

Commission finds that (1) such termination or suspension is required to protect the public health and safety, or (2) the State has not complied with one or more of the requirements of Section 274 of the Act.

Pursuant to Section 274j. of the Act, the Commission may, after notifying the Governor, temporarily suspend all or part of this Agreement without notice or hearing if, in the judgment of the Commission, an emergency situation exists with respect to any material covered by this agreement creating danger which requires immediate action to protect the health or safety of persons either within or outside of the State and the State has failed to take steps necessary to contain or eliminate the cause of danger within a reasonable time after the situation arose. The Commission shall periodically review actions taken by the State under this Agreement to ensure compliance with Section 274 of the Act, which requires a State program to be adequate to protect the public health and safety with respect to the materials covered by this Agreement and to be compatible with the Commission's program.

**Rules of Conduct and Standards of Responsibility for Appointed Representatives; Correction**

**AGENCY:** Social Security Administration.

**ACTION:** Correcting amendments.

**SUMMARY:** On July 2, 2018, we published final rules in the **Federal Register**

revising our rules of conduct and standards of responsibility for representatives. Those final rules reduced the amount of time to request Appeals Council review of a hearing officer's decision from 30 days to 14 business days, but we inadvertently failed to make the same change in the parallel sections of the CFR, which details when the Appeals Council will dismiss a request for review. This document corrects the omitted sections and makes our regulations consistent.

**DATES:** Effective September 30, 2019.

**SUPPLEMENTARY INFORMATION:** We published final rule, Rules of Conduct and Standards of Responsibility for Appointed Representatives, in the **Federal Register** on July 2, 2018. (83 FR 30849). Among other changes, the final rules reduced the amount of time to request an Appeals Council review of a hearing officer's decision from 30 days to 14 business days (§§ 404.1775 and 416.1575).<sup>1</sup>

We inadvertently failed to make correlated and necessary, changes in the sections describing when the Appeals Council will dismiss such a request for review of a hearing officer's decision. Specifically, paragraph (c) of sections 404.1795 and 416.1595 currently reference the prior "30-day time period" instead of the new 14 business day time period. This correction revises the incorrect time period identified in 404.1795 and 416.1595 to match the correct time period provided in 404.1775(b) and 416.1575(b).
