Needs and Uses: The Licensing Management System (LMS) Form Schedule 303-S is used in applying for renewal of license for commercial or noncommercial AM, FM, TV, FM translator, TV translator, Class A TV, or Low Power TV, and Low Power FM broadcast station licenses. Licensees of broadcast stations must apply for renewal of their licenses every eight years. The Commission is revising this collection to reflect the adoption of a Report and Order ("R&O") in MB Docket No. 17-105 and 12-202, FCC 19-67, In the Matter of Children's Television Programming Rules; Modernization of Media Regulation Initiative, adopted and released on July 10, 2019. The R&O modernizes the children's television programming rules in light of changes to the media landscape that have occurred since the rules were first adopted. Among other revisions, the R&O revises the children's television programming rules to expand the Core Programming hours to 6:00 a.m. to 10:00 p.m.; modify the safe harbor processing guidelines for determining compliance with the children's programming rules; requires that broadcast stations air the substantial majority of their Core Programming on their primary program streams, but permit broadcast stations to air up to 13 hours per quarter of regularly scheduled weekly programming on a multicast stream; eliminates the additional processing guideline applicable to stations that multicast; and modify the rules governing preemption of Core Programming. In addition, the R&O eliminates the requirements that the reports include information describing the educational and informational purpose of each Core Program aired during the current reporting period and each Core Program that the licensee expects to air during the next reporting period; eliminating the requirement to identify the program guide publishers who were sent information regarding the licensee's Core Programs; and streamlining the form by eliminating certain fields. The R&O also eliminates the requirement to publicize the Children's Television Programming Reports.

Accordingly, we are revising FCC Form 2100, 303-S in order to clarify the new requirements in accordance with the aforementioned R&O.

Federal Communications Commission.

Secretary, Office of the Secretary.
