.

Pursuant to the requirements in Office of Management and Budget (OMB) M–17–12, the Department is adding the routine use (13) entitled “Disclosure in the Course of Responding to a Breach of

Data” and routine use (14) entitled “Disclosure in Assisting another Agency in Responding to a Breach of Data.”

The Department is updating the section entitled “POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS” to reflect the current Department records retention and disposition schedule covering records in this system. The Department is also updating the section entitled “ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS” to include two-factor authentication, firewalls, encryption, and password protection as additional safeguards.

The Department is modifying the sections entitled “RECORD ACCESS PROCEDURES,” “CONTESTING RECORDS PROCEDURES,” and “NOTIFICATION PROCEDURES” to specify the required information that an individual must provide when making a request for access to or notification of a record or to contest the content of a record in the system.

Finally, pursuant to the requirements of OMB Circular No. A–108, the Department is adding a new section entitled “HISTORY.”
