

tolerance exemption in this action, they asked EPA to ensure the public health against adverse effects of pesticides. EPA has evaluated the available information on *Clonostachys rosea* strain CR-7, including toxicological and potential exposure information, and concluded, in accordance with the statutory requirements of FFDCA, that the exemption would be safe. The commenters provided no basis for a different conclusion.

IV. Statutory and Executive Order Reviews

This action establishes a tolerance exemption under FFDCA section 408(d) in response to a petition submitted to EPA. The Office of Management and Budget (OMB) has exempted these types of actions from review under Executive Order 12866, entitled “Regulatory Planning and Review” (58 FR 51735, October 4, 1993). Because this action has been exempted from review under Executive Order 12866, this action is not subject to Executive Order 13211, entitled “Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use” (66 FR 28355, May 22, 2001), or Executive Order 13045, entitled “Protection of Children from Environmental Health Risks and Safety Risks” (62 FR 19885, April 23, 1997), nor is it considered a regulatory action under Executive Order 13771, entitled “Reducing Regulations and Controlling Regulatory Costs” (82 FR 9339, February 3, 2017). This action does not contain any information collections subject to OMB approval under the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*, nor does it require any special considerations under Executive Order 12898, entitled “Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations” (59 FR 7629, February 16, 1994).

Since tolerances and exemptions that are established on the basis of a petition under FFDCA section 408(d), such as the tolerance exemption in this action, do not require the issuance of a proposed rule, the requirements of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) do not apply.

This action directly regulates growers, food processors, food handlers, and food retailers, not States or tribes. As a result, this action does not alter the relationships or distribution of power and responsibilities established by Congress in the preemption provisions of FFDCA section 408(n)(4). As such, EPA has determined that this action will not have a substantial direct effect on States or tribal governments, on the

relationship between the national government and the States or tribal governments, or on the distribution of power and responsibilities among the various levels of government or between the Federal Government and Indian tribes. Thus, EPA has determined that Executive Order 13132, entitled “Federalism” (64 FR 43255, August 10, 1999), and Executive Order 13175, entitled “Consultation and Coordination with Indian Tribal Governments” (65 FR 67249, November 9, 2000), do not apply to this action. In addition, this action does not impose any enforceable duty or contain any unfunded mandate as described under Title II of the Unfunded Mandates Reform Act (2 U.S.C. 1501 *et seq.*).

This action does not involve any technical standards that would require EPA’s consideration of voluntary consensus standards pursuant to section 12(d) of the National Technology Transfer and Advancement Act (15 U.S.C. 272 note).

V. Congressional Review Act

Pursuant to the Congressional Review Act (5 U.S.C. 801 *et seq.*), EPA will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of the rule in the **Federal Register**. This action is not a “major rule” as defined by 5 U.S.C. 804(2).

The OMB Control Number is 3060–1178. The foregoing notice is required by the Paperwork Reduction Act of 1995, Public Law 104–13, October 1, 1995, and 44 U.S.C. 3507.

Vendor name and Employer Identification Numbers (EIN) or Tax Payer Identification Number (TIN) will not be disclosed to the public.

Needs and Uses: This submission was made to the Office of Management and Budget (OMB) for the approval of new information collection requirements contained within the Commission's Report and Order, LPTV, TV Translator, and FM Reimbursement; Expanding the Economic and Innovation Opportunities Through Incentive Auction, MB Docket No. 18–214 and GN Docket No. 12–268, FCC 19–21, (March 15, 2019), 84 FR 11233 (March 26, 2019) (LPTV, TV Translator, and FM Reimbursement Report and Order). The LPTV, TV Translator, and FM Reimbursement Report and Order adopts rules to implement Congress' directive in the 2018 Reimbursement Expansion Act (REA) that the Commission reimburse certain Low Power Television and television translator stations and FM broadcast stations, for costs incurred as a result of the Commission's broadcast television spectrum incentive auction. In the REA, Congress provided additional funding for the TV Broadcaster Relocation Fund and expanded the list of entities eligible to receive reimbursement for costs reasonably incurred as a result of the reorganization of broadcast television spectrum to include LPTV/translator and FM stations. The LPTV, TV Translator, and FM Reimbursement Report and Order adopts rules relating to eligibility, expenses, and procedures the Commission will use to provide reimbursement to these entities and mandates the use of various measures designed to protect the Reimbursement Fund against waste, fraud, and abuse. This submission was made to implement the Commission's directive to add LPTV, TV Translators, and FM broadcast stations to this information collection.

In the LPTV, TV Translator, and FM Reimbursement Report and Order, the Commission delegated to the Media Bureau the authority to modify current FCC Form 2100, Schedule 399, TV Broadcaster Relocation Fund Reimbursement Form (Reimbursement Form), to add all newly eligible LPTV, TV Translator, and FM broadcast entities. The Media Bureau has, therefore, added questions and certifications to the Reimbursement Form to accommodate these newly eligible broadcast entities. Specifically, in order to protect the Reimbursement Fund against waste, fraud, and abuse, all newly eligible broadcast entities that propose to request reimbursement for eligible expenses must certify on the Reimbursement Form that they meet the specified eligibility criteria and provide information regarding their affected

broadcasting equipment and the estimated costs eligible for reimbursement. This information collection is otherwise unchanged as already approved by OMB.

Federal Communications Commission.

Secretary.

RIN 2126–AC07 and 2126–AC22

Lease and Interchange of Vehicles; Motor Carriers of Passengers

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Final rule.

SUMMARY: FMCSA amends its May 27, 2015, final rule on *Lease and Interchange of Vehicles; Motor Carriers of Passengers* (2015 final rule) in response to petitions for rulemaking. This final rule narrows the applicability of the 2015 final rule by excluding certain contracts and other agreements between motor carriers of passengers that have active passenger carrier operating authority registrations with FMCSA from the definition of lease and the associated regulatory requirements. For passenger carriers that remain subject to the leasing and interchange requirements, FMCSA returns the bus marking requirement to its July 1, 2015, state with slight modifications to add references to leased vehicles; revises the exception for the delayed writing of a lease during certain emergencies; and removes the 24-hour lease notification requirement.

DATES: This final rule is effective October 15, 2019. *Compliance date:* As of October 15, 2019, the compliance date for the requirements in subpart G of 49 CFR part 390 (§§ 390.401 and 390.403) is January 1, 2021.
