DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

National Institute of Nursing Research; Notice of Closed Meetings

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended, notice is hereby given of the following meetings.

The meetings will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: National Institute of Nursing Research Special Emphasis Panel; Institutional Training Grants.

Date: September 28, 2018.

Time: 8:00 a.m. to 3:00 p.m.

Agenda: To review and evaluate grant applications.

Place: Bethesda Marriott Suites, 6711 Democracy Boulevard, Bethesda, MD 20817.

Contact Person: Tamizchelvi Thyagarajan, Ph.D., Scientific Review Officer, National Institute of Nursing Research, National Institutes of Health, Bethesda, MD 20892, (301) 594–0343, tamizchelvi.thyagarajan@nih.gov.

This notice is being published less than 15 days prior to the meeting due to the timing limitations imposed by the review and funding cycle.

Name of Committee: National Institute of Nursing Research Initial Review Group.

Date: October 22–23, 2018.

Time: 8:00 a.m. to 12:00 p.m.

Agenda: To review and evaluate grant applications.

Place: Bethesda Marriott Suites, 6711 Democracy Boulevard, Bethesda, MD 20817.

Contact Person: Cheryl Nordstrom, Ph.D., Scientific Review Officer, Center for Scientific Review, National Institutes of Health, 6701 Rockledge Drive, Room 6187, Bethesda, MD 20892, 301–435–1160.

(Catalogue of Federal Domestic Assistance Program Nos. 93.361, Nursing Research, National Institutes of Health, HHS)

Dated: September 19, 2018.

Sylvia L. Neal,

Program Analyst, Office of Federal Advisory Committee Policy.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

[Docket No. USCG–2018–0853]

Cooperative Research and Development Agreement: Automatic Identification System/Data Marker Buoy (AIS/DMB) Using/Adapting COTS Technology

AGENCY: U.S. Coast Guard, DHS.

ACTION: Notice of intent; request for comments.

SUMMARY: The Coast Guard is announcing its intent to enter into a Cooperative Research and Development Agreement (CRADA) with Astronics DME to investigate adding/substituting an AIS component into the RB–100 series DMB. While the Coast Guard is currently considering collaborating with Astronics DME, we are soliciting public comment on the possible nature of and participation of other parties in the proposed CRADA. In addition, the Coast Guard also invites other potential non-Federal participants, who have the interest and capability to bring similar contributions to this type of research, to consider submitting proposals for consideration in similar CRADAs.

DATES: Comments must be submitted to the online docket via <http://www.regulations.gov>, or reach the

Docket Management Facility, on or before October 25, 2018.

Synopses of proposals regarding future CRADAs must reach the Coast Guard (see **FOR FURTHER INFORMATION CONTACT**) on or before October 25, 2018.

ADDRESSES: Submit comments online at <http://www.regulations.gov> following website instructions.

FOR FURTHER INFORMATION CONTACT: If you have questions on this notice or wish to submit proposals for future CRADAs, contact LT Carlon Brietzke, Project Official, Science & Technology Innovation Center, U.S. Coast Guard Research and Development Center, 1 Chelsea Street, New London, CT 06320, telephone 860-271-2891, email Carlon.F.Brietzke@uscg.mil.

SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

We request public comments on this notice. Although we do not plan to respond to comments in the **Federal Register**, we will respond directly to commenters and may modify our proposal in light of comments.

Comments should be marked with docket number USCG-2018-0853 and should provide a reason for each suggestion or recommendation. You should provide personal contact information so that we can contact you if we have questions regarding your comments; but please note that all comments will be posted to the online docket without change and that any personal information you include can be searchable online (see the **Federal Register** Privacy Act notice regarding our public dockets, 73 FR 3316, Jan. 17, 2008). We also accept anonymous comments.

We encourage you to submit comments through the Federal eRulemaking Portal at <http://www.regulations.gov>. If your material cannot be submitted using <http://www.regulations.gov>, contact the Coast Guard (see **FOR FURTHER INFORMATION CONTACT**). Documents mentioned in this notice, and all public comments, are in our online docket at <http://www.regulations.gov> and can be viewed by following that website's instructions. Additionally, if you go to the online docket and sign up for email alerts, you will be notified when comments are posted or a final rule is published.

Do not submit detailed proposals for future CRADAs to the Docket Management Facility. Instead, submit them directly to the Coast Guard (see **FOR FURTHER INFORMATION CONTACT**).

Discussion

CRADAs are authorized under 15 U.S.C. 3710(a).¹ A CRADA promotes the transfer of technology to the private sector for commercial use, as well as specified research or development efforts that are consistent with the mission of the Federal parties to the CRADA. The Federal party or parties agree with one or more non-Federal parties to share research resources, but the Federal party does not contribute funding.

CRADAs are not procurement contracts. Care is taken to ensure that CRADAs are not used to circumvent the contracting process. CRADAs have a specific purpose and should not be confused with procurement contracts, grants, and other type of agreements.

Under the proposed CRADA, the R&D Center will collaborate with one non-Federal participant. Together, the R&D Center and the non-Federal participant using the RB-100 series DMB (this product has been in use by the aviation community for several years and is a proven design that utilizes AM/FM Radio Frequency location) will investigate adding/substituting an AIS component into the RB-100 series DMB.

We anticipate that the Coast Guard's contributions under the proposed CRADA will include the following:

(1) Provide a USCG AIS transmitter system technical data package for evaluation, modification, fabrication, and testing of an AIS transmitter system for incorporation into an RB-100 series DMB.

(2) Provide technical input related to the AIS transmitter system and its technical data package, as required, along with specific data on known or suspected design weaknesses in the AIS transmitter based on operational assessments.

(3) Provide all support resources, including travel, for Coast Guard staff that supports this CRADA.

(4) Shall accomplish a deployment trial and operational assessment of the demo prototypes AIS-DMBs and share assessment results.

We anticipate that the non-Federal participants' contributions under the proposed CRADA will include the following:

(1) Provide appropriate staff with pertinent expertise to support the above mentioned tasks.

(2) Provide all necessary facility resources needed to integrate the

existing or modified USCG AIS transmitter into the existing AM/FM DMB in such a way as to preserve the air deployment stability, water stability and mission reliability characteristics of the existing AM/FM DMB in the resulting AIS-DMB product.

(3) Support testing and analysis efforts as the AIS-DMB evolves during development and completes advanced development tasks, in order to verify achievement of CRADA objectives.

(4) Support an AIS-DMB deployment trial and operational assessment.

The Coast Guard reserves the right to select for CRADA participants all, some, or no proposals submitted for this CRADA. The Coast Guard will provide no funding for reimbursement of proposal development costs. Proposals and any other material submitted in response to this notice will not be returned. Proposals submitted are expected to be unclassified and have not more than five single-sided pages (excluding cover page, DD 1494, JF-12, etc.). The Coast Guard will select proposals at its sole discretion on the basis of:

(1) How well they communicate an understanding, of and ability to meet, the proposed CRADA's goal; and

(2) How well they address the following criteria:

(a) Technical capability to support the non-Federal party contributions described, and

(b) Resources available for supporting the non-Federal party contributions described.

Currently, the Coast Guard is considering Astronics DME for participation in this CRADA. This consideration is based on the fact that Astronics DME manufactures the RB-100 series Datum Marker Buoy. However, we do not wish to exclude other viable participants who manufacture Datum Marker Buoys and/or AIS technologies from this or future similar CRADAs.

This is a technology merging effort. The goal of the Coast Guard for this CRADA is to merge AIS capabilities into Datum Marker Buoys to reduce the amount of manpower, time, and asset availability needed to track and recover jettisoned cargo, derelict vessels, and aid in search-and-rescue cases. Special consideration will be given to small business firms/consortia, and preference will be given to business units located in the U.S. This notice is issued under the authority of 5 U.S.C. 552(a).

¹ The statute confers this authority on the head of each Federal agency. The Secretary of DHS's authority is delegated to the Coast Guard and other DHS organizational elements by DHS Delegation No. 0160.1, para. II.B.34.

Dated: September 11, 2018.

G.C. Rothrock,

Captain, Commanding Officer, U.S. Coast Guard Research and Development Center.

BILLING CODE 9110-04-P

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

[FWS-HQ-FAC-2018-N099;
FXFR13360900000-FF09F14000-189]

Aquatic Nuisance Species Task Force Meeting

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of teleconference/web meeting.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), announce a teleconference/web meeting of the Aquatic Nuisance Species (ANS) Task Force, in accordance with the Federal Advisory Committee Act. The ANS Task Force's purpose is to develop and implement a program for U.S. waters to prevent introduction and dispersal of aquatic invasive species; to monitor, control, and study such species; and to disseminate related information.

DATES: *Teleconference/web meeting:* Monday, October 15, 2018, from 1 p.m. to 4 p.m. (Eastern Time). For security purposes, registration is required. For deadlines to listen to the meeting by telephone, listen and view through the internet, or provide oral public comment by phone, please see Public Input under **SUPPLEMENTARY INFORMATION**. For more information, contact the ANS Task Force Executive Secretary (see **FOR FURTHER INFORMATION CONTACT**).

ADDRESSES:

Meeting location: We are holding the meeting via teleconference and over the web so that participants can attend remotely. To receive the web address and telephone number for participation, contact the Executive Secretary (see **FOR FURTHER INFORMATION CONTACT**) or visit the ANS Task Force website at: website at <http://anstaskforce.gov>.

Comment submission: You may submit written comments in advance of the meeting by emailing them to the ANS Task Force Executive Secretary (see **FOR FURTHER INFORMATION CONTACT**).

FOR FURTHER INFORMATION CONTACT: Susan Pasko, Executive Secretary, ANS Task Force, by telephone at (703) 358-2466, or by email at Susan_Pasko@fws.gov. If you use a telecommunications device for the deaf

(TDD), please call the Federal Relay Service at (800) 877-8339.

SUPPLEMENTARY INFORMATION: We, the U.S. Fish and Wildlife Service (Service), announce a public teleconference/web meeting of the ANS Task Force, in accordance with the Federal Advisory Committee Act (5 U.S.C. Appendix 2). The ANS Task Force was established by the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990, as amended (NANPCA; 16 U.S.C. 4701 *et seq.*), is composed of 13 Federal and 15 ex-officio members, and is co-chaired by the Service and the National Oceanic and Atmospheric Administration. The ANS Task Force's purpose is to develop and implement a program for U.S. waters to prevent introduction and dispersal of aquatic invasive species; to monitor, control, and study such species; and to disseminate related information.

Meeting Agenda

- Review and discuss the draft ANS Task Force goals, priorities, and strategies that will form the foundation of the next ANS Task Force Strategic Plan.
- Public comment period.

The final agenda and other related meeting information will be posted on the ANS Task Force website at <http://anstaskforce.gov>. Summary minutes of the meeting will be maintained by the Executive Secretary and will be available for public inspection within 90 days after the meeting at <http://anstaskforce.gov>.

Public Input

If you wish to listen to the webinar by telephone, listen and view through the internet, provide oral public comment by phone, or provide a written comment for the ANS Task Force to consider, contact the ANS Task Force Executive Secretary (see **FOR FURTHER INFORMATION CONTACT**) no later than Monday, October 8, 2018.

The U.S. Fish and Wildlife Service is committed to providing access to this teleconference/webinar for all participants. Please direct all requests for sign language interpretation services, closed captioning, or other accommodation to the ANS Task Force Executive Secretary (see **FOR FURTHER INFORMATION CONTACT**) by close of business Monday, October 8, 2018.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time.

While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Authority 5 U.S.C. Appendix 2.

Dated: September 19, 2018.

David W. Hoskins,

Co-Chair, Aquatic Nuisance Species Task Force, Assistant Director for Fish and Aquatic Conservation.
