

evaluated and certified under 5 CFR 1320.5(a) and forwarded to OMB for review and approval pursuant to 5 CFR 1320.12(c).

Before OMB decides whether to approve these proposed collections of information, it must provide 30 days for public comment. 44 U.S.C. 3507(b); 5 CFR 1320.12(d). Federal law requires OMB to approve or disapprove paperwork packages between 30 and 60 days after the 30-day notice is published. 44 U.S.C. 3507(b)–(c); 5 CFR 1320.12(d); *see also* 60 FR 44978, 44983, Aug. 29, 1995. OMB believes that the 30-day notice informs the regulated community to file relevant comments and affords the agency adequate time to digest public comments before it renders a decision. 60 FR 44983, Aug. 29, 1995. Therefore, respondents should submit their respective comments to OMB within 30 days of publication to best ensure having their full effect. 5 CFR 1320.12(c); *see also* 60 FR 44983, Aug. 29, 1995.

The summaries below describe the nature of the information collection requirements (ICRs) and the expected burden. The requirements are being submitted for clearance by OMB as required by the PRA.

*Title:* National Transit Database 49 U.S.C. Section 5335(a)(b).

*OMB Control Number:* 2132–0008.

*Type of Request:* Renewal of a previously approved information collection.

*Abstract:* 49 U.S.C. 5335(a) and (b) requires the Secretary of Transportation to maintain a reporting system, using a uniform system of accounts, to collect financial and operating information from the nation's public transportation systems. Congress created the NTD to be the repository of transit data for the nation to support public transportation service planning. FTA has established the NTD to meet these requirements, and has collected data for over 35 years. The NTD is comprised of four modules, Rural, Urban Annual, Monthly, and Safety Event Reporting. FTA continues to seek ways to reduce the burden of NTD reporting. FTA has added upload/download capabilities to the reporting system and greatly reduced the sampling required to certify Automatic Passenger Counters for use in reporting data to the NTD.

*Respondents:* State or local governmental entities that operates a public transportation service.

*Estimated Annual Number of Respondents:* 2,334.

*Estimated Total Annual Burden:* 327,524.

*Frequency:* Annual.

**Title:** 49 U.S.C. 5307 Urbanized Area Formula Program (OMB Number: 2132-0502).

**Background:** The Urbanized Area Formula Funding program (49 U.S.C. 5307) makes federal resources available to urbanized areas and to governors for transit capital and operating assistance in urbanized areas and for transportation-related planning. An urbanized area is an incorporated area with a population of 50,000 or more that is designated as such by the U.S. Department of Commerce, Bureau of the Census. Funding is made available to designated recipients that are public bodies with the legal authority to receive and dispense federal funds. Governors, responsible local officials and publicly owned operators of transit services shall designate a recipient to apply for, receive, and dispense funds for urbanized areas. The governor or governor's designee acts as the designated recipient for urbanized areas between 50,000 and 200,000. For urbanized areas with 200,000 in population and over, funds are apportioned and flow directly to a designated recipient selected locally to apply for and receive Federal funds. For urbanized areas under 200,000 in population, the funds are apportioned to the governor of each state for distribution. Eligible activities include: Planning, engineering, design and evaluation of transit projects and other technical transportation-related studies; capital investments in bus and bus-related activities such as replacement, overhaul and rebuilding of buses, crime prevention and security equipment and construction of maintenance and passenger facilities; and capital investments in new and existing fixed guideway systems including rolling stock, overhaul and rebuilding of vehicles, track, signals, communications, and computer hardware and software. In addition, associated transit improvements and certain expenses associated with mobility management programs are eligible under the program. All preventive maintenance and some Americans with Disabilities Act complementary paratransit service costs are considered capital costs.

**Respondents:** State or local governmental entities that operates a public transportation service.

**Estimated Annual Number of Respondents:** 6,240.

**Estimated Total Annual Burden:** 117,000 hours.
